REPORT TO THE GENERAL ASSEMBLY OF VIRGINIA
SENATE RESOLUTION NO. 7

Directing the State Corporation Commission and the Division of Motor Vehicles to determine certain details as to the revenue resulting from the Motor Fuels Road Tax on certain motor carriers of property with three or more axles and from the registration fees required of property carrying vehicles.

Approved February 18, 1976

Patron: Mr. Moody

Referred to the Committee on Rules

Whereas, it is deemed in the best interests of the general public that the State Corporation Commission and the Division of Motor Vehicles should continue to report certain information to the General Assembly with respect to the revenue resulting from the Motor Fuels Road Tax on certain motor carriers of property with three or more axles and from the registration fees required of property carrying motor vehicles;

Now, therefore, Be it Resolved by the Senate of Virginia,

1. That, for the license years ending March thirty-first, nineteen hundred seventy-six and March thirty-first, nineteen hundred seventy-seven, the Division of Motor Vehicles is hereby directed to maintain such records as shall be necessary to determine, and within sixty days after the close of each such year shall determine therefrom, by the weight groups set forth in Section 46.1-154 of the Code of Virginia and separately for trucks, tractor trucks and semi-trailers and for private carriers and carriers for rent or for hire, the number of vehicles and the amount of fees paid with respect to all vehicles registered under the provisions of such Section. The Division of Motor Vehicles shall further maintain such records as shall be necessary to determine, and within sixty days after the close of each such year shall determine therefrom, by the weight groups set forth in Section 46.1-154 of the Code and separately for trucks, tractor trucks, and semi-trailers and for private carriers and carriers for rent or for hire the number of vehicles registered wholly or partly in Virginia and the amount of fees paid with respect to all vehicles registered under the provisions of such Section, showing the loss to Virginia for Virginia-based vehicles which are registered partly in Virginia and partly elsewhere and the amount of license fees gained by the State by reason of non-Virginia based vehicles paying a portion of the Virginia registration fee so that a determination can be made of the gain or loss, as the case may be, to Virginia from the application of the provisions of Section 46.1-157.1;

2. That, for the years ending June thirtieth, nineteen hundred seventy-six and June thirtieth, nineteen hundred seventy-seven, the State Corporation Commission is hereby directed to maintain such records as shall be necessary to determine, and within sixty days after the close of each such year shall determine therefrom, as to all motor carriers of property subject to the tax imposed by Article 12, Chapter 12, Title 58 of the Code of Virginia and separately for carriers for compensation and carriers not for compensation and for resident, nonresident and interstate carriers:

- (a) Miles traveled in all operations;
- (b) Miles traveled in Virginia;
- (c) Motor fuel, including diesel fuel, used in all operations;
- (d) Motor fuel, including diesel fuel, used in operations in Virginia;
- (e) Motor fuel, including diesel fuel, purchased in Virginia;
- (f) Miles traveled in all operations by vehicles burning diesel fuel;
- (g) Miles traveled in Virginia by vehicles burning diesel fuel;
- (h) Diesel fuel used in all operations;
- (i) Diesel fuel used in operations in Virginia.

3. That said Commission may request such report from and make such inspection of the books and records of the motor carriers mentioned in paragraph 2 of this Resolution as it may deem necessary or advisable to comply with the directive of such paragraph.

4. That the records maintained and the determinations made in accordance with the foregoing provisions of this Resolution shall be open to public inspection.

This survey report covers the license year from March 1, 1976 thru February 28, 1977.

Total car trailers dropped - 100,711.

Defined as vehicles with TR or TRH plates having a zero empty weight and/or a \$6.50 or less fee.

Because of Senate Resolution No. 7, dated January 28, 1976 each of the two survey reports are now divided into three reports making a total of six reports as follows:

- I-A Contains all survey records. This report corresponds to the Survey I report prior to the Senate resolution concerning international registration.
- I-B Contains all survey records except international registration.
- I-C Contains only international registration.
- II-A Contains all survey records except for certain trailers as noted below. This report corresponds to the Survey II report prior to the Senate resolution concerning international registration. This is the report that in the past has been used to prepare the report for the General Assembly.
- II-B Contains all survey records except international registration and certain trailers as noted below.
- II-C Contains only international registration except certain trailers as noted below.

NOTE: In the Survey II reports A, B, and C, all trailers with a gross weight combination or gross weight single of 10,000 lbs. or less have been dropped. These are considered to be primarily homemade trailers and are not of interest to the General Assembly in determining rates.

REPORT TO THE GENERAL ASSEMBLY OF VIRGINIA

SENATE RESOLUTION NO. 7

Directing the State Corporation Commission and the Division of Motor Vehicles to determine certain details as to the revenue resulting from the Motor Fuels Road Tax on certain motor carriers of property with three or more axles and from the registration fees required of property carrying vehicles.

Approved February 18, 1976

Patron: Mr. Moody

Referred to the Committee on Rules

Whereas, it is deemed in the best interests of the general public that the State Corporation Commission and the Division of Motor Vehicles should continue to report certain information to the General Assembly with respect to the revenue resulting from the Motor Fuels Road Tax on certain motor carriers of property with three or more axles and from the registration fees required of property carrying motor vehicles;

Now, therefore, Be it Resolved by the Senate of Virginia,

1. That, for the license years ending March thirty-first, nineteen hundred seventy-six and March thirty-first, nineteen hundred seventy-seven, the Division of Motor Vehicles is hereby directed to maintain such records as shall be necessary to determine, and within sixty days after the close of each such year shall determine therefrom, by the weight groups set forth in Section 46.1-154 of the Code of Virginia and separately for trucks, tractor trucks and semi-trailers and for private carriers and carriers for rent or for hire, the number of vehicles and the amount of fees paid with respect to all vehicles registered under the provisions of such Section. The Division of Motor Vehicles shall further maintain such records as shall be necessary to determine, and within sixty days after the close of each such year shall determine therefrom, by the weight groups set forth in Section 46.1-154 of the Code and separately for trucks, tractor trucks, and semi-trailers and for private carriers and carriers for rent or for hire the number of vehicles registered wholly or partly in Virginia and the amount of fees paid with respect to all vehicles registered under the provisions of such Section, showing the loss to Virginia for Virginia-based vehicles which are registered partly in Virginia and partly elsewhere and the amount of license fees gained by the State by reason of non-Virginia based vehicles paying a portion of the Virginia registration fee so that a determination can be made of the gain or loss, as the case may be, to Virginia from the application of the provisions of Section 46.1-157.1;

2. That, for the years ending June thirtieth, nineteen hundred seventy-six and June thirtieth, nineteen hundred seventy-seven, the State Corporation Commission is hereby directed to maintain such records as shall be necessary to determine, and within sixty days after the close of each such year shall determine therefrom, as to all motor carriers of property subject to the tax imposed by Article 12, Chapter 12, Title 58 of the Code of Virginia and separately for carriers for compensation and carriers not for compensation and for resident, nonresident and interstate carriers:

- (a) Miles traveled in all operations;
- (b) Miles traveled in Virginia;
- (c) Motor fuel, including diesel fuel, used in all operations;
- (d) Motor fuel, including diesel fuel, used in operations in Virginia;
- (e) Motor fuel, including diesel fuel, purchased in Virginia;
- (f) Miles traveled in all operations by vehicles burning diesel fuel;
- (g) Miles traveled in Virginia by vehicles burning diesel fuel;
- (h) Diesel fuel used in all operations;
- (i) Diesel fuel used in operations in Virginia.

3. That said Commission may request such report from and make such inspection of the books and records of the motor carriers mentioned in paragraph 2 of this Resolution as it may deem necessary or advisable to comply with the directive of such paragraph.
