Introduction

Code of Virginia

§19.2-349 in the *Code of Virginia* requires that all Clerks of Courts collect on any fines or fees assessed within their court. If payment or a payment arrangement has not been made in thirty days, the account becomes delinquent. Ten days are allowed for the appeals process, after which the delinquent account becomes the responsibility of the Commonwealth's Attorney. The Commonwealth's Attorney or the collection agent chosen by the Commonwealth's Attorney is then responsible for the collection of the delinquent account.

History of Fines and Fees Reporting

The 1994 General Assembly adopted legislation directing the Compensation Board and the Department of Taxation to report to the Governor and the General Assembly regarding the fines, costs, forfeitures, and penalties assessed, collected, unpaid, and those which remain unsatisfied or do not meet the conditions of §19.2-354 by each circuit and district court. Pursuant to §19.2-349.C, the report shall include procedures established by the Department of Taxation and the Compensation Board pursuant to this section and a plan for increasing the collection of unpaid fines, costs, forfeitures, and penalties.

The compilation of information for the fines and fees report began in August 1995 with the receipt of collection rates from the Supreme Court (Appendix C-4) for all Circuit Court Clerks in Virginia. The Compensation Board previously met with representatives of the Virginia Association of Commonwealth's Attorneys, Supreme Court, Department of Taxation and a private collection agency to determine a reporting mechanism, which would accurately reflect the collection efforts of Commonwealth's Attorneys. The task force developed a fines and fees collection form (Appendix C-1), approved by the Compensation Board, and sent to all Commonwealth's Attorneys each year requesting collection data on the current fiscal year.

Purpose of Fines and Fees Reporting

The purpose of this document is to report collection efforts in Virginia by the Clerks of the Courts and the Commonwealth's Attorneys. This report does not compare collection methods chosen by Commonwealth's Attorneys or draw conclusions as to the effectiveness of any Clerk or Commonwealth's Attorney. The format in which the data is collected does not allow for meaningful comparisons to be made between collection methods or individual offices. Data collection issues are discussed on page iii.

Data Collection Issues

Local Collection Efforts

Data for individual courts and offices of Commonwealth's Attorneys should not be used to determine the relative effectiveness or ineffectiveness of local collection efforts. The manner in which the data is collected does not allow for a meaningful comparison to be made between offices or collection methods. Data collection issues include assessments and collections made in the current year and prior year, variances in gross amount assessments, current year assessments, and changes in collection methods.

Prior and Current Year Assessments and Collections

The data for prior and current year assessments and prior and current year collections are co-mingled. The primary data system used for reporting, the Financial Management System of the Supreme Court of Virginia, currently compares total assessed dollars to collected dollars. This report does not examine individual accounts to match assessed data with collected data but instead holds focus on court-wide activity. The Financial Management System was designed as an accounting system, not a collections system. Consequently, we cannot determine if the collection was made on a current or prior year assessment.

Variances in Gross Amount Assessments

The gross amount of delinquent fines, fees, costs, and penalties assessed in the data supplied by the Commonwealth's Attorneys represents the figures that have been forwarded from the Clerk's office of that locality. In some cases the amount of delinquencies in the Clerk's office does not match the amount assessed in the Commonwealth's Attorney's office. In a General District Court differences may be attributed to timing errors in the reporting, such as using assessment information for June 1, 2003 to May 31, 2004 to represent fiscal year 2004 data. The Clerk's office may mark an account delinquent in June but the Commonwealth's Attorney would not collect upon it until July. The Clerk's Financial Management System would not assess the funds, but the Commonwealth's Attorney would report the fines and fees in his/her data. The Compensation Board specifically requested assessment and collection figures for the time period of July 1, 2003 through June 30, 2004.

Collection Rates in Excess of 100 Percent

Some collection rates are over 100 percent. For example, a Commonwealth's Attorney reports that the District Court collection rate is 112.2 percent, as shown below.

Court	Net Assessed	Gross Collected	Net Collected	Gross Collection Rate
Circuit	\$156,171.04	\$92,598.94	\$76,857.12	59.3%
District	\$204,351.82	\$229,189.88	\$190,227.60	112.2%
Juvenile	\$32,860.78	\$14,432.70	\$11,979.14	43.9%

Collection rates in excess of 100 percent occur when collections have been reported from the previous year. For example, if a Clerk has not forwarded delinquent accounts in fiscal year 2004 but had forwarded delinquent accounts in fiscal year 2003 and those accounts are still being collected on, the amount assessed could be zero and the amount collected positive. The Compensation Board requested assessed figures for the time period July 1, 2003 through June 30, 2004. The following report includes collections on delinquent accounts for preceding years. The Supreme Court's Financial Management System does not provide data for Compensation Board use that would track the age of the account on which a payment is made.

Changes in Collection Methods

There may be Commonwealth's Attorneys' offices that changed collection methods in the middle of the fiscal year. Due to the nature of this report, the Compensation Board may combine the figures from the two collection methods to determine one collection percentage. It is noted, however; that two collection methods were used during that fiscal year. It should also be noted the Compensation Board reports collection figures under the same collection methods for the Commonwealth's Attorney for all courts. (In reality, the Clerk of each Court may have a different collection method than that of the Commonwealth's Attorney.) This information is not available to the Compensation Board because, *per law*, the Commonwealth's Attorney chooses the collection method, not the Circuit Court Clerk.

Increase Collection of Fines and Fees

Actions in FY04 to Increase the Collection of Fines and Fees

- The Compensation Board has included a comparison of prior year collection activities for Circuit Court Clerks and Commonwealth's Attorneys in the FY04 report;
- The Compensation Board addressed the importance of fines and fees collection with all newly elected and appointed Circuit Court Clerks and Commonwealth's Attorneys at the agency-sponsored New Officer Training seminar held in December 2003;
- The Compensation Board has made layout and design changes to the FY2004 Fines and Fees report to improve clarity and readability; and
- The Compensation Board placed the FY2003 Fines and Fees report on the agency Web site to improve accessibility.

Recommendations in FY05 to Increase the Collection of Fines and Fees

- The Compensation Board will address the importance of fines and fees collection with all newly elected or appointed Circuit Court Clerks and Commonwealth's Attorneys who attend the New Officer Training in December 2004;
- The Compensation Board will require with FY2005 data submissions that all Commonwealth's Attorneys review and resubmit a required policy statement (Appendix C-2) regarding the collection of fines and fees;
- The Compensation Board staff will meet with legislative staff to review fines and fees collection activities in the Commonwealth;
- The Compensation Board staff will ask the Supreme Court of Virginia to determine the cost necessary to modify the Supreme Court of Virginia Financial Management System to better track the assessment and collection data on a fiscal year basis;
- The Compensation Board staff will meet with Circuit Court Clerks and Supreme Court Staff to develop a "best practices" section of the FY05 fines and fees report; and
- The Compensation Board staff will once again meet with collection agents to seek recommendations to improve the collection of delinquent fines and fees.

Executive Summary

This is a report of fines and fees collection efforts by each Circuit Court Clerk and Commonwealth's Attorney for fiscal year 2004 for each court (Circuit, General District, Juvenile & Domestic Relations, and Combined). The Supreme Court of Virginia, through the Financial Management System, compiles the collection efforts of Circuit Court Clerks. The Compensation Board compiles collection efforts of the Commonwealth's Attorneys as reported in the fines and fees collection form (Appendix D-1).

FY04 Fines and Fees Report Compensation Board

Section A – Fines and Fees Assessed and Collected

Section A of this report details collection efforts of Circuit Court Clerks and Commonwealth's Attorneys for each locality. Fines, fees, costs, and penalties assessed by the Court, delinquent assessments sent to the Commonwealth's Attorneys, collections by the Court, and collection rates are shown for each locality. The Virginia Supreme Court compiles data for the Circuit Court Clerks. The Compensation Board calculates the collection rate of Circuit Court Clerks by taking the fines and costs collected divided by the assessed dollars reported.

The Compensation Board collects data from each Commonwealth's Attorney for each locality. The net assessments for Commonwealth's Attorneys are the total (gross) delinquent fines, fees, costs, and penalties assessed for the fiscal year minus any accounts that were manually removed by the Clerk of the Court and minus any accounts that were reported paid by the Department of Taxation Debt Sell-Off Program. Net collections for Commonwealth's Attorneys are the gross collections of fines, fees, costs, and penalties minus any fee for services by the collection agent. The collection rate is the gross collection divided by the net assessments.

Compensation Board Commonwealth's Attorneys

Policy: It is the policy of this office to take all measures under law to ensure that all fines, costs, penalties, forfeitures, and restitution as ordered by the Court are paid in full.

Preface: The General Assembly has directed all Commonwealth's Attorneys to develop procedures for use in their office to improve the collections of fines, costs, penalties, forfeitures, and restitution.

Purpose: Prompt payment of fines, costs, penalties, forfeitures, and restitution are ordered by the Court as a form of punishment for an offense committed, as well as a legitimate source of revenue for the locality and the Commonwealth. Improved collection efforts by this office will maintain the integrity and credibility of the court.

Effective Date: The policy and procedures are effective July 1, 1997, unless otherwise noted, and shall remain in effect unless further amended by the Commonwealth's Attorney. Any amendments to this policy and these procedures shall be communicated to and are subject to review by the Compensation Board.

Procedure:

Actions for increasing the Collection of Fines and Fees

Collection Activities:

Attorneys for the Commonwealth have options available to them regarding the handling of delinquent fines and fees accounts. Those choices are to :

- Assign those accounts to the Department of Taxation's Court Debt Collections Unit;
- Collect on those accounts using in-house staff or;
- Assign accounts to a private collection agent or;
- Use the staff attorneys of the locality.

My election of any of the options is made effective by completing and signing a Commonwealth's Attorney Election Form and mailing copies of that form to the designations indicated on the form.

Reporting Requirements:

Pursuant to §19.2-349, the Commonwealth’s Attorney is required to report collection activities to the Compensation Board for the preparation of the annual Fines and Fees Report. My certification of the collection activities is required by the Code of Virginia.

Policy: It is the policy of this office to take all measures under law to ensure that all fines, costs, penalties, forfeitures, and restitution as ordered by the Court are paid in full.

Procedure:

Actions for increasing the Collection of Fines and Fees

All costs and fines assessed by the Court are due and payable in full at the time the Court pronounces judgment unless the Judge directs otherwise.

Payment is made in full at the time of sentencing or a deferred payment date or an installment plan is established.

If the debtor is unable to pay the total amount due, the court has a systematic procedure to ensure that the debtor understands the total dollar amount owed, the mechanics of making payments and the consequences of failing to pay as agreed

Actions if Defendant fails to Pay as Agreed:

Unpaid costs and fines constitute a judgment against the defendant in favor of the Commonwealth and are docketed as such.

The failure to either pay in full by the agreed upon due date or to meet the obligations of the installment payment plan (missed installment payment) causes the clerk to file an abstract with the Department of Motor Vehicles to effect a suspension of the debtor's drivers license and the registration certificate and license plates of any automobile registered solely in the name of the debtor.

Collection Activities:

At any point past the final judgment date and the exhaustion of appeals, the outstanding debt should be forwarded to the Commonwealth's Attorney or his/her designee.

No less frequently than annually, all outstanding debts are to be referred to the Department of Taxation's Debt Set-off program.

Reporting Requirements:

Pursuant to §19.2-349, the Clerks of the Courts are required to report collection activities to the Compensation Board for the preparation of the annual Fines and Fees Report. My certification of the collection activities is required by the Code of Virginia.

Title 19.2 Criminal Procedure

Chap. 21 Recovery of Fines and Penalties, §§ 19.2-339 — 19.2-368

Art. 3 Collection and Disposition of Fines, §§ 19.2-348 — 19.2-353.5

§ 19.2-349. Responsibility for collections; clerks to report unsatisfied fines, etc.; duty of attorneys for Commonwealth; duties of Department of Taxation. —

A. The clerk of the circuit court and district court of every county and city shall submit to the judge of his court, the Department of Taxation, the State Compensation Board and the attorney for the Commonwealth of his county or city a monthly report of all fines, costs, forfeitures and penalties which are delinquent more than 30 days, including court-ordered restitution of a sum certain, imposed in his court for a violation of state law or a local ordinance which remain unsatisfied, including those which are delinquent in installment payments. The monthly report shall include the social security number or driver's license number of the defendant, if known, and such other information as the Department of Taxation and the Compensation Board deem appropriate. The Executive Secretary shall make the report required by this subsection on behalf of those clerks who participate in the Supreme Court's automated information system.

B. It shall be the duty of the attorney for the Commonwealth to cause proper proceedings to be instituted for the collection and satisfaction of all fines, costs, forfeitures, penalties and restitution. The attorney for the Commonwealth shall determine whether it would be impractical or uneconomical for such service to be rendered by the office of the attorney for the Commonwealth. If the defendant does not enter into an installment payment agreement under § 19.2-354, the attorney for the Commonwealth and the clerk may agree to a process by which collection activity may be commenced 15 days after judgment.

If the attorney for the Commonwealth does not undertake collection, he shall contract with (i) private attorneys or private collection agencies, (ii) enter into an agreement with a local governing body, (iii) enter into an agreement with the county or city treasurer, or (iv) use the services of the Department of Taxation, upon such terms and conditions as may be established by guidelines promulgated by the Office of the Attorney General, the Executive Secretary of the Supreme Court with the Department of Taxation and the Compensation Board. If the attorney for the Commonwealth undertakes collection, he shall follow the procedures established by the Department of Taxation and the Compensation Board. Such guidelines shall not supersede contracts between attorneys for the Commonwealth and private attorneys and collection agencies when active collection efforts are being undertaken.

The fees of any private attorneys or collection agencies shall be paid on a contingency fee basis out of the proceeds of the amounts collected. However, in no event shall such attorney or collection agency receive a fee for amounts collected by the Department of Taxation under the Setoff Debt Collection Act (§ 58.1-520 et seq.).

C. The Department of Taxation and the State Compensation Board shall be responsible for the collection of any judgment which remains unsatisfied or does not meet the conditions of § 19.2-354. Persons owing such unsatisfied judgments or failing to comply with installment payment agreements under § 19.2-354 shall be subject to the delinquent tax collection provisions of Title 58.1. The Department of Taxation and the State Compensation Board shall establish procedures to be followed by clerks of courts, attorneys for the Commonwealth, other state agencies and any private attorneys or collection agents and may employ private attorneys or collection agencies, or engage other state agencies to collect the judgment. The Department of Taxation and the Commonwealth shall be entitled to deduct a fee for services from amounts collected for violations of local ordinances.

The Department of Taxation and the State Compensation Board shall annually report to the Governor and the General Assembly the total of fines, costs, forfeitures and penalties assessed, collected, and unpaid and those which remain unsatisfied or do not meet the conditions of § 19.2-354 by each circuit and district court. The report shall include the procedures established by the Department of Taxation and the State Compensation Board pursuant to this section and a plan for increasing the collection of unpaid fines, costs, forfeitures and penalties. The Auditor of Public Accounts shall annually report to the Governor, the Executive Secretary of the Supreme Court and the General Assembly as to the adherence of clerks of courts, attorneys for the Commonwealth and other state agencies to the procedures established by the Department of Taxation and the State Compensation Board. (Code 1950, § 19.1-341.2; 1960, c. 366; 1975, c. 495; 1979, c. 469; 1983, cc. 415, 499; 1988, cc. 742, 750, 770, 852; 1991, c. 202; 1992, c. 623; 1993, c. 269; 1994, cc. 841, 945; 2001, c. 414; 2003, c. 262.)

The 2003 amendments substituted "30" for "thirty" in the first sentence of subsection A; substituted "15" for "fifteen" in the last sentence of the first paragraph of subsection B; deleted "or" preceding "(iii)", redesignated clause (iii) as (iv), and added a new clause (iii) in the first sentence of the second paragraph.

Note: Acts 2003, c. 1042, Item 65 H provides: "H. In the second year, the pilot program that has been conducted through the Department of Taxation shall be expanded to include any private debt collection firms with whom the selected Commonwealth's Attorneys have contracted for the collection of unpaid fines and court costs pursuant to §19.2-349, Code of Virginia, to collect unpaid fines and court costs in the same manner and means as provided to the Department of Taxation in §58.1-1804, Code of Virginia. The Compensation Board shall monitor the program and shall include, in its annual report to the General Assembly on the collection of court-ordered fines and fees for Clerks of the Courts and Commonwealth's Attorneys, the amount of unpaid fines and costs collected by this program."

Note: Acts 2002, c. 899 and Acts 2003, c. 1042, Item 66 C provided: "C. Each clerk of the circuit court shall submit to the Compensation Board a copy of the report required pursuant to §19.2-349, Code of Virginia, at the same time that it is submitted to the Commonwealth's Attorney."

Note: Acts 2002, c. 899 and Acts 2003, c. 1042, Item 65 C provided: "C. Consistent with the provisions of §19.2-349, Code of Virginia, attorneys for the Commonwealth may, in addition to the options otherwise provided by law, employ individuals to assist in collection of outstanding fines, costs, forfeitures, penalties, and restitution. Notwithstanding any other provision of law, beginning on the date upon which the order or judgment is entered, the costs associated with employing such individuals may be paid from the proceeds of the amounts collected provided that the cost is apportioned on a pro rata basis according to the amount collected which is due the state and that which is due the locality. The attorneys for the Commonwealth shall account for the amounts collected and apportion costs associated with the collections consistent with procedures issued by the Auditor of Public Accounts."

Note: Acts 2002, c. 899, Item 285 F provided: "The Tax Commissioner shall continue in the first year a program that allows for the collection of unpaid fines and court costs by Commonwealth's Attorneys, and any attorneys licensed to practice law in Virginia with whom the selected Commonwealth's Attorney has contracted for the collection of unpaid finds and court costs pursuant to §19.2-349, Code of Virginia, to collect unpaid fines and court costs and in the same manner and means as provided to the Department of Taxation in §58.1-1804, Code of Virginia, for the collection of these fines and court costs. The remedies available under §58.1-1804, Code of Virginia, shall be in addition to any civil judgment collection remedies available under the Code of Virginia or Virginia common law. The Compensation Board shall monitor the program and shall include, in its annual report to the General Assembly on the collection of court-ordered fines and fees for Clerks of the Courts and Commonwealth's Attorneys, the amount of unpaid fines and costs collected by the program."

The 2001 amendments substituted "fifteen" for "ten" at the end of the last sentence in the first paragraph of subsection B.
