

# Memorandum

**Date:** July 25, 2005

**To:** Governor Mark R. Warner  
Members of the General Assembly

**From:** Peter Jobse  
President, The Center for Innovative Technology

**Re:** Technology Awards and Technology Growth Programs, and Status  
and Progress of Technology Innovation Centers

---

In accordance with Item 462, Paragraphs E.2 and E.3, of the 2005 Appropriations Act, I respectfully submit this letter as the annual report on the Technology Awards Program and Technology Growth Program as well as the status and progress of Technology Innovation Centers.

In light of CIT's shifting focus and budget priorities, the Technology Awards Program, Technology Growth Program, and Technology Innovation Centers have all been discontinued.

With the programs and centers no longer active, we would submit for your consideration over the coming months that the reporting requirements for each program be eliminated from the Appropriations Act.

CIT has provided guidance in the form of briefings to interested parties who have requested information related to these initiatives. If you have any questions, please feel free to contact me at 703-689-3000.
