

Aug. 30, 2006

To Members of the General Assembly:

Per HB 110, which requires notifying the governor and General Assembly as to state agencies' progress in addressing the impact of the aging of the population, I am writing as legislative liaison for the Virginia Tobacco Settlement Foundation to notify you that our agency does not address the impact of the aging population. Our General Assembly mandate restricts our client base to youths 18 years old and younger.

Sincerely yours,

Marty H. Kilgore
Executive Director
Virginia Tobacco Settlement Foundation
701 E. Franklin St.
Suite 501
Richmond, VA 23219
