Board of Commissioners
Virginia Port Authority
600 World Trade Center
Norfolk, Virginia 23510

Dear Commissioners:

The Comprehensive Annual Financial Report (CAFR) of the Virginia Port Authority (the Authority) for the fiscal year ended June 30, 2006 is hereby submitted for your review. Responsibility for both the accuracy of the data and the completeness and fairness of presentation, including all disclosures, rests with the Authority. To the best of our knowledge and belief, the enclosed data is accurate in all material respects, and is reported in a manner designed to present fairly the financial position and results of operations of the Authority. All disclosures necessary to enable the reader to gain an understanding of the Authority's financial activities and operations have been included.

Certain statistical information included in the CAFR were not obtained from the financial records of the Authority but are presented for the CAFR user's information and understanding of the Authority and the environment in which the Authority operates.

The enclosed CAFR has been prepared in accordance with guidelines recommended by the Governmental Accounting Standards Board and the Government Finance Officers Association. The CAFR is presented in four sections:

1. **Introductory Section** – This section consists of this letter of transmittal, a list of Board of Commissioners and the organization chart as of fiscal year ended June 30, 2006.

2. **Financial Section** – This section includes the Independent Auditor’s Report on the Authority financial statements for the fiscal year ended June 30, 2006, management’s discussion and analysis, the financial statements for the same period, and the accompanying notes to the financial statements.
3. **Statistical Section** – This section includes selected statistical information and key performance indicator data. Information in this section includes tables that cover periods of up to ten years relating to operational and fiscal activity of the Authority, plus selected cargo-related data, trading partners, commodity data, and comparisons to other U.S. ports.
4. **Compliance Section** – This section includes supplementary information required for compliance with Security Exchange Commission Rule 15c2-12 which requires issuers of municipal securities to provide annual updates of selected financial information to a nationally recognized municipal securities information repository. It is the intent of the Authority to file this CAFR with the repositories to meet this requirement.

Overview of the Virginia Port Authority

The Virginia Port Authority was established in 1952 as a political subdivision of the Commonwealth of Virginia for the purpose of stimulating commerce of the ports of the Commonwealth, promoting the shipment of goods and cargoes through the ports, improving the navigable tidal waters within the Commonwealth, and in general to perform any act or function which may be useful in developing, improving, or increasing the commerce of the ports of the Commonwealth. The Authority owns and is responsible for the operations of three marine terminals: Norfolk International Terminals (NIT), Portsmouth Marine Terminal (PMT), and Newport News Marine Terminal (NNMT), and an inland intermodal facility, the Virginia Inland Port (VIP) located in Front Royal, Virginia. These facilities primarily handle import and export containerized, breakbulk, and bulk cargoes.

A Board of Commissioners composed of 12 members manages the Authority. The Commissioners consist of 11 citizens appointed by the Governor in addition to the State Treasurer who is an ex-officio member of the Board. While the Commissioners remain on the Board at the continuing pleasure of the Governor, they serve staggered five-year terms. Commissioners may serve a maximum of two consecutive terms.

In addition to the financial statements of the Authority, Virginia International Terminals, Inc. (VIT) is presented in the Authority's financial statements as a discrete component unit to emphasize that it is legally separate from the Authority, and that it serves or benefits those outside of the Authority. The financial statements of VIT were audited by other auditors.

VIT was established in 1982 to operate the facilities owned by the Authority. VIT is a non-stock, nonprofit corporation and has been determined by the Internal Revenue Service as fulfilling an essential governmental function and therefore enjoys tax-exempt status. VIT operates the state-owned ports through a Service Agreement with the Authority. VIT has a seven-member board of directors. Six members come from the port area and serve a single six-year term. The Executive Director of the Virginia Port Authority is a permanent member of the VIT Board. The Virginia Port Authority Board

of Commissioners makes appointments to the VIT Board. The VIT budget is prepared annually and approved by the VPA Board of Commissioners prior to July 1 of each fiscal year.

Major Initiatives and Accomplishments

1. **TEU (twenty-foot equivalent container unit) volume and increase from fiscal year (FY) 2006:**

FY2005	1,900,026
FY2006	2,045,065 = 7.6% Increase

2. **Increase in rail volume in 2006:**

FY 2005	406,994 TEU
FY 2006	434,360 TEU = 6.7% Increase

Change in rail container throughput for the Virginia Inland Port:

FY 2005	56,837 TEU
FY 2006	63,394 TEU = 11.4% Increase

3. **Dredging the inbound Hampton Roads Federal Channel:**

Completed dredging of the inbound Hampton Roads federal channel to a depth of 50 ft., the first port on the East Coast with such a depth, providing access to the port for the world's largest container ships.

5. **New shipline services and contracts:**

- K Line, Yang Ming, Hanjin - AWE-5 (Asia)
- Zim, Emirates, SCI, MacAndrews – India North America Express (Mediterranean, Indian Subcontinent)
- Maersk Line, Safmarine – MECL 2/FM4 (Asia, Mediterranean, Indian Subcontinent)
- China Shipping Container Line – Round World – AMAX (Asia, Mediterranean)
- CMA CGM, China Shipping Container Line, ANL Container Line – Liberty Bridge/EAX (North Europe)

In addition, VIT signed over 72% of existing shipline customers to 10-year contracts.

6. **New or expanded distribution centers and warehouses:**

Dana Corporation	FedEx Corporation
Ferguson Enterprises, Inc.	FLEXA Furniture, Inc.
Fortessa, Inc.	RPM Warehousing
Grand Furniture Discount Stores	Direct Holdings
U.S. Food Service	Givens Company, Inc.

7. **Norfolk International Terminal (NIT) Improvements:**

Completed the renovation of 60 acres of container storage yard immediately behind the south wharf, and conversion of that area from a rubber-tired gantry crane operation to a straddle carrier operation at a savings of approximately \$18 per container. Initiated a similar renovation of 19 acres of container storage yard immediately behind the north wharf.

Internal Controls

The management of the Virginia Port Authority is responsible for establishing and maintaining internal controls over its operations. The Authority's internal controls are designed to provide management with reasonable, though not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition and that financial transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. The concept of reasonable assurance recognizes that the costs of a control should not exceed the benefits likely to be derived therefrom and that the evaluation of the costs and benefits requires certain estimates and judgements by management.

All internal control evaluations occur within the above framework. Authority management strongly believes that the inherent financial accounting controls coupled with the ongoing independent financial audit performed by the Authority's independent financial auditors, the Auditor of Public Accounts, as well as numerous other audit functions performed by several governmental agencies, adequately safeguard assets and provide reasonable assurance of properly recorded financial transactions.

Financial Overview

The Virginia Port Authority has one fund to which all accounts are organized and accounted for as a single reporting entity, known as an Enterprise Fund. Enterprise funds are used to account for proprietary operations that are financed and operated in a manner similar to private business operations where the intent of the governing body is that all operating costs, i.e. expenses exclusive of depreciation, are funded primarily through user charges. The Authority's primary source of funding for its operations is through the net revenues generated from terminal operations and subsequently transferred from VIT, and one lease in which the Authority assesses lease charges against the tenant of that property.

The Management Discussion and Analysis and the Basic Financial Statements, included in the Financial Section of this CAFR, are designed to provide the reader with a thorough understanding of the Authority's financial activities.

Budget

As a political subdivision of the Commonwealth of Virginia, the Virginia Port Authority is included in the Commonwealth's budget. Authority staff prepares and submit budget requests for each upcoming biennium to the Department of Planning and Budget (DPB) and the Governor based on expected revenues and expenditures. The Governor submits the recommended budget for the Commonwealth to the General Assembly.

The General Assembly enacts appropriations for each year of a biennium for operating and capital expenditures. These appropriations provide summary expenditure limitations and are printed in the Appropriation Act. The appropriations are effective on July 1 of each year. The Authority Board of Commissioners gives final approval of the detailed budget prior to July 1.

Risk Management

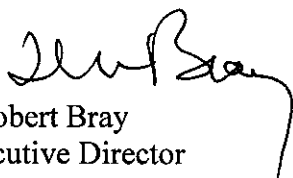

The Virginia Port Authority, together with its component unit (VIT), maintains a comprehensive risk management program, the purpose of which is the maximum protection of the assets, customers and employees of the Authority, and the reduction of the cost of risk through an innovative and professional risk management program. It is the intent of the Authority that it be protected against accidental loss or losses that would significantly affect Authority personnel, property or the ability of the organization to continue to fulfill its responsibilities.

In accordance with the service agreement between VIT and the Authority, VIT maintains property and liability insurance on all terminal equipment and facilities. The Authority maintains property and liability insurance only on non-terminal assets and facilities. The Authority also maintains general liability, fiduciary liability, worker's compensation insurance and an umbrella policy.

Acknowledgements

Preparation of the Comprehensive Annual Financial Report (CAFR), as always, represents the combined effort of the entire Finance Department of the Virginia Port Authority and the Auditor of Public Accounts. Finally, we express our deepest appreciation to the members of the Virginia Port Authority Board of Commissioners for their continued guidance and leadership towards ensuring the fiscal integrity of the Virginia Port Authority.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS

We have audited the accompanying financial statements of the **Virginia Port Authority** (Authority), a component unit of the Commonwealth of Virginia, and its discretely presented component unit, as of and for the year ended June 30, 2006, which collectively comprise the Authority's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Authority's management. Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of the Virginia International Terminals, Inc., a component unit of the Authority, which is discussed in Note 1. Those financial statements were audited by other auditors whose reports thereon have been furnished to us, and our opinion, insofar as it relates to the amount included for the component unit of the Authority is based on the reports of other auditors.

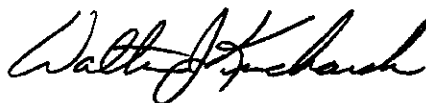

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit and the reports of other auditors provide a reasonable basis for our opinions.

In our opinion, based on our audit and the report of other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Virginia Port Authority and its discretely presented component unit as of June 30, 2006, and the respective changes in its net assets and its cash flows, where applicable, thereof for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

The Management's Discussion and Analysis on pages 10 through 16 is not a required part of the basic financial statements, but is supplementary information required by the accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Virginia Port Authority's basic financial statements. The introductory section, the statistical section, and the compliance section are presented for the purpose of additional analysis and are not a required part of the basic financial statements. The introductory section, the statistical section, and the compliance section have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on them.

In accordance with Government Auditing Standards, we have also issued our report dated October 24, 2006 on our consideration of the Port Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

VIRGINIA PORT AUTHORITY

MANAGEMENT'S DISCUSSION AND ANALYSIS

AS OF AND FOR THE YEAR ENDED JUNE 30, 2006

(Unaudited)

Our discussion and analysis of the Virginia Port Authority's (the Authority's) financial performance provides an overview of the Authority's financial activities for the fiscal year ended June 30, 2006. Please read it in conjunction with the Authority's financial statements and notes to financial statements. Virginia International Terminals, Inc. (VIT) is presented in the Authority's financial statements as a discrete component unit to emphasize that it is legally separate from the Authority, and that it serves or benefits those outside of the Authority. The financial statements of VIT were audited by other auditors. VIT's Management Discussion and Analysis is included in those audited financial statements.

ABOUT THE AUTHORITY

The Virginia Port Authority was established in 1952 as a political subdivision of the Commonwealth of Virginia for the purpose of stimulating commerce of the ports of the Commonwealth, promoting the shipment of goods and cargoes through the ports, improving the navigable tidal waters within the Commonwealth, and in general to perform any act or function which may be useful in developing, improving, or increasing the commerce of the ports of the Commonwealth. The Authority owns and is responsible for the operations of three marine terminals: Norfolk International Terminals (NIT), Portsmouth Marine Terminal (PMT), and Newport News Marine Terminal (NNMT), and an inland intermodal facility, the Virginia Inland Port (VIP) located in Front Royal, Virginia. These facilities primarily handle import and export containerized, breakbulk, and bulk cargoes.

A Board of Commissioners composed of 12 members manages the Authority. The Commissioners consist of 11 citizens appointed by the Governor in addition to the State Treasurer who is an ex-officio member of the Board. While the Commissioners remain on the Board at the continuing pleasure of the Governor, they serve staggered five-year terms. Commissioners may serve a maximum of two consecutive terms.

FINANCIAL HIGHLIGHTS

- Operating revenues for the Authority were \$59.3 million. Container volume in the port for the fiscal year ended June 30, 2006 was just over two million TEU's (twenty-foot equivalent container units), an increase of 7.6% from fiscal year 2005.
- The Authority's net assets increased by \$11.4 million for the fiscal year ended June 30, 2006.

- The assets of the Authority exceeded its liabilities by \$291.8 million at the fiscal year ended June 30, 2006. Of this amount, \$26 million was unrestricted and may be used to meet the Authority's ongoing obligations to creditors.
- The Authority's total assets decreased \$5.5 million during fiscal year ended June 30, 2006. The major component of this decrease was a decrease in noncurrent assets of \$17.9 million, primarily as a result of depreciation on capital assets, less an increase in current assets of \$12.4 million.
- The Authority's total liabilities decreased \$16.9 million during fiscal year ended June 30, 2006. The major component of this decrease was \$18.5 million in principal payments on long-term debt (excluding the \$22.9 million in debt that was refunded through a new bond issuance).

OVERVIEW OF THE FINANCIAL STATEMENTS

Governmental accounting policy, practice and procedures fall under the auspices of the Governmental Accounting Standards Board (GASB). The Authority's financial transactions and subsequent statements are prepared according to the GASB Statement 34 reporting model, as mandated by GASB. The purpose of the GASB 34 reporting model is to consolidate two basic forms of governmental accounting, governmental (such as municipalities) and proprietary (those entities which generate their own revenues and therefore are similar to a private business such as the Authority) operations, into statements that give the reader a clearer picture of the financial position of the government as a whole. The Authority is considered a proprietary form of government and its financial transactions are recorded in a single Enterprise Fund.

As stated above, the Authority operates as a single Enterprise Fund with one component unit, Virginia International Terminals, Inc. (VIT). The financial statements are prepared on the accrual basis of accounting, therefore revenues are recognized when earned and expenses are recognized when incurred. Capital assets, except land, are capitalized and depreciated over their useful life. Please refer to Note 1 in the accompanying notes to the financial statements for a summary of the Authority's significant accounting policies. Following this MD&A are the basic financial statements and supplementary information of the Authority. These statements and the statistical information, along with the MD&A are designed to provide readers with a complete understanding of the Authority's finances.

The financial section of this annual report consists of three parts: MD&A, the basic financial statements, and notes to the financial statements. The report includes the following three basic financial statements: the Statement of Net Assets, the Statement of Revenues, Expenses, and Changes in Net Assets, and the Statement of Cash Flows.

Statement of Net Assets

The Statement of Net Assets presents the financial position of the Authority at the end of the fiscal year. The statement includes all assets and liabilities of the Authority. Net assets, the

difference between total assets and total liabilities, is an indicator of the current fiscal health of the organization and the Authority's financial position over time. A condensed summary of the Authority's assets, liabilities, and net assets at June 30, 2006 and 2005 are as follows:

**Authority Net Assets
(in Millions)**

	<u>2006</u>	<u>2005</u>
ASSETS:		
Current assets	\$ 66.4	\$ 54.0
Noncurrent assets	690.3	708.2
Total assets	756.7	762.2
LIABILITIES:		
Current liabilities	47.4	45.1
Noncurrent liabilities	417.5	436.7
Total liabilities	464.9	481.8
NET ASSETS:		
Invested in capital assets, net of debt	224.1	202.3
Restricted for debt service	41.7	65.4
Unrestricted	26.0	12.7
Total net assets	\$ 291.8	\$ 280.4

Current assets increased \$12.4 million from fiscal year 2005 primarily as a result of an increase in unrestricted cash and cash equivalents of \$4.3 million and an increase in receivables of \$4.5 million due to positive financial performance during fiscal year 2006, and an increase in restricted current assets of \$3.6 million required primarily to meet new debt service obligations. Noncurrent assets decreased \$17.9 million primarily as a result of depreciation on capital assets. Noncurrent liabilities decreased \$19.2 million primarily due to \$18.5 million in principal payments on long-term debt (excluding the \$22.9 million in debt that was refunded through a new bond issuance).

The largest portion of the Authority's net assets (76.8% at June 30, 2006) represents its investment in capital assets (e.g. land, buildings, infrastructure, improvements, and equipment), less the related debt outstanding used to acquire those capital assets. The Authority uses these capital assets to provide services to major steamship lines and their agents for movement of maritime cargo; consequently these assets are not available for future spending. Although the Authority's investment in capital assets reported is shown net of related debt, it is noted that the resources required to repay this debt must be provided annually from operations and appropriation, since the capital assets themselves generally are not sold to liquidate liabilities.

An additional portion of the Authority's net assets (14.3% at June 30, 2006) represents resources that are subject to external restrictions on how they can be used under bond resolutions and federal regulations. The remaining unrestricted net assets (8.9% at June 30, 2006) may be used to meet any of the Authority's ongoing obligations.

Consolidated Statement of Revenues, Expenses, and Changes in Net Assets

All of the current year's revenues and expenses are accounted for in the Statement of Revenues, Expenses, and Changes in Net Assets. This statement measures the success of the Authority's operations and can be used to determine whether the Authority's fiscal condition has improved or worsened during the year. A summary of the Authority's revenues, expenses, and changes in net assets for the years ended June 30, 2006 and 2005 are as follows:

Authority Revenues, Expenses, and Changes in Net Assets (in Millions)

	<u>2006</u>	<u>2005</u>
Operating revenues	\$ 59.3	\$ 43.9
Operating expenses	54.6	45.0
Operating earnings (loss)	4.7	(1.1)
Non-operating revenues and expenses	(14.7)	(24.0)
Loss before capital contributions and transfers	(10.0)	(25.1)
Capital contributions and transfers:		
Commonwealth port fund allocation	37.7	34.2
Contributions to component unit, net	(10.1)	(4.2)
Capital contribution to the City of Norfolk	-	(5.0)
Transfers to federal government – channel dredging	(6.7)	(7.1)
Capital grants from the federal government	.8	1.3
Transfers to Commonwealth of Virginia	(.3)	(.4)
Increase(decrease) in net assets	<u>\$ 11.4</u>	<u>\$ (6.3)</u>

Total operating revenues increased \$15.4 million (or 35%) during fiscal year 2006. Container volume in the port for the fiscal year ended June 30, 2006 was just over two million TEU's, an increase of 7.6% from fiscal year 2005. In addition, several operating improvement initiatives at the component unit level, including the use of on and offsite empty container yards, establishment of a port-wide chassis pool, and conversion from a labor intensive rubber tire gantry crane operation to a straddle carrier operation contributed to the increase in Authority operating revenues. Operating expenses for the fiscal year ended June 30, 2006, were \$9.6 million over fiscal year 2005 primarily as a result of a \$6.5 million increase in depreciation and amortization expenses as a result of the completion of several large capital projects.

During the fiscal year ended June 30, 2006, net nonoperating revenues and expenses decreased by \$9.3 million from fiscal year 2005 primarily due to a loss on capital asset disposals of \$10.7 million in fiscal year 2005. The loss on capital asset disposal was primarily due to the demolition (and reconstruction) of the wharf at NIT, which was not fully depreciated at the time of disposal.

The Commonwealth port fund allocation represents the Authority's 4.2% allocation of revenues from the Commonwealth's Transportation Trust Fund, a combination of a portion of the state

sales tax, and motor vehicle fuel and related taxes and fees. Commonwealth port fund collections by the Commonwealth were 10% ahead of the previous fiscal year.

Contributions to component unit, net, included transfers to VIT to fully fund bond resolution reserve requirements and to complete certain capital projects, net of leasehold improvements made by VIT and transferred to the Authority. The Authority transferred \$7.2 million and \$1.5 million to VIT to complete certain capital projects during fiscal year 2006 and 2005, respectively.

During the fiscal year ended June 30, 2005, the Authority made a one-time contribution of \$5 million to the City of Norfolk to partially fund the construction of a cruise facility.

During the fiscal years ended June 30, 2006 and 2005, respectively, the Authority incurred \$6.7 million and \$7.1 million in expenses for dredging the Hampton Roads federal channel to a depth of 50ft. (During the fiscal year ended June 30, 2003 the Authority recorded revenue and received \$17.5 million from the Priority Transportation Fund to fund the Commonwealth's portion of this U.S. Army Corps of Engineers project.) To date expenses for the project total \$16.3 million.

STATEMENT OF CASH FLOWS

The Statement of Cash Flows provides information about the Authority's cash receipts and cash payments during the reporting period. The statement reports cash receipts, cash payments, and net changes in cash resulting from operations, investing and financing activities, and provides answers to such questions as where did cash come from, what was it used for, and what was the change in cash balance during the reporting period.

Statement of Cash Flows (in Millions)

	<u>2006</u>	<u>2005</u>
Cash flow from operating activities	\$ 29.1	\$ 7.0
Cash flow from noncapital financing activities	(.3)	(.4)
Cash flow from capital and related financing activities	(86.3)	(19.0)
Cash flow from investing activities	35.4	37.9
Net increase (decrease) in cash and cash equivalents	(22.1)	25.5
Cash and cash equivalents		
Beginning of year	77.5	28.0
Comparative data/reclassification	-	24.0
End of year	<u>55.4</u>	<u>\$ 77.5</u>

Cash flow from operating activities increased \$22.1 million in fiscal year 2006 primarily as a result of increased transfers from VIT, and lower cash payments for operating activities due to

the timing of payments for accounts payable for large capital projects. Cash flow from capital and related financing activities decreased \$67.3 million in fiscal year 2006 primarily as a result of the Authority completing a \$60 million bond issue in fiscal year 2005 to fund construction projects. No such bond issue was completed in fiscal year 2006.

CAPITAL ASSET AND DEBT ADMINISTRATION

Capital Assets. The Authority's investment in capital assets as of June 30, 2006, amounted to \$636.4 million (net of accumulated depreciation). This investment in capital assets primarily includes land, buildings, wharves, roads, drainage and lighting systems, and equipment. Major capital asset events during the current fiscal year included the following:

- Expenditures of \$25.2 million on the renovation of NIT South, including completion of progress payments on the acquisition of eight Suez-class container cranes.
- Additional paving and container yard expansion of NIT North at a cost of \$7.6 million.
- Completion of progress payments on the acquisition of 36 new straddle carriers totaling \$19 million.
- Expenditures of \$3.1 million for improvements to the transfer zone at PMT.
- Expenditures of \$2.5 million for dredging the access channel and berth at PMT to 45 feet.
- Capitalized interest (net of capitalized income) of \$2.7 million was added to the cost of capital assets in fiscal year 2006.

Long-term Debt

Bonds. At June 30, 2006, the Authority had \$417.5 million in long-term debt, excluding current maturities. Of this amount, \$374.3 million is in the form of revenue bonds issued by the Authority. During 2006, the Authority issued \$21.7 million in new bonds to take advantage of lower interest rates and refund certain revenue bonds originally issued in 1996.

Commonwealth Port Fund Revenue bonds issued in 1996, 1998, 2002, 2005, and 2006 are supported by the Authority's 4.2% allocation of the Commonwealth's Transportation Trust Fund. The bonds are also backed by a sum sufficient appropriation from the Commonwealth and carry underlying ratings of AA+ from Fitch Ratings, Inc. and Standard and Poor's, and an Aa1 rating from Moody's Investor Services.

Port Facilities Revenue bonds issued in 1997 and 2003 are supported by terminal revenues and MBIA insurance policies and carry underlying ratings of A+ from Fitch Ratings, Inc., A from Standard and Poor's, and an Aa3 underlying rating from Moody's Investor Services. With insurance from MBIA the ratings on the bonds are AAA from Fitch Ratings, Inc. and Standard and Poor's, and Aaa from Moody's Investor Services. The Authority's bond covenants require that revenues available to pay debt service, as defined in the bond resolution, exceed 110% and 135% of the annual debt service amount. The debt service coverage test for fiscal year 2006 was met and exceeded.

Installment purchases. In fiscal year 2004, the Authority established a master equipment lease program for the installment financing of certain equipment. During the fiscal year ended June

30, 2006, the Authority financed the acquisition of six straddle carriers at a cost of \$4.7 million under the master equipment lease program.

ECONOMIC FACTORS

The Authority's capital projects, either directly or indirectly through bond issues, are primarily funded from an operating grant from the Commonwealth of Virginia's Transportation Trust Fund. The Authority receives 4.2% of Transportation Trust Fund collections, which are revenues generated primarily by state motor vehicle fuel and sales taxes. Trust Fund collections are subject to the economic conditions existing throughout the Commonwealth, and are not controlled by the Authority.

CONTACTING THE AUTHORITY'S FINANCIAL MANAGEMENT

This financial report is designed to provide citizens, customers, and investors and creditors with a general overview of the Authority's finances and to show the Authority's accountability for the money we receive. If you have any questions about this report or need additional financial information, contact the Authority's Director of Finance at 600 World Trade Center, Norfolk, VA 23510.

NOTES TO FINANCIAL STATEMENTS

VIRGINIA PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2006

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

The Virginia Port Authority became a separate agency in 1952 and assumed responsibility for supervising port operations. A Board of Commissioners composed of 12 members manages the Authority. The Authority's major activities are developing water transportation facilities; providing security services; maintaining ports, facilities, and services; providing public relations and domestic and international advertising; and, with offices in the United States and several foreign countries, developing Virginia's ports through cargo solicitation and promotion throughout the world.

Virginia International Terminals, Inc., (VIT) was incorporated as a nonstock, nonprofit corporation on June 30, 1981, for the purpose of operating all the marine terminals owned by the Authority. In accordance with GASB Statement 39, *Determining Whether Certain Organizations Are Component Units*, for financial reporting purposes, the Authority's reporting entity includes VIT as a component unit organization for which the Authority is financially accountable. The following criteria for financial accountability, as described by Section 2100 of the GASB Codification of Governmental Accounting and Financial Reporting Standards, are present in the relationship between the Authority and VIT: (1) the Authority appoints a voting majority of VIT's governing body; (2) the Authority has the ability to impose its will on VIT; and (3) VIT provides a specific financial benefit to the Authority. VIT is presented in the Authority's financial statements as a discrete component unit to emphasize that it is legally separate from the Authority, and that it serves or benefits those outside of the Authority. VIT is audited by the independent accounting firm Witt Mares Eggleston Smith, PLC. VIT's audit report can be obtained by contacting VIT's Chief Financial Officer at 600 World Trade Center, Norfolk, VA 23510.

Virginia Port Properties, Inc., (VPP) was incorporated as a nonprofit corporation on March 23, 1988, for the purpose of managing all foreign and domestic leases on behalf of the Authority. Because the operations of VPP are an integral part of the Authority, VPP has been included in the Authority's financial statements.

The Authority is a component unit of the Commonwealth of Virginia. A separate report is prepared for the Commonwealth of Virginia, which includes all agencies, boards, commissions, and authorities over which the Commonwealth exercises or has the ability to exercise oversight authority. The Authority is an integral part of the reporting entity of the Commonwealth of Virginia; accordingly, all funds of the Authority are included in the financial statements of the Commonwealth as a part of the reporting entity.

VIRGINIA PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2006

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Fund Accounting

The activities of the Authority are accounted for in an enterprise fund. The enterprise fund is used to account for operations that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs of providing goods and services to the general public on a continuing basis be financed or recovered primarily through user charges.

Basis of Accounting

The Authority prepares its financial statements on the accrual basis of accounting in conformity with generally accepted accounting principles, which provides that revenues are recorded when earned and expenses are recorded when incurred. Grants are recognized as revenue as soon as all eligibility requirements imposed by the grantor have been met.

Pursuant to GASB Statement No. 20, *Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities That Use Proprietary Fund Accounting*, the Authority has elected to apply the provisions of all relevant pronouncements of FASB that do not contradict or conflict with GASB pronouncements, including those issued after November 30, 1989.

Cash and Cash Equivalents

For the purposes of reporting cash flows, the Authority considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents. The Authority invests available cash balances into overnight deposits daily.

Investments

All investments of the Authority are reported at fair value.

VIRGINIA PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2006

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Capital Assets

Capital assets are generally assets with an initial cost of \$5,000 or more and an estimated useful life in excess of two years. Capital assets are valued at historical cost or estimated historical cost if actual cost is not available. Capital assets are comprised of land, buildings, infrastructure, other improvements, equipment, and construction in progress. Infrastructure assets are considered capital assets that can be preserved for a significantly greater number of years than most capital assets. Examples include roads, wharves, dredging, and lighting and drainage systems. Depreciation on capital assets is computed on the straight-line method over the estimated useful lives of the assets as follows:

Buildings	3 – 41 years
Improvements	5 – 50 years
Infrastructure	4 – 41 years
Equipment	3 – 36 years

The cost for maintenance and repairs is charged to operations as incurred. When items are retired or otherwise disposed of, the related costs and accumulated depreciation are eliminated from the accounts and any resulting profit or loss on such dispositions is reflected in operations.

Long-Term Obligations

Long-term obligations are reported as liabilities in the Statement of Net Assets. Bond premiums and discounts, as well as issuance costs, are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are reported as deferred charges and amortized over the term of the related debt. In accordance with paragraph 146 of GASB Statement No. 34, the Authority elected to apply this policy prospectively beginning July 1, 2001.

Compensated Absences

Compensated absences represent the amounts of vacation, sick, and compensatory leave earned by employees of the Authority, but not taken at June 30, 2006. The amount reflects all earned vacation, sick, and compensatory leave and related payroll taxes, expected to be paid under the Authority's leave pay-out policy upon employment termination.

VIRGINIA PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2006

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Concluded

Budgets and Budgetary Accounting

The Appropriation Act as enacted by the General Assembly of Virginia established the Authority's budget for the year ended June 30, 2006. No payments can be made out of the state treasury except in pursuance of appropriations made by law.

Restricted Assets

Restricted assets are utilized in accordance to the restrictions placed upon the resources. When an expense is incurred for which both restricted and unrestricted net assets are available, management determines on an individual basis how resources are allocated.

Interest Income

Interest income, including net realized and unrealized gains or losses on investment transactions and investment expenses, is recorded as nonoperating revenue.

Comparative Data/Reclassifications

Comparative total data for the prior year have been presented only in the basic financial statements in order to provide an understanding of the changes in financial position and operations. Also, certain amounts presented in the prior year data have been reclassified in order to be consistent with the current year's presentation.

2. CASH, CASH EQUIVALENTS, AND INVESTMENTS

At June 30, 2006, the Treasurer of Virginia pursuant to Section 2.2-1800, et seq., Code of Virginia, who is responsible for the collection, disbursement, custody, and investment of state funds, held \$10,747,485 in cash and cash equivalents for the Authority.

Certain deposits and investments are held by the Authority or are held by trustees for the Authority. These accounts are collateralized in accordance with the Virginia Security for Public Deposits Act, Section 2.2-4400, et seq., Code of Virginia or covered by federal depository insurance. Short-term investments represent deposits and securities with maturities of one year or less. Long-term investments represent securities with maturities of greater than one year.

VIRGINIA PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2006

2. CASH, CASH EQUIVALENTS, AND INVESTMENTS - Continued

Statutes authorize the investment of funds held by the Authority in obligations of the Commonwealth, federal government, other states or political subdivisions thereof, Virginia political subdivisions, the International Bank for Reconstruction and Development, the Asian Development Bank, and the African Development Bank. In addition, the Authority may invest in prime quality commercial paper rated prime 1 by Moody's Investment Service or A-1 by Standard and Poor's Incorporated, overnight term or open repurchase agreements, and money market funds comprised of investments which are note rated but are otherwise legal investments of the Authority.

As of June 30, 2006, the following shows the segmented time distribution of the Authority's investments (not held by the Treasurer):

<u>Investment Type</u>	<u>Fair Value</u>	<u>Investment Maturities</u> <u>(in Years)</u>	
		<u>Less Than 1</u>	<u>1-5</u>
Repurchase Agreements	\$28,030,756	\$21,149,732	\$6,881,024
Corporate Debt	573,000	573,000	-
FHLMC/FNMA	16,292,727	16,292,727	-
Money-Market/Mutual Funds	708,536	-	708,536
	<u>\$45,605,019</u>	<u>\$38,015,459</u>	<u>\$7,589,560</u>

Interest Rate Risk

The Authority follows the Commonwealth of Virginia's investment policy and holds all its investments to maturity as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk

As of June 30, 2006 the Authority's FHLMC/FNMA securities were rated AAA or A-1+ by Standard and Poor's Incorporated.

Custodial Credit Risk

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the Authority will not be able to recover the value of its investments or collateral securities that are in possession of an outside party. All of the Authority's \$28 million investments in repurchase agreements are collateralized with securities that are approved for direct investment.

VIRGINIA PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2006

2. CASH, CASH EQUIVALENTS, AND INVESTMENTS - Continued

Concentration of Credit Risk

The Authority places no limit on the amount it may invest in any one issuer. More than 5 percent of the Authority's investments are in FHLMC and FNMA securities. These investments are 3.46% and 33.53%, respectively, of the Authority's total investments.

Investments held by the Treasurer of Virginia

Investments held by the Treasurer of Virginia represent the Authority's allocated share of securities received for securities lending transactions held in the General Account of the Commonwealth. Information related to the credit risk of these investments and securities lending transactions held in the General Account is available on a statewide level in the Commonwealth of Virginia's Comprehensive Annual Financial Report.

Component Unit – VIT

As of June 30, 2006, Virginia International Terminals, Inc. held restricted cash equivalents and short-term restricted investments.

The following shows the segmented time distribution of the VIT's investments:

Investment Type	Fair Market Value	Investment Maturities (in Years)			
		Less than 1	1-5	6-10	More than 10
U.S. Treasuries	3,174,530	1,718,093	756,490	571,652	128,295
U.S. Agencies	9,399,130	1,036,296	6,940,338	485,815	936,681
Corporate Bonds	2,728,909	595,638	1,941,963	191,308	-
Money-Market/Mutual Funds	13,521,675	13,521,675	-	-	-
	\$28,824,244	\$16,871,702	\$9,638,791	\$1,248,775	\$1,064,976

VIRGINIA PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2006

2. CASH, CASH EQUIVALENTS, AND INVESTMENTS - Concluded

Concentration of Credit Risk

Financial instruments that potentially subject VIT to concentrations of credit risk consist principally of cash balances and temporary cash investments. VIT maintains checking accounts and a money market deposit account in excess of the \$100,000 limit of federal insurance with major financial institutions. Deposits in excess of the \$100,000 limit totaled approximately \$18,746,000 and \$19,565,000 at June 30, 2006 and 2005, respectively.

3. CHANGES IN CAPITAL ASSETS

A summary of changes in capital assets of the Authority follows:

	Balance July 1, 2005	Additions	Deletions	Balance June 30, 2006
Capital assets not being depreciated:				
Land and improvements	\$96,478,044	\$1,147,516	\$ -	\$97,625,560
Construction in progress	175,764,110	72,378,675	157,935,685	90,207,100

Virginia Port Authority

Details of Long-Term Indebtedness

Revenue Bonds

On October 23, 1996, Commonwealth Port Fund Revenue Bonds, dated October 15, 1996, were issued in the principal amount of \$38,300,000. On April 4, 2006 \$22,925,000 of these bonds were refunded. The remaining serial bonds are payable in annual installments of \$1,830,000 and \$1,935,000 with interest of 5.35% to 5.75% payable semiannually, with the final installment due in 2007. The bonds are payable primarily from the Commonwealth Port Fund. Such revenues currently consist of a portion of the additional revenues derived from certain increases in motor vehicle fuel taxes, sales and use taxes, and annual motor vehicle registration fees.

\$ 3,765,000

On June 26, 1997, Port Facilities Revenue Bonds, dated June 1, 1997, were issued in the principal amount of \$98,065,000. Serial bonds issued in the principal amount of \$29,490,000 are payable in annual installments varying from \$2,095,000 to \$2,885,000 with interest of 5.10% to 6.00% payable semiannually, the final installment due in 2012. Term bonds issued in the principal amounts of \$17,025,000, \$33,090,000, and \$18,460,000 with interest of 5.65%, 5.50%, and 5.60% are due in 2017, 2024, and 2027, respectively. The bonds are payable from net revenues of the Authority.

85,935,000

On April 2, 1998, Commonwealth Port Fund Revenue Refunding Bonds, dated April 1, 1998, were issued in the principal amount of \$71,015,000. The bonds are payable in annual installments varying from \$9,085,000 to \$10,085,000 with interest of 5.25% to 5.50% payable semiannually, the final installment due in 2008. These bonds were issued to refund the outstanding principal amount of the Series 1988 Bonds of the Authority. The bonds are payable primarily from the Commonwealth Port Fund. Such revenues currently consist of a portion of the additional revenues derived from certain increases in motor vehicle fuel taxes, sales and use taxes, and annual motor vehicle registration fees.

4. LONG-TERM DEBT - Continued

On July 23, 2002, Commonwealth Port Fund Revenue Bonds, dated July 11, 2002, were issued in the principal amount of \$135,000,000. Serial bonds issued in the principal amount of \$90,850,000 are payable in annual installments varying from \$2,495,000 to \$7,590,000 with interest of 3.00% to 5.50% payable semiannually, the final installment due 2022. Term bonds issued in the principal amounts of \$16,360,000 and \$27,790,000 with interest of 5.125% and 5.00% are due in 2024 and 2027, respectively. These bonds are payable primarily from the Commonwealth Port Fund. Such revenues currently consist of a portion of the additional revenues derived from certain increases in motor vehicle fuel taxes, sales and use taxes, and annual motor vehicle registration fees. 132,040,000

On June 26, 2003, Port Facilities Fund Revenue Bonds, dated June 18, 2003, were issued in the principal amount of \$55,155,000. Serial bonds issued in the principal amount of \$18,880,000 are payable in annual installments varying from \$965,000 to \$2,210,000 with interest of 4.00% to 5.25% payable semiannually, the final installment due 2024. Term bonds issued in the principal amounts of \$4,945,000, \$6,090,000, \$4,945,000, \$5,000,000, \$15,295,000 with interest of 4.00%, 4.375%, 5.00%, 4.75% and 4.50% are due in 2013, 2023, 2028, 2028, and 2033, respectively. These bonds are payable from the net revenues of the Authority. 53,795,000

On April 14, 2005, Commonwealth Port Fund Revenue Bonds, dated April 6, 2005, were issued in the principal amounts of \$55,095,000 (AMT bonds) and \$4,905,000 (non-AMT bonds). AMT serial bonds issued in the principal amount of \$31,465,000 are payable in annual installments varying from \$1,245,000 to \$3,055,000 with interest of 5.0% to 5.25% payable semiannually, the final installment due 2024. AMT term bonds issued in the principal amount of \$6,745,000 and \$16,885,000 with interest of 5.25% and 4.875% are due in 2019 and 2029, respectively. Non-AMT term bonds issued in the principal amount of \$4,905,000 with interest of 5.00% are due in 2030. These bonds are payable primarily from the Commonwealth Port Fund. Such revenues currently consist of a portion of the additional revenues derived from certain increases in motor vehicle fuel taxes, sales and use taxes, and annual motor vehicle registration fees. 60,000,000

A contract dated January 6, 2005 for the lease purchase of terminal equipment totaling \$23,170,930 with semi-annual payments of \$1,386,681 for a period of ten years at an interest rate of 3.563%. 21,194,133

A contract dated August 18, 2005 for the lease purchase of terminal equipment totaling \$4,663,170 with semi-annual payments of \$279,607 for a period of ten years at an interest rate of 3.69%. 447,133

Total installment purchases **46,015,790**

Contracts

A contract dated May 15, 1986, for the construction of certain harbor projects to increase the depth of shipping channels at Hampton Roads totaling \$928,077. The agreement requires annual payments for a period of 30 years including interest at the current Treasury rate, plus 1/8 of 1% for transaction costs beginning May 1997. Every 5 years the interest rate will be recalculated using the Treasury rate in effect at that time. The last recalculation was performed as of May 2003. 699,278

Compensated Absences

VPA's salaried employees attendance and leave regulations make provision for the granting of a specified number of days of leave each year. The amount of leave earned but not taken is recorded as a liability on the Statement of Net Assets. At June 30, 2006 the amounts reflect all earned vacation and compensatory leave not taken, and the amount payable under the Authority's sick leave pay-out policy upon termination, which is the lesser of 25 percent of sick leave not taken or \$5,000 per employee for employees hired prior to July 1, 1997. The compensated absence liability also includes related payroll taxes. 511,255

Component Unit – VIT

VIT permits employees to accumulate unused personal leave and up to 25 days of vacation leave benefits that can be utilized in future periods or partially paid upon separation from employment. VIT has recorded a liability of \$3,616,090 at June 30, 2006 to the extent of the benefits that are payable. VIT is also contingently liable for personal and vacation leave of \$4,655,763 at June 30, 2006 representing amounts employees could use during their period of employment.

VIRGINIA PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2006

5. DEFEASANCE OF DEBT – PRIOR YEARS

During fiscal year 1997, certain 1993 Port Facilities General Revenue Bonds were defeased by the Authority. A portion of the net proceeds from the sale of the 1997 bonds were placed in an irrevocable trust with an escrow agent to provide for all future debt service on the refunded bonds. Accordingly, the trust account assets and the related liability for the defeased bonds are not reflected in the Authority's financial statements. At June 30, 2006, \$6,460,000 of defeased bonds were outstanding.

Current Refundings

On April 6, 2006, the Authority issued \$21,730,000 of Commonwealth Port Fund Revenue Bonds to currently refund \$22,925,000 of Commonwealth Port Fund Revenue Bonds originally issued in 1996. The refunding was undertaken to take advantage of the lower interest rates available to reduce total future debt service payments. The reacquisition price exceeded the net carrying amount of the old debt by \$369,980. This amount is netted against the old debt and amortized over the life of the new debt which is same as the refunded debt. The transaction also resulted in a net present value savings of \$1,208,625.

Proceeds from the sale, along with other funds available from the Authority, were placed in an irrevocable trust with an escrow agent to repay the bonds in full on or about July 1, 2006. Accordingly, the trust account assets and the related liability for the defeased bonds are not reflected in the Authority's financial statements.

6. RENT OF TERMINAL FACILITIES AND EQUIPMENT

Virginia International Terminals, Inc., (VIT) was incorporated as a nonprofit corporation on June 30, 1981, for the purpose of operating all marine terminals owned by the Authority. Lease agreements with Port Authority Terminals, Inc., and Portsmouth Terminals, Inc., to operate Newport News Marine Terminal, Norfolk International Terminals, and Portsmouth Marine Terminal, respectively, were assigned to VIT.

Effective June 1997, the service agreement with VIT was amended to comply with the 1997 Series Bond Resolution that restructured the payments. The payments are now based on the overall monthly cash flow of VIT operating results.

VIRGINIA PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2006

7. COMMITMENTS AND CONTINGENCIES

As of June 30, 2006, the Authority has commitments to construction contracts totaling \$82,048,905 of which \$48,486,254 has been incurred.

The Authority established a Master Equipment Lease Program on October 15, 2003. All equipment financed subsequent to that date serves as collateral for all debt outstanding under the Master Lease.

The Authority is committed under various operating lease agreements for office facilities and equipment. The commitments range from two months to seven years and generally include renewal options and escalation clauses relating to property tax and cost of living increases. Operating leases to rent office space in Singapore, Brussels, Korea and Hong Kong are subject to the currency exchange rate at the time of each rent payment. Rent expense under operating lease agreements amounted to \$659,190 for the year. A summary of future obligations under lease agreements as of June 30, 2006, follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2007	\$ 633,411
2008	585,696
2009	600,906
2010	617,029
2011	609,355
Thereafter	918,201
Total	<u><u>\$ 3,964,598</u></u>

Bonds-Subsequent Event

In October 2006 the Authority issued \$90,000,000 of Terminal Revenue Bonds (Series 2006 Bonds). The Series 2006 Bonds will be payable from the pledged net revenues of the Authority. Proceeds of the Series 2006 Bonds will be used to finance certain facilities to be located at Norfolk International Terminals (NIT), including dredging, wharf expansions, container yard expansions, rail yard improvements, and equipment, and a new office building to be located immediately outside the main entrance of NIT, and also certain facilities to be located at the Virginia Inland Port including an expansion of the rail yard, plus other expenses incurred in connection with the issuance of the bonds.

VIRGINIA PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2006

7. COMMITMENTS AND CONTINGENCIES - Concluded

Escrow funds

On April 23, 2003 the Authority, acting as agent for the Commonwealth, signed a Project Cooperation Agreement (PCA) with the Department of the Army for dredging the inbound channel of the Norfolk Harbor, and related channels, to a depth of 50 feet. In connection with the PCA, the Authority received \$17.475 million from the Priority Transportation Fund of the Commonwealth as matching funds required under the PCA. The matching funds were invested in a short-term government security and a money market account in the name of the Authority. However, the Department of the Army has the sole and unrestricted right to draw upon all or any part of the principal funds deposited in the escrow account. As of June 30, 2006, the escrow account balance was \$1,686,644.

Federal Grants

The Authority receives federal grant funding from the United States Department of Transportation, Maritime Administration to improve security around the ports of Virginia in the wake of the terrorist attack on September 11, 2001. The grants are subject to review and audit under the "Office of Management and Budget Circular A-133." Entitlement to these resources is conditional upon compliance with the terms and conditions of the agreements, including the expenditure of resources for allowable purposes. The Authority is required to comply with various federal regulations issued by the Office of Management and Budget.

Component Unit – VIT

VIT is a defendant in various lawsuits generally incidental to its business. It is management's opinion that the financial position of the Company will not be materially affected by the ultimate resolution of litigation pending or threatened at June 30, 2006.

At June 30, 2006, VIT has a letter of credit issued in the amount of \$3,000,000 for workers' compensation claims. The letter of credit bears interest at prime and is set to expire at March 31, 2007. At June 30, 2006, there were no borrowings outstanding.

8. PENSION PLANS AND OTHER POST RETIREMENT BENEFITS

The Authority maintains two defined benefit plans for its employees. Employees of record on July 1, 1997, had the option of continuing to maintain their status as a State employee, and their benefits maintained under the Virginia Retirement System (VRS), or elect to be covered under a newly created pension plan (the VPA Defined Benefit Plan). The VPA Defined Benefit Plan covers all employees hired after July 1, 1997.

VIRGINIA PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2006

8. PENSION PLANS AND OTHER POST RETIREMENT BENEFITS - Continued

Employees of the Authority who elected to remain employees of the Commonwealth participate in a defined benefit pension plan administered by the Virginia Retirement System (VRS). The VRS also administers life insurance and health related plans for retired employees. Information relating to these plans is available at the statewide level only in the Commonwealth of Virginia's Comprehensive Annual Financial Report (CAFR). The Commonwealth, not the Authority, has overall responsibility for contributions to these plans.

The VPA Defined Benefit Plan is a single employer, noncontributory defined benefit pension plan administered by the Authority. The plan provides retirement, disability, and death benefits to plan members and beneficiaries. Benefit provisions and obligations are established and may be amended by the Board of Commissioners of the Authority. The latest actuarial report on the VPA Defined Benefit Plan may be obtained by contacting the Finance Department of the Authority.

As the plan sponsor for the VPA Defined Benefit Plan, the Authority sets a contribution rate annually based on recommendations provided by the plan's Actuary. The Authority elected to contribute 7.05% of base pay in 2006, 6.87% of base pay in 2005 and 4.00% of base pay in 2004 for employees receiving the basic retirement benefit from the plan. The plan does not specify a minimum funding requirement.

In November 2001, the Board of Commissioners voted to amend the VPA Defined Benefit Plan to provide benefits to sworn police officers that more closely resemble the new retirement benefits provided to members of the Virginia Law Enforcement Officers Retirement System program. The effect of those changes is included in the accompanying pension data. The components of annual pension cost and net pension obligation are as follows:

	<u>2006</u>	<u>2005</u>	<u>2004</u>
Service cost-benefits earned during the year	\$514,545	\$329,902	\$348,524
Interest on projected benefit obligation	223,047	157,419	138,803
Expected return on assets	(165,669)	(107,220)	(167,011)

VIRGINIA PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2006

8. PENSION PLANS AND OTHER POST RETIREMENT BENEFITS – Continued

The annual pension cost for the current year was determined as part of the August 2006 actuarial valuation using the aggregate actuarial cost method, which does not identify and separately amortize unfunded actuarial liabilities. Actual value of assets was determined using market value. The discount rate used in determining the actuarial present value of the projected benefit obligation was 6.25% for 2006, 5.25% for 2005 and 6.25% for 2004. The estimated rate of increase in future compensation levels used was 4.00%. The expected long-term rate of return on assets used in determining net periodic pension cost was 8.00%.

The following table sets forth the plan's funded status and the related amounts recorded in the Authority's balance sheets at June 30, 2006, 2005 and 2004.

Fiscal Year Ended	Annual Pension Cost (APC)	Percentage of APC Contributed	Net Pension Obligation
June 30, 2006	\$ 763,118	117%	\$ 1,144,113
June 30, 2005	\$ 463,299	109%	\$ 1,403,785
June 30, 2004	\$ 503,599	30%	\$ 502,017

In addition, the Authority maintains two deferred compensation plans and a matching savings plan under Internal Revenue Code Sections 457 and 401(a), respectively. Employees who maintain status under VRS are covered under a deferred compensation plan administered by VRS. Information relating to this plan is available at the statewide level only in the Commonwealth of Virginia's Comprehensive Annual Financial Report (CAFR).

The VPA Deferred Compensation Plan covers all employees hired after July 1, 1997, and those employees electing coverage under the Authority's deferred compensation plan. The Matching Savings Plan covers substantially all employees. The matching savings plan requires VPA to match contributions in an amount equal to 50% of the first 6% of the participant's base pay contributed to the plan. VPA's total contribution to the matching savings plan was \$135,170 and \$112,835 for the years ended June 30, 2006 and 2005, respectively.

The right to modify, alter, amend, or terminate the Authority's Deferred Compensation Plan and the Matching Savings Plan vests with the Board of Commissioners of the Authority. Effective January 1, 2002, the plans were amended in order to comply with provisions in the Economic Growth & Tax Reconciliation Act (EGTRRA).

8. PENSION PLANS AND OTHER POST RETIREMENT BENEFITS – Continued

Component Unit – VIT

The Virginia International Terminals, Inc. Pension Plan is a single employer, noncontributory defined benefit pension plan administered by Virginia International Terminals, Inc. The Plan provides retirement, disability, and death benefits to plan members and beneficiaries. Benefit provisions and obligations are established and may be amended by the Board of Directors of Virginia International Terminals, Inc. The plan's financial report is audited annually and can be obtained through the Human Resource Department at VIT.

On October 1, 2001, the Plan was amended and restated in order to comply with the GUST II requirements, brought about by the Uniformed Service Employment and Reemployment Rights Act of 1994, the Uruguay Round Agreements Act, the Small Business Job Protection Act of 1996, the Taxpayer Relief Act of 1997, and the Internal Revenue Service Restructuring and Reform Act of 1998.

The annual pension cost for the current year was determined as part of the October 1, 2005 actuarial valuation using the aggregate actuarial cost method, which does not identify and separately amortize unfunded actuarial liabilities. The discount rate used in determining the actuarial present value of the projected benefit obligation was 6.75% in 2006 and 2005, and 7.50% in 2004. The estimated rate of increase in future compensation levels used was 5.00% for all three years for all post-1996 hires and 6.00% for all pre-1997 hires for 2006 and 2005 and 5.00% for all pre-1997 hires for 2004. The expected long-term rate of return on assets used in determining net periodic pension cost was 8.00% for all three years. The components of annual pension cost and prepaid pension obligation are as follows:

	<u>2006</u>	<u>2005</u>	<u>2004</u>
Service cost – benefits earned	\$1,801,800	\$1,642,100	\$1,156,600
Interest cost of projected benefit obligation	2,903,200	2,653,000	2,260,700
Expected return on assets	(3,213,200)	(2,972,100)	(2,675,000)
Net amortization and deferral	<u>709,500</u>	<u>643,600</u>	<u>151,300</u>
Annual pension cost	2,201,300	1,966,600	893,600
Contributions made	<u>(4,216,500)</u>	<u>(1,104,900)</u>	<u>(1,299,000)</u>
Decrease(increase) in prepaid pension obligation	(2,015,200)	861,700	(405,400)
Prepaid pension obligation, beginning of year	<u>(7,306,100)</u>	<u>(8,167,800)</u>	<u>(7,762,400)</u>
Prepaid pension obligation, end of year	<u><u>(\$9,321,300)</u></u>	<u><u>(\$7,306,100)</u></u>	<u><u>(\$8,167,800)</u></u>

8. PENSION PLANS AND OTHER POST RETIREMENT BENEFITS – Concluded

The following table sets forth the plan's funded status and the related amounts recorded in the Company's balance sheets at June 30, 2006, 2005, and 2004.

Three-Year Trend Information

<u>Fiscal Year</u> <u>Ended</u>	<u>Annual Pension</u> <u>Cost (APC)</u>	<u>Percentage of</u> <u>APC Contributed</u>	<u>Prepaid Pension</u> <u>Obligation</u>
June 30, 2006	\$ 2,201,300	192%	\$ (9,321,300)
June 30, 2005	\$ 1,966,600	56%	\$ (7,306,100)
June 30, 2004	\$ 893,600	145%	\$ (8,167,800)

VIT also sponsors two noncontributory supplemental plans covering certain key employees. Assets of \$2,199,929 and \$1,838,656 in 2006 and 2005, respectively, have been allocated for future benefit payments under the provisions of the supplemental plans. The accrued liability was \$3,800,744, and \$2,132,829 as of June 30, 2006 and 2005, respectively. Contributions to the plans were \$427,000 and \$0 for the years ended June 30, 2006 and 2005, respectively.

In addition, VIT sponsors a deferred compensation plan and a matching savings plan under Internal Revenue Code Sections 457 and 401(a), respectively, that cover substantially all nonunion employees with 90 days or more of service. The matching savings plan requires VIT to match employee contributions in an amount equal to 50% of the first 3% of the participant's base pay contributed to the deferred compensation plan. VIT's total contribution to the matching savings plan was \$300,442 and \$288,913 for the years ended June 30, 2006 and 2005, respectively.

Virginia Intermodal Management, LLC (VIM) sponsors a Savings Incentive Match Plan for Employees of Small Employers (SIMPLE) and provides a matching savings plan under Internal Revenue Code Section 408(p). All employees with annual earnings greater than \$5,000 are eligible to participate in the plan. The plan requires VIM to match 3% of each eligible employee's salary. VIM's total contribution to the Plan was \$18,460 and \$9,534 for the years ended June 30, 2006 and 2005, respectively.

VIRGINIA PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2006

9. ACCRUED WORKERS' COMPENSATION COSTS

Included in accrued workers' compensation costs for VIT are a workers' compensation claims component and an accrued Department of Labor assessment component. The workers' compensation claims component consists of VIT's estimate of its continuing liability for injuries, which occurred during periods of self-insurance. The balances at June 30, 2006 and 2005 are classified as follows:

	<u>2006</u>	<u>2005</u>
Workers' compensation claims	\$1,632,402	\$1,639,445
Workers' compensation claims, noncurrent portion	<u>446,122</u>	<u>766,816</u>
	<u>\$2,078,524</u>	<u>\$2,406,261</u>

The accrued Department of Labor (DOL) assessment component is the VIT's estimate of the present value of its future liability to the Department of Labor for participation in the U.S. Department of Labor's Second Injury Fund. The total liability has been discounted using a rate of 6.75% at June 30, 2006 and 2005, respectively. The undiscounted liability totaled approximately \$7,531,000 and \$8,362,000, at June 30, 2006 and 2005, respectively. VIT expects to pay these assessments annually through 2034. The balances at June 30, 2006 and 2005 are classified as follows:

	<u>2006</u>	<u>2005</u>
Accrued DOL assessment	\$867,598	\$860,555
Accrued DOL assessment, noncurrent portion	<u>4,200,402</u>	<u>4,470,445</u>
	<u>\$5,068,000</u>	<u>\$5,331,000</u>

VIRGINIA PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2006

10. RISK MANAGEMENT AND EMPLOYEE HEALTH CARE PLANS

The Authority is exposed to various risks of loss related to torts; theft or, damage to, and destruction of assets; errors and omissions; non-performance of duty; injuries to employees; and natural disasters. The Authority participates in a General/Law Enforcement Liability plan called "VARisk 2" maintained by the Commonwealth of Virginia. Health care related benefits for employees hired prior to July 1, 1997 are covered by the state employee health care plan administered by the Department of Human Resource Management. Information relating to the Commonwealth's insurance plans is available at the statewide level in the Commonwealth of Virginia's Comprehensive Annual Financial Report (CAFR). Through its operating agreement, the Authority requires Virginia International Terminals, Inc. to maintain property insurance coverage on all plant and equipment located on the terminals. In addition, the Authority maintains its own insurance coverage for health, property, auto, workers compensation, and international liabilities, as well as an umbrella policy providing excess liability coverage over and above losses not covered in primary policies.

TABLE 1 - TAXES APPROPRIATED TO COMMONWEALTH PORT FUND

For each of the biennia ended June 30, 1992, 1994, 1996, 1998, 2000, 2002, 2004, and 2006 the General Assembly of the Commonwealth of Virginia (the “Commonwealth”) has appropriated the net additional revenues from the tax and fee increases enacted pursuant to Chapters 11, 12 and 15 of the Acts of Assembly, 1986 Special Session, to the Commonwealth’s Transportation Trust Fund (the “Transportation Fund”) and directed the Commonwealth’s Transportation Board to allocate 4.2% thereof to the Commonwealth Port Fund (the “Port Fund”).

The following table sets forth the annual collections of the taxes that have been allocated to the Transportation Trust Fund beginning with the fiscal year ended June 30, 2002.

**TRANSPORTATION TRUST FUND
STATEMENT OF REVENUE COLLECTIONS
FISCAL YEARS 2002 THROUGH 2006**

**Transportation Trust Fund
(in millions)**

TABLE 2 - NET TRANSFERS TO THE COMMONWEALTH PORT FUND

The following table shows the allocation of Transportation Trust Fund revenue to the Port Fund, the interest credited to the Port Fund prior to its transfer to the Income Account under the Authority's Commonwealth Port Fund Revenue Bond Resolution (the "Bond Resolution") and the expenses charged thereto for the fiscal years 1997 through 2006. The net transfers to the Income Account ("Primary Income") are pledged to the payment of bonds issued under the Bond Resolution.

<u>Fiscal Year</u>	<u>Allocation</u> ⁽¹⁾	(+)	<u>Interest</u> <u>Earned</u> ⁽²⁾	(—)	<u>Indirect</u> <u>Expenses</u> ⁽²⁾	(=)	<u>Net Transfers</u>
1997	23,790,779		858,061		48,800		24,600,040
1998	24,691,902		140,998		40,100		24,792,800
1999	26,495,208		447,823		37,700		26,905,331
2000	28,397,110		723,756		43,600		29,077,266
2001	29,447,966		1,144,001		47,600		30,544,367
2002	29,910,418		868,381		48,765		30,730,034
2003	30,597,359		468,452		49,100		31,016,711
2004	32,165,316		124,575		45,600		32,244,291

TABLE 5 - CARGO DATA

The Authority's ports handle a variety of general cargo. Bulk cargo, such as petroleum products, grain and coal, is not handled at the Port Facilities but is handled at facilities owned by railroads and other private operators. Set forth below are the major categories of general cargo handled by the Port Facilities.

TABLE 5 - CARGO DATA

The Authority's ports handle a variety of general cargo. Bulk cargo, such as petroleum products, grain and coal, is not handled at the Port Facilities but is handled at facilities owned by railroads and other private operators. Set forth below are the major categories of general cargo handled by the Port Facilities.

**LEADING EXPORTED AND IMPORTED GENERAL CARGO COMMODITIES*
CALENDAR YEAR 2001-2005 (Short Tons)**

<u>Exports</u>	<u>2001</u>	<u>2002</u>	<u>2003</u>	<u>2004</u>	<u>2005</u>
Woodpulp	563,574	609,240	618,157	622,151	762,916
Wood	1,113,800	706,397	580,433	823,828	715,116
Paper & Paperboard	340,322	405,814	413,284	408,051	489,120
Machinery	255,404	266,738	263,892	308,014	344,996
Plastic	293,413	295,837	309,137	296,339	322,911
<u>Imports</u>					
Machinery	483,020	607,112	675,578	774,534	863,628
Wood	383,922	599,957	555,722	674,324	598,579
Autos and Auto Parts	322,172	439,088	462,817	472,426	533,486
Beverages	357,356	387,771	443,829	478,541	524,914
Furniture and Bedding	211,370	302,322	443,506	506,807	520,085

* This table includes data for all facilities that comprise the Port of Virginia, some of which are not owned by the Authority. The Authority believes that the VPA Facilities handle in excess of 95% of the general cargo transported through the Port of Virginia.
