

November 17, 2006

To Members of the General Assembly:

Per HB 110, which requires agencies to notify the Governor and the General Assembly as to the agencies' progress in addressing the impact of the aging of the population, I am writing as Director of Administration for the Virginia Department of Business Assistance to notify you that our agency does not address the impact of the aging population.

Sincerely,

Stacy vanLeliveld  
Director of Administration
