September 10, 2008

The Honorable Lacey E. Putney, Chairman
House Appropriations Committee
General Assembly Building, Room 947
Capitol Square
Richmond, Virginia 23219

Dear Delegate Putney:

Item 4-5.07 of Chapter 879 of the 2008 Acts of Assembly (the Appropriations Act), requires the Department of General Services to report to the Chairmen of the Senate Finance and House Appropriations Committees by September 1 of each year on real property leases that are in effect for the current year. We are to report the agency executing the lease, the amount of space leased and the cost of the annual lease.

Attached is a report of active real property leases for the reporting period as of July 1, 2008. The following is an explanation of certain of the column headings contained in the report:

Lease # - Assigned Department of General Services lease reference number.

Rentable SQFT - Total square feet under lease.

Annual Base Rent - The annual rent payable to landlord.

For this reporting year, we have omitted leases held by Institutions of Higher Education having delegated leasing authority. This omission is out of concern that we are not receiving complete information from the institutions.

The Division of Real Estate Services has recently initiated use of a new real estate system that we call the Integrated Real Estate Management System (IREMS). IREMS is a very robust computer system that will not only provide reports but will be useful in

The Honorable Lacey E. Putney

administering leases throughout the Commonwealth. Because we will use the system for lease administration, the data will be much more accurate than has been possible heretofore. This report has been prepared at a time of transition and data validation. Although we have taken precautions to ensure accuracy and completeness of the data presented in the attached reports, we have not completed validation of the data transferred from the former PLATS system.

Should you have any questions, please do not hesitate to contact me at 786-3311, or via e-mail at Richard.Sliwoski@dgs.virginia.gov.

Sincerely,

Richard F. Sliwoski, P.E.

Enclosure
