

***State Council of Higher Education for Virginia:***

***Report on Transfers from Community Colleges at  
Virginia Public Institutions***

Reporting Mandate: Chapter 650, 2004 (Senate Bill 6) Sect. 23-9.2:3.02

Annual Report on the total number of transfer students each institution of higher education admitted, enrolled, and graduated from institutions within the Virginia Community College System.

The attached report describes the total number of Virginia Community College System transfer students each institution of higher education enrolled and graduated from 2001-02 to 2004-05. The number of transfer students from VCCS admitted by each four-year institution is not included because the State Council of Higher Education does not require the reporting of this information.

The following tables and observations are included in this report:

***Table 1: Enrollment and Time to Baccalaureate Degree  
VCCS Transfers with Associate Degrees, Baccalaureate Credit***

- The information in Table 1 indicates numbers of VCCS transfers with earned baccalaureate (transfer) associate degrees enrolling in, and/or completing the baccalaureate degree within 2, 3, and 4 years. Transfer student numbers in this category increased 27% from 2001-02 to 2004-05.
- More transfer students completed the baccalaureate degree within 3 years than within the timeframes of 2, or 4 years.

***Table 2: Enrollment and Time to Baccalaureate Degree  
VCCS Transfers with Associate Degrees, Occupational/Technical Credit***

- The information in Table 2 indicates that numbers of VCCS students transferring with the earned occupational-technical (applied) associate degree, enrolling in, and completing the baccalaureate degree within 2, 3, and 4 years remained flat. At some institutions, numbers of transfer students in this category increased in 2003-04, but returned to previous levels in 2004-05.
- It is important to note that occupational and technical associate degrees are not designed to transfer into baccalaureate programs. However, some students with this degree opt to transfer to four-year institutions. Some four-year institutions are better prepared programmatically to accept credits from occupational/technical degrees.

***Table 3: Enrollment and Time to Baccalaureate Degree  
VCCS Transfers Without Degrees***

- The information in Table 3 indicates that numbers of VCCS transfers without earned associate degrees enrolling in, and/or completing the baccalaureate degree within 2, 3, and 4 years increased 10% from 2001-02 to 2004-05.

***Table 4: Enrollment and Time to Baccalaureate Degree  
All VCCS Transfers***

- The information in Table 4 indicates that numbers for all VCCS transfers enrolling in, and/or completing the baccalaureate degree within 2, 3, and 4 years increased 13% from 2001-02 to 2004-05.
- The majority of VCCS transfer students did so without an earned associate degree. The second largest category of transfers have earned transfer associate degrees, followed by occupational/technical associate degrees.
