The Honorable Charles J. Colgan, Chairman
Senate Finance Committee
General Assembly Building, Room 317
Capitol Square
Richmond, Virginia 23219

Dear Senator Colgan:

Item 4-5.07 of Chapter 781 of the 2009 Acts of Assembly (the Appropriations Act), requires the Department of General Services to report to the Chairmen of the Senate Finance and House Appropriations Committees by September 1 of each year on real property leases that are in effect for the current year. We are to report the agency executing the lease, the amount of space leased and the cost of the annual lease.

Attached is a report of active real property leases as of September 1, 2009. The report is generated by our Integrated Real Property Management System (IREMS). The following is an explanation of certain of the column headings contained in the report:

- Lease # - Assigned Department of General Services lease reference number.
- Rentable Square Feet - Total square feet under lease.
- Annual Rent Cost - The annual rent payable to the landlord.

We are currently reviewing and validating data submitted by institutions of higher education. We do not have complete data for some of the higher education leases, and those are not reported. However, we are committed to obtaining the data and loading it into IREMS, and we anticipate the task will be completed during the first half of 2010.

Please contact me if you have questions or need additional information. I can be reached by telephone at 786-3311 or via e-mail at: Richard.Sliwoski@dgs.virginia.gov.

Sincerely,

Richard F. Sliwoski, P.E.
