FY 2009 JAIL COST REPORT

ANNUAL JAIL REVENUES AND EXPENDITURES REPORT (INCLUDING CANTEEN & OTHER AUXILIARY FUNDS)

November 1, 2010

PREFACE

The Compensation Board is pleased to present the eleventh annual Jail Cost Report in accordance with the provisions of Chapter 874, Item 67.90, Paragraph K. of the 2010 Virginia Acts of Assembly. The report presents known expenditures and revenues related to Virginia's operating jails and jail farms. The report also includes a brief profile of each facility and its operating environment. As directed by the General Assembly, we have reported on inmate canteen and other auxiliary inmate accounts activity. The financial information and statements presented in the report for each jail is certified for accuracy by the respective Sheriff/Regional Jail/Jail Farm Superintendent and Chief Financial Officer/Chairman.

Total costs related to Virginia's jails increased to \$818 million in FY 2009, up from \$798 million in FY 08. The average daily population (ADP) in Virginia Jails decreased to 28,197 inmates from FY08's ADP of 28,926.

Inmate costs per day vary widely throughout the state. Some of the factors that contribute to this variation may include jail size, age, capacity utilization, location, inmate programs and management practices. This year's report shows that approximately 63.0% of the daily operating costs are attributable to personal services. For each facility we show the Compensation Board funded positions (7,241 for FY 2009) and note whether the locality supplements the Compensation Board's funded salaries for jail personnel. We also note the number of locally funded positions for each jail (if any); 2,125 for FY 2009.

The Commonwealth's percentage of costs funded (as a % of expenditures) to Virginia's jails decreased to 40.7% in FY 2009 (43.4% for 2008). Commonwealth Construction Reimbursements decreased from \$26.4 million in FY 2008 to \$17.6 million in FY 2009. The localities' funding percent increased slightly to 48.5%, up from 45.4% in FY 2008.

The report shows that \$79.96 million of federal funding via the American Recovery and Reinvestment Act (ARRA) State Fiscal Stabilization Fund - Government Services was provided to Virginia's jails. Excluding these amounts, federal funding accounted for 6.4% of all funding provided to Virginia's jails in FY 2009, compared to 6.7% in FY 2008. In addition, recoveries from Virginia's jails for housing federal inmates increased to \$9.8 million in FY 2009 from \$9.6 million in FY 2008. Funding from "Other" sources accounted for 5.8% of all FY 2009 funding provided to Virginia's jails, compared to 6.0% in FY 2008.

Compensation Board staff would like to express their appreciation for the cooperation they received from Sheriffs, Regional Jail and Jail Farm Superintendents and Finance/Budget staffs in Virginia's cities and counties in compiling the data for this report.

Questions or comments regarding this report should be directed to Robyn M. de Socio, Executive Secretary for the Compensation Board, at (804) 225-3439 or via e-mail at robyn.desocio@scb.virginia.gov.

INTRODUCTION

The FY 2009 Jail Cost Report is a compilation of revenue and expenditure data presented to show inmate cost per day and the percent of funding that the Commonwealth, Federal and Local governments, and other sources contribute to the operation of each jail. Debt service paid by the locality is also detailed as a separate item.

The 2010 Virginia Acts of Assembly, Item 67.90, Paragraph K., requires accounting for all inmate monies and the reporting thereof. Reported inmate monies include canteen, medical co-payments, telephone commissions, investment/interest and other inmate collections/work release revenues and expenditures.

During FY 2010, sixty-three (63) local and regional jails and jail farms were able to send their FY 2009 information through the mail or electronically. During this time, Compensation Board staff conducted four (4) on-site visits of local jails for the collection/verification of their respective data. As detailed on page 6, no new jails were added, however and one new jail was excluded from this year's report for having been operational for only a portion of FY 2009.

Once Compensation Board staff determined that all revenues and expenses had been reported according to the Jail Cost Report specifications, the respective Sheriff/ Regional Jail/Jail Farm Superintendent and Chairman/Chief Financial Officer signed a certification attesting to the accuracy of the data presented (Appendix G).

FY 2009 EXECUTIVE SUMMARY

Total Operating Costs

The FY 2009 average operating cost per inmate per day increased to \$70.46, up \$4.49 from FY 2008. Jail operating costs per inmate day ranged from a low of \$39.99 at the Piedmont Regional Jail to a high of \$164.82 at the Loudoun County Jail.

The average daily population (ADP) for all jails decreased by 2.6% in FY 2009 to 28,197. During FY 2009, 10.4 million inmate responsible days were incurred by Virginia jails.

Total expenditures (including capital costs) reported to house inmates in local and regional jails and jail farms in FY 2009 were \$818.2 million. The Compensation Board provided funding of \$315.1 million, with other state agencies providing an additional \$18.1 million, primarily for capital costs. Virginia's localities contributed \$397.1 million to their jails and jail farms (including debt service obligations) and an additional \$13.7 million to house inmates at other jurisdictions. The federal government provided funding of \$52.1 million in direct grants and per diems, excluding Commonwealth provided ARRA State Fiscal Stabilization Funds (SFSF). Other funding, such as inmate telephone commissions, medical co-payments, and investment income/earned interest, contributed \$25.8 million. Work release funds generated by the inmates provided \$8.0 million. Funding received for out of state inmates totaled only \$1,307. For FY 2009, the twenty regional jails showed a net excess of revenues over expenditures of \$11.7 million, or \$2.49 per inmate day.

The Commonwealth's share of total expenditures decreased during FY 2009 to 40.7%. The Commonwealth's share of total expenditures ranged from a low of 9.9% for the Loudoun County Jail to a high of 80.3% for the Northampton County (Eastern Shore Regional) Jail.

Average operating costs per inmate day for the northern region of Virginia were the highest at \$90.69. The other regions of the state incurred costs substantially lower. The Central region was the next highest at \$69.97, followed by the Eastern region at \$67.86 and the Western region at \$64.12.

The locality's share of total expenditures ranged from a low of 1.4% for the Piedmont Regional Jail to a high of 88.0% for the Loudoun County Jail. The average locality's share was 48.5%.

Total Revenues

Commonwealth construction funding in FY2009 for jail expansion totaled \$17.6 million. The bulk of the activity was accounted for by the Northampton Regional Jail which received \$9.4 million, followed by the Riverside Regional Jail receiving \$5.4 million, and followed by the Arlington County Jail receiving \$1.8 million. The Chesapeake City Jail and the Southwest Virginia Regional Jail accounted for the remaining \$0.6 million and \$0.3 million respectively.

FY 2009 Executive Summary, continued

Total Revenues, continued

Fifty-six (56) jails received Federal revenue of various types, excluding ARRA-SFSF, totaling \$52.1 million (\$47.4 million in federal per diems, \$1.6 million in federal grants, \$3.1 million in other federal funds). The Piedmont and Northern Neck Regional Jails each received funding in excess of 40% of their expenditures from federal sources. The average federal inmate revenue per diem received by all Virginia jails was \$64.04. The Commonwealth's overhead recovery program returned \$9.8 million to the general fund.

Virginia received a substantial allocation of Federal ARRA-SFSF program funds (\$109.5 million) and Virginia's administrative authorities approved the allocation of these funds at the 2009 fiscal year-end to supplant previous state general fund expenditures. Based upon the disbursement of these funds through the Compensation Board for Sheriffs' Offices and Regional Jails, the resulting allocation of a large portion of these funds was to Virginia's jails, including \$64.8 million to salaries in local jails operated by Sheriffs' Offices and in Regional Jails, and \$15.2 million to jail inmate per diem payments.

Sheriff Operated Local Jail Costs

During FY 2009 the 45 local jails incurred 5.6 million incarceration days, or 53.8% of the total for all Jails. Federal/Out of State inmate days accounted for 3.4% of the local jails' total. Operating costs per day for housing inmates in Sheriff-run local jails was \$79.07 (FY 2008, \$73.71) and total costs were \$87.08, or \$8.49 per day higher than the average of \$78.59 for all jails. On average, localities contributed 52.3% to their local jails' expenditures, compared to the statewide average locality contribution of 48.5% for all jails.

Regional Jail Costs

Regional jail's operating costs were \$60.09 or \$10.37 lower per day than the state's average of \$70.46. These jails tend to be the newest in the state and are designed with additional capacity for future population growth. When debt service and long-term capital costs are included, the regional jails' total costs were \$10.05 per inmate day lower than the state average (\$68.54 per inmate day compared to \$78.59).

Regional jails were responsible for 4.7 million incarceration days, or 45.2% of the state's total inmate responsible days. With an ADP of 1,484 federal inmates, regional jails held 74.3% of the federal and out of state inmate population.

Jail Farm Costs

The state continues to partially fund the operation of two jail farms. Jail farms accounted for the remaining 1% of inmate responsible days. The jail farm average operating cost per inmate day was \$75.31, or \$4.85 a day higher than the state average of \$70.46. The jail farms incurred minimal capital expenditures/debt service costs during the year (\$0.22 per inmate day). As a result, total expenditures per inmate day were \$75.53. The jail farms did not hold any federal inmates nor receive any federal funding.

FY 2009 Executive Summary, continued

Additional Housing Costs Incurred at Other Localities

For localities that did not operate a jail, the City of Harrisonburg paid the highest amount (\$1.6 million) for housing inmates at other locations, followed by the City of Salem at \$1.1 million. For localities that operated a jail and/or were a member in a regional jail, Loudoun County paid the highest amount for housing inmates in other facilities (due to capacity limitations) at \$2.5 million, followed by Franklin County at \$1.0 million. Regional jails also housed inmates in other jails, with the Prince William Manassas Regional Jail paying \$0.9 million to house inmates elsewhere.

Canteen Fund & Other Inmate related Accounts

Beginning with the collection of data for fiscal year 2002, a statement of revenues and expenses for inmate canteen accounts, telephone commission funds, inmate medical co-payment funds, and any other fees collected from inmates and investment/interest monies was required for inclusion in the Jail Cost Report.

During the examination of inmate canteen accounts, it was found that jails continued to employ three different accounting approaches. They are (1) Gross Basis - costs and revenues received for the items purchased were recorded; (2) Net Basis - a net commission was received for the sale of the item purchased; and (3) Canteen not at Jail Level – the items purchased were charged directly to the inmates at cost. We found that the individual jail's operating policy had a direct impact on the related size and amount of inmate canteen activity. For instance, whether or not a jail sells tobacco products through the canteen and how often inmates are allowed to make purchases greatly affects the funds reported.

Similarly, the other inmate related accounts to include Telephone Commissions, Inmate Medical Co-payments, and Work Release and Investment/Interest revenue were recorded using different accounting approaches. Most of the jails deposited the revenues into either the inmate canteen fund or with the locality/fiscal agent's general fund. When these designated funds were maintained as separate accounts, their expenditures were reported by location in the Inmate Canteen and Other Auxiliary Funds Report found in Appendix D.

CHAPTER 2
AUDIT PROCEDURES

2-1 General

This chapter contains required audit procedures for local government audits made pursuant to §15.2-2511 of the Code of Virginia. Chapter 3 contains additional procedures that localities agree to have performed, when they accept state grants, contracts or other state funding. The degree of testing on these state compliance issues may depend on the terms of the state law, agreement or other requirements of the program.

Auditors should be thoroughly familiar with this chapter before planning and performing the audit and should incorporate these considerations into the auditor's plan and programs. The procedures contained in this chapter do not constitute an audit in accordance with *Government Auditing Standards*. The auditor should perform such additional procedures, as he deems necessary to satisfy those standards.

Where appropriate, the auditor must meet the requirement of the Single Audit Act Amendments of 1996 and United States Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments and Non-Profit Organization*.

No manual defining audit specifications can meet all the present and future needs of local governments or their auditors. Changes will be needed as new accounting and auditing pronouncements and/or as problems emerge. The Auditor of Public Accounts will periodically update these specifications as changes occur. However, responsibility for complying with professional standards remains with the auditor and the auditor should follow all new pronouncements.

The auditor should familiarize himself with Virginia local governments including internal control and compliance issues. Available informational resources are provided in Chapter 1.

Requirement: The auditor must document in the working papers the justification for changing specifically required audit procedures.

2-7 Inmate Canteen and Other Auxiliary Funds

(Contact: Compensation Board; Robyn DeSocio, Executive Secretary;
Phone – 804.225.3439 [robyn.desocio@scb.virginia.gov]).

Background Information:

Most local correctional facilities, including jails, offer canteen services to their inmates. Facilities use various methods to sell these items to inmates, depending on the size of the facility and the number of times each week canteen services are offered. Any profits from the canteen operations must benefit the inmates in the custody of the Sheriff or Regional Jail Superintendent.

Some Sheriffs also receive funds from other sources directly related to jail operations. These include telephone commissions, inmate medical co-payments, work release and other fees collected from inmates.

The inmate canteen accounts and telephone commissions are public funds. The Code of Virginia requires that these funds be used within the jail facility for purposes to benefit the inmates. The funds should not be used for the sheriff's personal gain or convenience.

Some jails have established work release and medical treatment programs where inmates contribute to the costs. Inmate co-payments for medical services are a set fee that covers only a portion of the costs of the services. The medical co-payments should directly off set the costs for medical programs.

Annually the Compensation Board prepares a Jail Cost Report on jail revenue and expenditure data from all local and regional jails and jail farms that receive funds from the Compensation Board. Beginning with the collection of data for fiscal year 2002, the jails must include an audited statement of revenues and expenses for inmate canteen accounts, telephone commission funds, inmate medical co-payment funds, any other fees collected from inmates, and investment/interest monies for inclusion in the report.
