The Honorable Robert F. McDonnell
Governor
Commonwealth of Virginia
Patrick Henry Building, 3rd floor
Richmond, Virginia 23219

Re: May 2011 Lottery Results

Dear Governor McDonnell:

I am pleased to provide our report of monthly activities and financial update for the month of May 2011, as required in §58.1-4006 of the *Code of Virginia*.

Sales for the month of May totaled \$122.5 million, down \$2.4 million (-1.9%) compared to the same month last year. Year to date sales totaled \$1,366.2 million, an increase of \$49.1 million (+3.7%) from last year. Net income for the fiscal year through May totaled \$406.9 million, an increase of \$13.8 million (+3.5%) compared to last year, and \$6.7 million (+1.7%) ahead of forecast. The Lottery has awarded \$815.5 million in prizes to players this year, a record pace and a positive contributor to strong sales.

On June 17, 2011, I requested that the State Comptroller transfer the remaining amount due to the Lottery Proceeds Fund. The transfers to the Fund total \$435.2 million for fiscal year 2011, as anticipated in Chapter 890.

Please let me know if you have any questions or if you would like more information.

Very truly yours,

Paula I. Otto

VIRGINIA LOTTERY
Report to the Governor and
Selected Members of
the General Assembly
June 20, 2011

Sales

Lottery sales for the fiscal year are on record pace, totaling \$1,366.2 million through May. This represents an increase of \$49.1 million (+3.7%) compared to the prior year and an increase of \$36.6 million (+2.7%) compared to forecast.

Scratcher sales of \$695.2 million were \$44.5 million (+6.8%) higher than last year. Sales of daily games (Pick 3, Pick 4, and Cash 5) increased \$5.4 million (+1.3%) from last year. Sales in our jackpot games category (Mega Millions, Powerball, Win for Life, and Decades of Dollars) experienced a slight decrease of \$2.5 million (-1.1%) compared to last year. Sales of Fast Play games, a category that represents less than 1% of total sales, were \$1.6 million (+25.7%) higher than last year.

Expenses

The overall prize expense rate (prizes as a percent of sales) through May was 59.7%, up 0.2% from last year's rate of 59.5% and 0.3% higher than the expected rate of 59.2%. The scratcher prize rate of 68.4% was up compared to last year's rate of 68.0%. Jackpot prize expense was 51.3%, up from last year's rate of 49.9%. It is important to note that significant fluctuations in prize expense rates occur during the short term; however, overall long-term prize rates reflect outcomes more in line with statistical expectations.

With higher sales, retailers earned \$2.9 million more than last year, for a total \$76.8 million in earnings. Overall, retailers earned 5.6% of Lottery sales in commissions and incentives so far this fiscal year.

Administrative operating costs, including online gaming, ticket printing and distribution expenses, were \$275,000 more than the same period last year. Administrative spending stands at 5.0% of sales for the year so far. The increase is primarily because of increased sales and the associated increased vendor fees.

Net Income

Through May 2011, year to date profits totaled \$406.9 million, an increase of \$13.8 million (+3.5 %) compared to last year and \$6.7 million (+1.7 %) above forecast.

CONTRIBUTIONS TO DEBT SETOFF & LITERARY FUND

For the 2011 fiscal year to date, the Lottery made debt setoff collection payments to the Department of Taxation totaling \$1,412,096. Also, unclaimed prizes totaling \$10,046,213 were transferred to the Literary Fund for the first eleven months of fiscal year 2011.

MEETINGS

The next Board meeting will be held on July 13, 2011, in Richmond.
