**SUBJECT:** Status of the Report on the Estimated Costs of the State/Local Hospitalization Program

Section 32.1-345 of the *Code of Virginia* requires the Department of Medical Assistance Services (DMAS) to report on the estimated costs of the State/Local Hospitalization (SLH) program to the Senate Committees on Education and Health and Finance, and the House Committees on Health, Welfare and Institutions and Appropriations. The current Appropriations Act does not include funding for the SLH Program; therefore, there is no basis to compile the referenced report until funding may be restored.
