Dear Governor McDonnell and Members of the Virginia General Assembly:

Section 22.1-344 of the Code of Virginia requires the Virginia Department of Correctional Education to compile on a quarterly basis certain demographic data on its students and to report this data annually to the Governor and Members of the General Assembly. Attached is the report for the 2010 calendar year.

I hope you will find the report useful, responsive and informative. If I can answer any questions or provide any further information, please do not hesitate to call me.

With kind personal regards, I remain

Sincerely,

A handwritten signature in black ink that reads "Patrick Wilson".

This distribution reflects a quarterly breakdown of the number of students age 22 and under who have been previously identified as eligible for special education services. Percentages reflect the number of students identified in each handicapping condition. Since DOC does not report totals for this age group, percentages do not report the number of students identified eligible for special education services in comparison to the total number incarcerated for that age group.
