**REPORT OF THE COMMISSION ON LOCAL GOVERNMENT
DISCLOSURE OF PROFFERED CASH PAYMENTS AND EXPENDITURES
2011 – 2012**

INTRODUCTION

Section 15.2-2303.2 of the Code of Virginia directs the Commission on Local Government to collect annually data concerning local government revenues and expenditures resulting from the acceptance of voluntarily proffered cash payments.¹ These voluntarily proffered payments, also referred to as cash proffers, comprise either (1) any money voluntarily proffered in writing signed by the owner of property subject to rezoning, and accepted by a locality pursuant to the authority granted by §15.2-2298 or §15.2-2303 of the Code of Virginia; or (2) any payment of money made pursuant to a development agreement entered into under the authority granted by §15.2-2303.1 of the Code of Virginia.

Cash proffers are a form of conditional zoning in Virginia. Conditional zoning involves “proffered” conditions voluntarily offered by a developer or property owner that limit or qualify how the property subject to the conditions will be used or developed. These conditions are in addition to the general, uniform regulations otherwise applicable to land within the same zoning district, and they are made to lessen the potential negative effects of an unrestricted rezoning. Upon approval by the local governing body, the conditions become part of the rezoning and pass with the ownership of the property.² In some instances, the condition proffered by the developer or property owner may include cash contributions to the locality. Cash proffers generally are used to offset the impacts of a particular development by providing funding for new roads, schools, or other public facilities and services. Depending on the statutory authority under which the locality is eligible to accept the cash proffer, the development impacts being mitigated may or may not be directly related to the development at issue.³

Although the Code of Virginia has authorized every jurisdiction to use some form of conditional zoning since 1987, only localities meeting specific criteria may accept cash proffers. On the basis of these criteria and census data from 1990 through 2010, 298 Virginia localities (89 counties, 37 cities, and 172 towns) were eligible to accept cash proffers during FY 2012.⁴

¹ See Appendix A for the text of § 15.2-2303.2, Code of Virginia, which directs the Commission to collect data on local government proffered cash payments and expenditures for the preceding fiscal year and report by November 30 of each year to the Chairmen of the Senate Committee on Local Government and the House Committee on Counties, Cities and Towns.

SURVEY ON THE USE OF PROFFERED CASH PAYMENTS

On July 6, 2012, Commission staff mailed a survey instrument to the chief administrative officers of the 162 localities that were required to report their acceptance of cash proffers during FY 2011-12. Each locality was requested to return the completed survey by September 30, 2012.⁵ In early October, follow-up e-mails were sent to officials in those jurisdictions that had not responded to the initial request. A subsequent series of personal contacts was then made to ensure a complete response. As a result of these efforts, the final combined jurisdictional response rate was 100%.

The survey revealed that 38 (23.46%) of the 162 eligible localities (26 counties, 7 cities, and 5 towns) reported cash proffer activity during FY 2012. This represents a decrease of two localities (5.0%) in the number of local governments accepting cash proffers compared to FY 2011. During the current period, the aggregate amount of cash proffers collected and expended by those jurisdictions was \$60,761,656 and \$44,370,752, respectively.⁶ This represents a 68.5% increase in cash proffer collections from the previous fiscal year. Cash proffer expenditures increased by 58.3% over the same time period.

The survey also revealed that the largest share of cash proffer revenue expended in FY 2012 went for libraries (30.0% of total expenditures), roads and transportation improvements (23.6% of total expenditures), and schools (21.9% of total expenditures). A chart depicting the allocation of expenditures to various improvement categories is provided on the next page. The summary survey results for individual local governments are reported in Appendix D. Appendix E includes a chart of the revenues and expenditures for all localities for each fiscal year from FY 2000 through present.

⁵ Appendix C contains a copy of the survey instrument. In 2003, the General Assembly enacted HB 2600, which changed the scope of the Commission's survey on the acceptance of cash proffers. The legislature exempted localities with a resident population of less than 3,500 from the reporting requirement. Because of that provision, only 36 of the 172 eligible towns must report on their acceptance of cash proffers.

⁶ Depending on the total cost of the public facility or service to be supported by proffered cash payments, revenue may not be expended during the fiscal year in which it was received. Also, fiscal data reported by localities for FY 2012 is likely to be unofficial because local government audits are not published until the December following the end of the fiscal year.

APPENDIX A

Section 15.2-2303.2, Code of Virginia

§15.2-2303.2. Proffered cash payments and expenditures.

A. The governing body of any locality accepting cash payments voluntarily proffered on or after July 1, 2005, pursuant to § [15.2-2298](#), [15.2-2303](#), or [15.2-2303.1](#) shall, within seven years of receiving full payment of all cash proffered pursuant to an approved rezoning application, begin, or cause to begin (i) construction, (ii) site work, (iii) engineering, (iv) right-of-way acquisition, (v) surveying, or (vi) utility relocation on the improvements for which the cash payments were proffered. A locality that does not comply with the above requirement, or does not begin alternative improvements as provided for in subsection C, shall forward the amount of the proffered cash payments to the Commonwealth Transportation Board no later than December 31 following the fiscal year in which such forfeiture occurred for direct allocation to the secondary system construction program or the urban system construction program for the locality in which the proffered cash payments were collected. The funds to which any locality may be entitled under the provisions of Title 33.1 for construction, improvement, or maintenance of primary, secondary, or urban roads shall not be diminished by reason of any funds remitted pursuant to this subsection by such locality, regardless of whether such contributions are matched by state or federal funds.

B. The governing body of any locality eligible to accept any proffered cash payments pursuant to § [15.2-2298](#), [15.2-2303](#), or [15.2-2303.1](#) shall, for each fiscal year beginning with the fiscal year 2007, (i) include in its capital improvement program created pursuant to § [15.2-2239](#), or as an appendix thereto, the amount of all proffered cash payments received during the most recent fiscal year for which a report has been filed pursuant to subsection D, and (ii) include in its annual capital budget the amount of proffered cash payments projected to be used for expenditures or appropriated for capital improvements in the ensuing year.

C. Regardless of the date of rezoning approval, unless prohibited by the proffer agreement accepted by the governing body of a locality pursuant to § [15.2-2298](#), [15.2-2303](#), or [15.2-2303.1](#), a locality may utilize any cash payments proffered for any road improvement or any transportation improvement that is incorporated into the capital improvements program as its matching contribution under § [33.1-23.05](#). For purposes of this section, "road improvement" includes construction of new roads or improvement or expansion of existing roads as required by applicable construction standards of the Virginia Department of Transportation to meet increased demand attributable to new development. For purposes of this section, "transportation improvement" means any real or personal property acquired, constructed, improved, or used for constructing, improving, or operating any (i) public mass transit system or (ii) highway, or portion or interchange thereof, including parking facilities located within a district created pursuant to this title. Such improvements shall include, without limitation, public mass transit systems, public highways, and all buildings, structures, approaches, and facilities thereof and appurtenances thereto, rights-of-way, bridges, tunnels, stations, terminals, and all related equipment and fixtures.

Regardless of the date of rezoning approval, unless prohibited by the proffer agreement accepted by the governing body of a locality pursuant to § [15.2-2298](#), [15.2-2303](#), or [15.2-2303.1](#), a locality may utilize any cash payments proffered for capital improvements for alternative improvements of the same category within the locality in the vicinity of the improvements for which the cash payments were originally made. Prior to utilization of such cash payments for the alternative improvements, the governing body of the locality shall give at least 30 days' written notice of the proposed alternative improvements to the entity who paid such cash payment mailed to the last known address of such entity, or if proffer payment records no longer exist, then to the original zoning applicant, and conduct a public hearing on such proposal advertised as provided in subsection F of § [15.2-1427](#). The governing body of the locality prior to the use of such cash payments for alternative improvements shall, following such public hearing, find: (i) the improvements for which the cash payments were proffered cannot occur in a timely manner or the functional purpose for which the cash payment was made no longer

exists; (ii) the alternative improvements are within the vicinity of the proposed improvements for which the cash payments were proffered; and (iii) the alternative improvements are in the public interest. Notwithstanding the provisions of the Virginia Public Procurement Act, the governing body may negotiate and award a contract without competition to an entity that is constructing road improvements pursuant to a proffered zoning condition or special exception condition in order to expand the scope of the road improvements by utilizing cash proffers of others or other available locally generated funds. The local governing body shall adopt a resolution stating the basis for awarding the construction contract to extend the scope of the road improvements. All road improvements to be included in the state primary or secondary system of highways must conform to the adopted standards of the Virginia Department of Transportation.

D. The governing body of any locality with a population in excess of 3,500 persons accepting a cash payment voluntarily proffered pursuant to § [15.2-2298](#), [15.2-2303](#), or [15.2-2303.1](#) shall within three months of the close of each fiscal year, beginning in fiscal year 2002 and for each fiscal year thereafter, report to the Commission on Local Government the following information for the preceding fiscal year:

1. The aggregate dollar amount of proffered cash payments collected by the locality;
2. The estimated aggregate dollar amount of proffered cash payments that have been pledged to the locality and which pledges are not conditioned on any event other than time; and
3. The total dollar amount of proffered cash payments expended by the locality, and the aggregate dollar amount expended in each of the following categories:

E. The governing body of any locality with a population in excess of 3,500 persons eligible to accept any proffered cash payments pursuant to § [15.2-2298](#), [15.2-2303](#), or [15.2-2303.1](#) but that did not accept any proffered cash payments during the preceding fiscal year shall within three months of the close of each fiscal year, beginning in 2001 and for each fiscal year thereafter, so notify the Commission on Local Government.

F. The Commission on Local Government shall by November 30, 2001, and by November 30 of each fiscal year thereafter, prepare and make available to the public and the chairmen of the Senate Local Government Committee and the House Counties, Cities and Towns Committee an annual report containing the information made available to it pursuant to subsections D and E.

NOTES:

* = Localities not required to report cash proffer activity. 2003 revisions to § 15.2-2303.2 limited the requirement for the reporting on the acceptance of proffered cash payments to only those localities with a population in excess of 3,500 persons or more. Thus, only 35 of the 177 eligible towns are required to report proffered cash payments.

I. Eligibility for acceptance of cash proffers under § 15.2-2298 (High-growth localities):

- A. any locality which had a decennial Census growth rate of 5% or more;
- B. any city adjoining another city or county which had a decennial Census growth rate of 5% or more;
- C. any towns located within a county which had a decennial Census growth rate of 5% or more; and
- D. any county contiguous with at least three counties which had a decennial Census growth rate of 5% or more, and any town located in that county.

II. Eligibility for acceptance of cash proffers under § 15.2-2303:

- A. any county with urban county executive form of government (i.e., Fairfax County);
- B. Any town within Fairfax County;
- C. any city adjacent to or completely surrounded by Fairfax County;
- D. any county contiguous to Fairfax County;
- E. any city adjacent to or completely surrounded by a county contiguous to Fairfax County;
- F. any town within a county contiguous to Fairfax County; and
- G. any county east of the Chesapeake Bay

III. Eligibility for acceptance of cash proffers under § 15.2-2303.1:

Localities in italics have never been authorized to accept cash proffers.

DEFINITIONS

Cash Proffer: (i) any money voluntary proffered in a writing signed by the owner of property subject to rezoning, submitted as part of a rezoning application and accepted by a locality pursuant to the authority granted by Va. Code Ann. § 15.2-2303, or § 15.2-2298, or (ii) any payment of money made pursuant to a development agreement entered into under authority granted by Va. Code Ann. § 15.2-2303.1.

Cash Proffer Revenue Collected [§15.2-2303.2(D)(1), Code of Virginia]: Total dollar amount of revenue collected from cash proffers in the specified fiscal year regardless of the fiscal year in which the cash proffer was accepted. Unaudited figures are acceptable.

Cash Proffers Pledged and Whose Payment Was Conditioned Only on Time [§15.2-2303.2(D)(2), Code of Virginia]: Cash proffers conditioned only on time approved by the locality as part of a rezoning case. Unaudited figures for the specified fiscal year are acceptable.

Cash Proffer Revenue Expended [§15.2-2303.2(D)(3), Code of Virginia]: Total dollar amount of public projects expended with cash proffer revenue in the specified fiscal year. Unaudited figures are acceptable.
