Dear Chairman Jones and Chairman Newman:

Chapter 783 of the 2012 Acts of Assembly directs the Virginia Department of Transportation (VDOT) to report annually by December 1st on information relating to performance and payment bonds. The Act specifically directs VDOT to report the following information to the Chairmen of the House Committee on General Laws and the Senate Transportation Committee:

- The number of companies that were unable to procure a performance or payment bond pursuant to subsection H of Va. Code § 2.2-4337;
- The number of waivers granted by the Department pursuant to subsection H of Va. Code § 2.2-4337; and
- The number of companies that were enrolled in any Department of Treasury, Division of Risk Management self-bonding program for Department projects.

This year there were no companies that were unable to procure a performance or payment bond pursuant to subsection H of Va. Code § 2.2-4337. Therefore, VDOT did not grant any waivers, and there were no companies that bid on VDOT projects enrolled in the Department of Treasury self-bonding program.

Sincerely,

Gregory A. Whirley, Sr.
