

# CHESAPEAKE BAY RESTORATION FUND

## *Grant Recommendations for 2013 Funding*

Project Number and Organization	Project Summary	Contact and Address	Amount Recommended
<b>002</b> Coventry Elementary School	To provide all 5th grade students with a hands-on learning experience highlighting the importance of the Bay, the school seeks funding for a field trip to the Roger Smith Landing Park on the Poquoson River provided by the Chesapeake Experience.	Robin Clifford 200 Owen Davis Blvd. Yorktown, VA 23693 Phone #: 757-898-0403	\$ 2,000.00
<b>003</b> Virginia Department of Forestry	Continuing with their 2010 grant application, the Va. Dept. of Forestry proposes to enhance one trail at the Va. Forest Education Center in New Kent Co.; place 20 educational signs along the Squirrel Trail, entrance roads, and near research areas; and provide toolkits with instructions along the trail for easy access to hands-on learning materials.	Ellen Powell 900 Natural Resources Dr. Suite 800 Charlottesville, VA 22903 Phone #: 434-977-6555	\$ 1,880.00
<b>004</b> Mattaponi Heritage Foundation	As in their 02-12 grant applications, the Foundation requests additional funding for their shad hatchery, which includes two Sun Mar composting toilets, ongoing training of staff and new volunteers, supplies and fish to continue the roe and sperm for the 2013 season, and additional construction to the underside of the hatchery to protect plumbing from large debris.	Carl Custalow 1467 Mattaponi Reservation <span style="display: block; text-align: right;">Circle</span> West Point, VA 23181 Phone #: 804-769-4508	\$ 7,500.00
<b>005</b> Aylett Country Day School	As in their 10-12 grant applications, Aylett Country Day School proposes field trips to Tangier Island and the Bay Foundation Va. Canoe Program to give students a look at a waterman's way of life, the oyster and crab industry, and how state regulations affect the Bay. Through the use of teacher prepared materials and computer software, hands on instruction and materials for fish dissection, and water experimentation, students will have opportunities to better understand the environmental and ecological implications from industrial runoff and mankind's neglect and misuse.	Robin D. Taylor P.O. Box 70 Millers Tavern, VA 23115 Phone #: 804-443-3214	\$ 2,000.00
<b>006</b> City of Hampton Division of Parks and Recreation	With pet waste classified as a dangerous pollutant, Hampton Parks and Recreation proposes to expand environmental educational opportunities, increase public awareness of the growing problem, and aid in providing cleaner recreation areas. They seek funding for five Dogipot Pet Stations and 12 interactive book bags, with all projects taking place at Fort Monroe, Va.	Karen M. Harden 22 Lincoln St. Hampton, VA 23669 Phone #: 757-727-1124	\$ 2,254.00
<b>007</b> City of Hampton Department of Public Works	The City of Hampton seeks funding to purchase the necessary tools and equipment to create a living shoreline at Blue Bird Gap Farm and fund initial educational programming for the Farm and the Water St. location in Phoebus, an existing living shoreline project in process.	Megan Tierney 22 Lincoln St. Hampton, VA 23669 Phone #: 757-727-1401	\$ 8,500.00
<b>008</b> Friends of the North Fork of the Shenandoah River	Continuing with their 2011 and 2012 grant applications, FNFSR proposes for their "2013 North Fork Exploration" project to conduct two workshops for (20) K-12 teachers, providing them with hands-on experience of the watershed by learning about the environmental impacts affecting the watershed and what community members can do to protect it. They also propose a 5-day summer enrichment environmental education workshop for students in grades 6-12 focusing on the North Fork of the Shenandoah/Chesapeake Bay watershed.	Leslie D. Mitchell P.O. Box 746 Woodstock, VA 22664 Phone #: 540-459-8550	\$ 5,000.00
<b>009</b> Goose Creek Association (Watershed Educational Experiences Programs)	GCA proposes to launch a "Watershed Educational Experiences Program" for Goose Creek students K-12. They seek funding for personnel, transportation, supplies, and printing of classroom and field trip materials.	Meredith Whiting P.O. Box 1178 Middleburg, VA 20118 Phone #: 540-364-4170	\$ 2,575.00

<b>010</b> Goose Creek Association (Stream Monitoring/Water Quality)	GCA proposes to educate landowners on the importance of riparian buffers, forestation, and native shrubs to increase the ecological health of their streams; find trends in data from existing monitoring sites and expand their monitoring programs; develop tools to create maps and charts using their water quality data; train 5-10 stream monitors who will complete an annual Habitat Assessment; participate in programs/events using their interactive display; and conduct their annual March Educational Forum at the Middleburg Community Center.	Andrea Rosse P.O. Box 1178 Middleburg, VA 20118 Phone #: 540-687-3073	\$ 2,015.00
<b>011</b> W. H. Taylor Elementary School PTA	The Taylor PTA proposes the construction of an outdoor classroom for "Science and Environmental Awareness Education." They seek funding for an overhead shelter, two educational signs, and a compost bin.	Robert Reali 1122 W. Princess Anne Rd. Norfolk, VA 23507 Phone #: 757-618-4067	\$ 1,000.00
<b>012</b> City of Norfolk Bureau of Environmental Services	The City of Norfolk (BES) proposes the restoration of wetlands and the expansion of a "Living Shore" at the eastern terminus of LaVallette Ave. on the northern border of the Va. Zoo. They seek funding for contractual and supplies.	Kevin R. Du Bois 508 City Hall Building 810 Union St. Norfolk, VA 23510 Phone #: 757-621-2564	\$ 3,000.00
<b>014</b> Interstate Commission on the Potomac River Basin	As in their 1997, 00-01, 06-09, and 11-12 grant applications, ICPRB proposes to continue with the restoration of the American shad populations to the Rappahannock and Potomac Rivers with the assistance of approximately 15-18 Northern Va. schools. The project will involve the public in a very profound way with many volunteers, students, and teachers helping to collect the adult shad for propagation and students raising shad and herring fry in their classrooms.	James Cummins 51 Monroe St., Suite PE-08 Rockville, MD 20850 Phone #: 301-274-8106	\$ 8,500.00
<b>016</b> Va. Tech - Virginia Cooperative Extension Westmoreland and Richmond County 4-H	Similar to their 08-09 and 2012 grant applications, the Westmoreland and Richmond County 4-H proposes to continue with their environmental programming of the "4-H Water Wizard Daycamp" program, which is a Bay grass restoration service-learning project and in-school science SOL enrichment lessons. They seek funding to charter a boat for the three-day camp, a week long professional development opportunities for educators organized and taught by CBF, and two guided canoe trips on local creeks.	Wendy R. Herdman P.O. Box 8 18849 Kings Hwy. Montross, VA 22520 Phone #: 804-493-8924	\$ 2,040.00
<b>017</b> Friends of the Occoquan	Similar to their 02-12 grant applications, FOTO proposes to continue to preserve and maintain the Occoquan watershed by recruiting volunteers for a Fall 2012 and Spring 2013 cleanup and install eight international bilingual signs at two parks/marinas. FOTO further proposes to prepare Wetland models into Spanish and distribute to schools and other organizations and present two bilingual 30 second Public Service Announcements to local radio and TV stations for broadcasting in the Washington Metropolitan area.	German Vanegas P.O. Box 1452 Woodbridge, VA 22195 Phone #: 703-624-7124	\$ 4,500.00
<b>018</b> Volunteer Advocates for Chesapeake Youth	As in their 03-12 grant applications, VACY proposes to continue to conduct five weekend camping trips and three day outings to perform environmental enhancements along the Bay. Each weekend outing will include 6-10 youth and provide 120-200 hours of community service and the day trips will include 10 youth conducting eight hours of service.	Mary R. Riley 301 Albemarle Dr. Chesapeake, VA 23322 Phone #: 757-382-8184	\$ 6,000.00
<b>019</b> Tri-County/City Soil and Water Conservation District	As funded in their 2003 grant application, Tri-County/City SWCD seeks funding to purchase another NPS EnviroScape model. They also seek funds for a replacement top for their EnviroScape model they received with the 2003 grant funds. Lastly, they seek funds for 20 dog waste stations with biodegradable bags to be offered to each HOA in their neighborhood, which was funded in 2009.	Melanie Swick 1802 Augustine Ave. Fredericksburg, VA 22401 Phone #: 540-656-2401	\$ 1,500.00
<b>021</b> Piedmont Environmental Council (Stream-Friendly Landscape Outreach Program)	Through workshops, PEC proposes for their "Stream-Friendly Landscape Outreach Program" to help landowners in Clarke and Loudoun counties understand the connections between their yards and the sources of their drinking water and the steps they can take to help protect both water supply and water quality. They seek funds for personnel, fringe benefits, workshops, travel, native plants for demonstration garden, and postage for 4,000 postcards.	Gem Bingol P.O. Box 460 Warrenton, VA 20188 Phone #: 703-431-6941	\$ 9,178.00
<b>023</b> Center for Watershed Protection	The Center proposes to implement targeted forest restoration activities in Clarke Co. as part of a strategy to improve local and Bay water quality. All grants funds are for personnel, contractual, and travel.	David Hirschman 8390 Main St., 2nd Floor Ellicott City, MD 21043	\$ 5,000.00

		Phone #: 434-293-6355	
<b>024</b> Friends of the Rappahannock (Student Stream Team)	Continuing with their 2011 grant application on the "Student Stream Team" program, FOR, along with Colonial Forge and Stafford High Schools Learn and Serve students, proposes for students to be able to identify riparian buffers as a strategy to improve water quality and explain how they work to prevent sediment and nutrient contamination of the Rappahannock River and the Bay, design an action plan to restore a buffer, plant trees along 300 linear feet of riparian habitat to restore a stream, and conduct restoration site monitoring, \$6,275.00 of the requested funds are for staff and transportation.	Chip Rice 3219 Fall Hill Ave. Fredericksburg, VA 22401 Phone #: 540-373-3448	\$ 5,000.00
<b>025</b> Friends of the Rappahannock (Signage & Living Shoreline at Port Royal)	FOR seeks funding for four educational signs at the Port Royal public access on King St. to inform civilians and students on environmental issues and why they are important. They seek further funding for a living shoreline design, construction, implementation, materials, revetments, beach nourishments, wetland plants, coordinating volunteers, and plantings.	Chip Rice Richard Moncure, Jr. 3219 Fall Hill Ave. Fredericksburg, VA 22401 Phone #: 540-373-3448	\$10,000.00
<b>026</b> Town of Washington	To provide tangible and lasting improvements to the quality of Va.'s resource lands and waters, the Town of Washington seeks funding for the construction of an 800 ft. walking trail designed to minimize runoff, native plant gardens with shrubs along 200 ft. of stream bank to reduce erosion, six mulched garden beds to reduce sheet flow across open area, and 800 ft. of landscaping weed barrier for trail bed.	John Fox Sullivan, Mayor P.O. Box 7 Washington, VA 22747 Phone #: 540-675-3128	\$ 4,640.00
<b>027</b> James River Association	Continuing with their 2004 grant application, JRA seeks funding to offer hands-on environmental education opportunities for area teachers. The funding would include a summer teacher workshop and support for 10 secondary science teachers to be part of the annual Upper, Middle, and Lower James River Expeditions.	William H. Street 9 South 12th St., 4th Floor Richmond, VA 23219 Phone #: 804-788-8811 ext. 201	\$ 5,000.00
<b>028</b> Fairfax County Park Foundation	Continuing with their 2011 grant application, the Foundation proposes for their "Wetland Ecosystems" project to connect 300 local middle school students in the Fairfax Co. Public School District with Hidden Pond Nature Center. The students will partake in wetland education workshops at the Nature Center to increase their understanding of wetland ecosystems and about the causes and consequences of watershed pollution.	Gerald Zavala 12055 Government Center Pkwy. Suite 404 Fairfax, VA 22035 Phone #: 703-324-8532	\$ 3,000.00
<b>030</b> Clean Water Project, Inc.	As in their 2012 grant application, CWP's goal continues to be environmental stewardship, specifically to obtain ownership of created wetlands and stream mitigation sites in order to protect and conserve them, which is accomplished through their "Plant-a-Tree," "Bird Box," and "Green Team" projects. CWP seeks funding to continue to expand their projects at Ritchie Road Wetland Mitigation Bank in Fauquier Co. and the Hepler, Ausley, and Miller Stream Mitigation Sites in Prince William Co. They seek further funds to increase public awareness of conservation issues by maintaining their website.	Yvonne Ivers 6799-A Kennedy Rd. Warrenton, VA 20187 Phone #: 703-932-0124	\$ 5,000.00
<b>031</b> Clarke County Planning Department	To identify the contribution of contamination from springs to surface waters, Clarke Co. proposes to monitor 10 springs in karst areas monthly for discharge, TN, TP, ammonia, orthophosphate, nitrate-nitrite, E. coli, flow, and general water chemistry. They seek funding for the laboratory analysis of the water samples.	Alison Teetor 101 Chalmers Ct. Berryville, VA 22611 Phone #: 540-955-5134	\$12,000.00
<b>032</b> Urbanna Oyster Festival Foundation Marine Science Legacy Program	As in their 2011 and 2012 grant applications and with letters of support, the Foundation seeks funding for their "Marine Science Legacy Program," which involves Middlesex Co. students and teachers in active environmental learning by providing on the water field trips for nine days through the CBF. They also seek funds for their "Education Day," which provides programs for their students and teachers from nonprofit organizations. Lastly, the funding would also provide educational lecture/debate series for local high school students.	Bethany Smith Kim Olsen P.O. Box C Urbanna, VA 23175 Phone #: 804-758-0368	\$ 3,480.00
<b>033</b> Earth Sangha, Inc.	Earth Sangha seeks funding to expand healthy riparian meadowland in Rutherford and Waples Mill Parks. The restoration will include site assessments, invasive alien plant removal projects, installations of riparian meadow species and seed sowing, and site maintenance.	Chris Bright 10123 Commonwealth Blvd. Fairfax, VA 22032 Phone #: 703-764-4830	\$ 5,000.00

<b>034</b> Science Museum of Western Virginia	Continuing with their 10-12 grant applications, the Science Museum proposes to connect the "Living River Exhibit" with their saltwater tank to make a strong connection between the headwaters and the Bay. To continue with the connection, they seek funds for their new exhibit now called "Headwaters to the Bay," which involves the <u>final completion</u> of the diorama, stocking live creatures in the Bay Tank, and installing the graphic panels.	James R. Rollings 4412 Electric Rd. Roanoke, VA 24018 Phone #: 540-342-5710	\$ 3,500.00
<b>036</b> County of Henrico - Keep Henrico Beautiful	Co. of Henrico proposes to develop, produce, and install educational signage regarding proper pet waste and used charcoal disposal in their parks; involve students in public education efforts through the solicitation of art work and graphic design for the signs; install pet waste and used charcoal disposal stations at county parks in need of these receptacles; and provide citizens with pet waste bags and encourage proper pet waste disposal. They seek funding for pet waste stations, replacement bags for same, used charcoal bins, signs, materials, and pet waste bag dispensers.	Hallie Boisseau P.O. Box 90775 Henrico, VA 23273 Phone #: 804-501-7277	\$ 5,000.00
<b>037</b> Coastal Virginia Wildlife Observatory	As in their 03-12 grant applications, CVWO proposes to continue to help promote awareness of the importance of the Bay ecosystem for migratory birds by providing printed materials to supplement the oral presentations given to visitors at Kiptopeke State Park.	Brian Taber P.O. Box 1225 Virginia Beach, VA 23451 Phone #: 757-259-3123	\$ 2,900.00
<b>038</b> County of Prince George	Prince George Co. seeks funding for a storm drain stencil "No Dumping, Drains to Bay" designed for the portion of their county that drains to the Bay for commercial and residential areas.	Julie C. Walton P.O. Box 68 Prince George, VA 23875 Phone #: 804-722-8659	\$ 1,000.00
<b>039</b> Bull Run Mountains Conservancy, Inc.	Continuing with their 2011 and 2012 grant applications on teacher workshops, BRMC seeks funding to offer two "new" workshops, focusing on the ecology of the ephemeral wetland habitats and working with teachers to construct a vernal pool.	Michele Thieme P.O. Box 210 Broad Run, VA 20137 Phone #: 703-753-2631	\$ 3,410.00
<b>040</b> Virginia Association of Soil and Water Conservation Districts Educational Foundation	As in their 02-04 and 06-12 grant applications, the VASWCD Educational Foundation proposes to continue to provide educational opportunities to high school students through Envirothon, which is a natural resources competition. New for 2013, VASWCD will focus on the growth of the program through increased marketing efforts. They seek funding for Envirothon Marketing Outreach and Resource Trunk Materials/local SWCD Envirothon Kit updates.	Elizabeth Sokolik 7308 Hanover Green Dr. Suite 100 Mechanicsville, VA 23111 Phone #: 804-559-0324	\$10,000.00
<b>041</b> Virginia Save Our Streams Program Izaak Walton League of America, Inc.	As in their 97-09 and 2012 grant applications, VA SOS proposes to continue to train interested citizens to be volunteer water quality monitors using a well established biological method of monitoring. New for 2013, VA SOS proposes to also train 50-100 new volunteers in stream monitoring. Focusing on seven watersheds within the Bay, they seek funding to train volunteers, coordinate statewide volunteer activity, and develop mechanisms for publishing data.	Leah Miller 707 Conservation Lane Gaithersburg, MD 20878 Phone #: 301-548-0150 ext. 219	\$ 7,000.00
<b>042</b> Chesapeake Experience	For their "Experience the Chesapeake Bay 2013: New Perspectives on the Chesapeake Bay Ecosystem" course and with numerous letters of support, Chesapeake Experience requests funding, expanding their 08-12 grant applications, to provide a 10-day, two full weekend professional development opportunity to an additional 12 teachers in the Hampton Roads region, with an emphasis on the Bay as an ecosystem, classroom integration, development of useful hands-on activities, and leadership in designing and implementing meaningful field experiences that can be taken back to home schools and shared throughout the educational community. In addition, Chesapeake Experience will provide next-steps and continued collaboration opportunities for the 150+ trained teachers from the past five years with advanced one and two-day courses in 2013.	Jill Bieri 103 Industry Dr. Yorktown, VA 23693 Phone #: 757-890-0502	\$ 5,000.00
<b>043</b> Tidewater Oyster Gardeners Association	Similar to their 08-12 grant applications, TOGO proposes to continue to expand their educational and outreach activities. They seek funding for a portion of the expenses for the Master Oyster Gardener Course, 2014, the publishing of three newsletters, and participation in two oyster fairs. New for 2013, they also seek funds for an educational tri-fold poster on "Designs."	David Turney P.O. Box 2463 Gloucester, VA 23061 Phone #: 804-462-3131	\$ 4,050.00
<b>044</b> Boxerwood Education Association, Inc.	Similar to their 2002, 2004, and 07-12 grant applications, Boxerwood proposes for their "Watershed Investigators" project to involve 1,000 Rockbridge area students (grades 4-6) in more than 7,800 hours of field-based hands-on watershed education programming	Elise Sheffield 963 Ross Rd. Lexington, VA 24450	\$10,500.00

	and send 70 (7th grade) students and teachers to the Bay in a 3-day, 2-night environmental education immersion experience, expanding their capstone "Bay Ambassadors Program."	Phone #: 540-463-2697	
<b>045</b> Great Bridge Battlefield and Waterways History Foundation	With letters of support and a reduction in the requested amount from their 2012 grant application for \$30,000.00, the Great Bridge Battlefield and Waterways History Foundation seeks funds to create a living shoreline on the northern bank of the Albemarle and Chesapeake Canal, directly adjacent to their Heritage Trail and the Visitor Center in Chesapeake, Va. For this grant cycle, they are proposing to transform 50 ft. instead of 350 ft. as they proposed in their 2012 grant application.	Jean A. Carideo P.O. Box 15425 Chesapeake, VA 23328 Phone #: 757-410-7067	\$ 6,000.00
<b>046</b> City of Poquoson Economic Development Office	As in their 2011 and 2012 grant applications, the City of Poquoson proposes for their 2013 "Seafood Festival" to focus additional emphasis on environmental and marine life education in the Bay. They will invite the Va. Aquarium to display their "Ocean Dweller" traveling aquarium, the Va. Living Museum to display their traveling animal show, and Nauticus will showcase scientific and environmental knowledge about the Bay. New for 2013, they will also invite VIMS to display their "Man & the Chesapeake Bay" & "Flounder" exhibit and the Va. Oyster Farmers Display for two shows.	Dave Callis 500 City Hall Ave. Poquoson, VA 23662 Phone #: 757-868-3583	\$ 2,740.00
<b>047</b> Nansemond River Preservation Alliance	As in their 2012 grant application, NRPA seeks funding to expand their "Oyster Restoration" project, publish and distribute three "River Chat" newsletters, publish the "Annual State of the Nansemond River Report," and offer three "River Talks" community environmental educational workshops. New for 2013, they also seek funds to host the Annual River and Creek Fest.	Elizabeth Taraski P.O. Box 6090 Suffolk, VA 23433 Phone#: 757-745-7447	\$11,000.00
<b>049</b> Stuarts Draft Middle FFA (Stuarts Draft Middle School)	Stuarts Draft seeks funding for their "Discover the Bay" project, which would allow 30 students to visit the CBF Learning Center at Port Isabel for three days, and provide two trips to the James River Boat program.	Garland King 1088 Augusta Farms Rd. Stuarts Draft, VA 24477 Phone #: 540-946-7611	\$ 2,000.00
<b>051</b> Rivanna Conservation Society (Water Health for the Commonwealth)	Continuing further with their 07-12 grant applications, RCS proposes for their watershed-wide monitoring "Network" project to create a river-wide "Network" of students and teachers, share proven educational technologies and techniques, support teachers in meeting their MWEE goals, assure self-sufficiency by providing educational tools, and convey the important relationship between local water concerns at the headwaters and those of the imperiled Bay.	Roberta Savage P.O. Box 1501 Charlottesville, VA 22902 Phone #: 434-985-1802	\$14,000.00
<b>052</b> Rivanna Conservation Society (Extreme Stream Makeover)	With letters of support, RCS proposes for their "Rivanna River Extreme Stream Makeover" project to improve water quality by installing stream buffers along portions of Moores Creek to reduce rainwater runoff through rain gardens, fencing of farm animals out of a portion of the river to reduce nutrient pollution, and public outreach and education for landowners and farmers.	Roberta Savage P.O. Box 1501 Charlottesville, VA 22902 Phone #: 434-985-1802	\$ 7,000.00
<b>053</b> Elizabeth River Project	Continuing with their 00-05, 2008, and 2012 grant applications, Elizabeth River proposes for their "Barging to a Swimmable/Fishable Lafayette River by 2014" project to teach 6,000 students how to help reduce nutrients that contribute to the massive algal bloom (red tide).	Marjorie Jackson 475 Water St., Suite 103A Portsmouth, VA 23704 Phone #: 757-399-7487	\$ 5,000.00
<b>054</b> Nauticus, The National Maritime Center Foundation	Nauticus proposes for their "Norfolk Youth and Community Environmental Education and Marine Debris Removal Program" to promote environmental conservation and preservation; reduce marine debris and improve water quality; provide stimulating, unique hands-on learning opportunities; and educate and involve their community.	Kate Elizabeth Glass One Waterside Dr. Norfolk, VA 23510 Phone #: 757-664-1038	\$ 9,000.00
<b>055</b> Booker T. Washington Middle School	Booker T. Washington Middle School seeks funding to provide 6th graders with an additional field excursion to Grandview Nature Preserve to explore local wetlands; afford 7th graders to travel to York River State Park, with the staff of Chesapeake Experience, to hike to Fossil Beach, seine along the river, and conclude with a kayak paddle on Taskinas Creek to collect water samples, test the differences in salinity levels, and note the different grasses that grow along the creek; offer another summer professional staff development session to further explore area wetlands; and furnish greenhouse materials/plugs to grow in their greenhouse.	Deborah L. Fields 3700 Chestnut Ave. Newport News, VA 23607 Phone #: 757-928-6860 ext. 1104	\$ 3,760.00
<b>056</b>	Manchester Middle School seeks funding for three class sets of the book "Life in the Chesapeake Bay," six grow tables for bay grasses, and field trips with transportation	Pamela Adkins Erin Wagner	\$ 4,000.00

Manchester Middle School	costs to the Pocahontas State Park to work on the river, the CBF Merrill Environmental Center in Maryland, with CBF guides to plant bay grasses, and on a boat/canoe with the CBF.	7401 Hull Street Rd. North Chesterfield, VA 23235 Phone #: 804-674-1385	
<b>058</b> The Mariners' Museum	The Museum, who has not applied since 2003, proposes for their "Oyster Wars," a new exhibition, to explore factors leading to the golden era of the oyster business on the Bay. Visitors will learn about the disputes that resulted from this economic boom and gain an understanding of a different war being waged on the oyster today. They seek funding towards the exhibit design.	Anna Holloway 100 Museum Dr. Newport News, VA 23606 Phone #: 757-591-7740	\$ 6,000.00
<b>059</b> The Poquoson Historical and Cultural Museum Foundation	The Poquoson Museum's property consists of 15 acres of open flat land that sits between a housing area and Topping Creek, a tributary of Back River. The Museum seeks funding to provide trees and benches along their one mile marsh walk.	Paul A. Whitlow 968 Poquoson Ave. Poquoson, VA 23662 Phone #: 757-868-6899	\$11,000.00
<b>060</b> Oyster Reef Keepers of Virginia, Inc.	As in their 03-06 and 09-12 grant applications and with letters of support, ORKV seeks funding for 450,000 oysters and materials to 175 classes for their "Schools Restoring Oysters to the Chesapeake" program. New for 2013, they also seek funding to start their "Schools Saving Shell" program in the schools that currently raise oysters for restoration to give students a greater appreciation for the complete process of reef restoration, which involves sanctuary reef construction in conjunction with broodstock enhancement.	Laurie Carroll Sorabella P.O. Box 55201 Virginia Beach, VA 23471 Phone #: 757-460-1200	\$11,000.00
<b>061</b> American Farmland Trust	Continuing with their 2011 grant application, AFT seeks support to work with farmers in Va.'s Shenandoah Valley on their new "Hooking the Slippery Fish" project promoting nitrogen use efficiency. The project will demonstrate to farmers that limiting nitrogen runoff through greater precision can improve their profits while enhancing the Bay's health. \$10,391.00 of the requested funds are for salaries, fringe benefits, and travel.	Jim Baird 1200 18th St. NW, Suite 800 Washington, DC 20036 Phone #: 202-378-1235	\$ 7,000.00
<b>062</b> Loudoun Soil and Water Conservation District	Continuing further with their grant applications of 98-99, 02-04, and 10-12, Loudoun SWCD seeks funding for their two "Riparian Buffer Planting Workshops." The workshops will involve students, government agency staff, and local citizen groups in establishing five more acres of forested riparian buffers. Participants will have the opportunity to learn about the values of riparian buffers while being involved in planting native trees, shrubs, grasses, and legumes.	Patricia McIlvaine 30-H Catoclin Circle, SE Suite H Leesburg, VA 20175 Phone #: 571-918-4530 ext. 104	\$ 2,600.00
<b>064</b> Hoffler Creek Wildlife Foundation	HCWF's objectives for their "Living on, in, and for Hoffler Creek" project are to foster environmental stewardship of the Creek and Bay by taking people out on the water, educate the public about the natural resources abundant in Hoffler Creek and the Bay through direct experience, and involve students in the restoration of native oysters. They seek funding to pay personnel to coordinate, promote, and implement the programs and to purchase the necessary equipment and supplies.	Randi Strutton 4510 Twin Pines Rd. Portsmouth, VA 23703 Phone #: 757-483-6838	\$ 2,200.00
<b>070</b> North Branch School	North Branch seeks funding towards the ferry fee and the CBF fees for three teachers to go on a field trip to CBF's Smith Island. The students, who will provide their own fees, will be doing an extensive watershed study before taking the three day trip.	Katrien Vance 221 Mickens Rd. Afton, VA 22920 Phone #: 540-456-8450	\$ 700.00
<b>071</b> Chesapeake Bay Governor's School for Marine & Environmental Science	CBGS proposes to greatly expand and enhance an existing project that forms the core of the school's curriculum. Their three-year "metaproject" takes students from the beginning of a waterway that serves as a source of the Chesapeake Bay to the Bay itself and finally, as seniors, to the ocean into which the Bay flows. The grant funds will educate the students in exploring, understanding, and researching the interactions between the Bay, the physical environment, people, flora, and fauna inhabiting those lands and waters by equipping their classrooms and field studies with the technical equipment necessary for accurate and detailed studies of the Bay processes.	Douglas Childers P.O. Box 1410 Tappahannock, VA 22560 Phone #: 804-443-0267	\$11,000.00
<b>072</b> Henricopolis Soil and Water Conservation District	Henricopolis SWCD, along with the Va. Cooperative Extension, proposes for their "Living Neighborhood" project on water quality to provide workshops to a neighborhood community with trained participants taking turns teaching the curriculum. Following the workshops, participants choose specific actions to take on their own related to water quality topics and implement the program.	Barbara McGarry P.O. Box 90775 Henrico, VA 23273 Phone #: 804-501-5176	\$ 3,000.00

<b>073</b> Eastern Shore Community College Foundation	Continuing with their 2012 grant application, Eastern Shore Community College Foundation seeks funding to conduct Bay Environmental Education programs, which includes a kayak trip for 50 students, faculty, and advisory staff and a field trip for 55 students in BIO 101 General Biology to the Va. Aquarium.	Eve Belote 29300 Lankford Hwy. Melfa, VA 23410 Phone #: 757-789-1767	\$ 4,200.00
<b>074</b> Arlingtonians for a Clean Environment	With numerous letters of support, ACE seeks funding for a Program Coordinator, teacher training workshops, a mentor program, and an end of year Green Schools Expo and Youth Summit. The Program Coordinator will ensure "NoVA Outside," which is an alliance of environmental educators who connect and teach people of all ages about their natural environment, can continue to supplement and enhance environmental education in their region and increase public and community involvement in Bay awareness and restoration.	Elenor Hodges 3308 S. Stafford St. Arlington, VA 22206 Phone #: 703-228-6427	\$ 8,500.00
<b>075</b> James City County Department of Parks and Recreation	As in their 02-07 and 09-12 grant applications, James City County Parks and Recreation proposes to continue to offer educational programs to more children. They seek funds for a two day "Chesapeake Bay Explorers" camp to every child (300 maximum) that participates in the Rec Connect Camp at no additional cost. The camp will focus on the importance of preserving the natural resources of the Bay and its watershed. For 2013, they are also reaching out to the County's Stormwater Division to expand the learning experience.	Vicki A. Sprigg 5300 Palmer Lane, Suite 1A Williamsburg, VA 23188 Phone #: 757-259-5403	\$ 7,500.00
<b>076</b> Hull Springs Farm Foundation Longwood University	HSFF proposes to collect extensive "Before" data that will be invaluable once the wetlands are restored in what is now cropland. "Before" data will also be collected before the dam/farm pond is removed and the streambed restored. Once the physical changes take place, then the "After" data will be taken to measure the responses of populations to the land use changes. \$6,800.00 of the requested funds are for salaries and transportation.	Bobbie Burton 645 Hull Springs Farm Rd. Montross, VA 22520 Phone #: 804-472-2621	\$ 5,000.00
<b>077</b> Lynchburg College	The College proposes to develop an interpretive trail with highlights of College Lake, riparian buffers, and wetland and prepare educational materials and trail guided experiences on a donated parcel of land along Blackwater Creek.	Thomas D. Shahady, Ph.D. 1501 Lakeside Dr. Lynchburg, VA 24501 Phone #: 434-544-8545	\$ 5,000.00
<b>078</b> Stafford County Public Schools	As in their 2012 grant application, SCPS proposes for their new high school to enhance environmental education through the use of technology and an interactive kiosk system; increase involvement of students, teachers, and the community to environmental stewardship; and increase awareness and support for the Bay by focusing on how impacts within their community affect the health of the Bay and its tributaries. They seek grant funds to continue to develop their first interactive educational module.	Scott Horan 31 Stafford Ave. Stafford, VA 22554 Phone #: 540-658-6540	\$ 7,000.00
<b>079</b> Clean Virginia Waterways Longwood University	As in their 03 and 10-12 grant applications and with 2013 being the 19th year for this project, CVW seeks funds for the "2013 International Coastal Cleanup in Virginia," which is a project to increase public awareness and knowledge of Va.'s watersheds by involving 6,100 volunteers in removing solid waste debris and litter from beaches and the tributaries to the Bay.	Kathleen M. Register Dept. of Natural Sciences Stevens 113 201 High St. Farmville, VA 23909 Phone #: 434-395-2602	\$ 6,000.00
<b>080</b> Lands and Waters, Inc.	Lands and Waters proposes for their "Lanier Middle School Wetland Micro-pool Construction and Community Educational Program" to increase the capacity of the planned stormwater facility to further reduce stormwater runoff and pollution in the Accotink watershed and to expand their educational outreach. They seek funding to remove a portion of the school's parking lot and enlarge the footprint to increase the capacity for reducing and filtering stormwater runoff. They seek further funding to provide educational outreach to the community and educators by partnering with NoVA Outside and Fairfax Co. Public Schools GET2GREEN.	Jeanette Stewart 2909 Charing Cross Rd. #9 Falls Church, VA 22042 Phone #: 571-294-3646	\$ 3,500.00
<b>081</b> Lynnhaven River NOW	Continuing with their 2008 and 2011 grant applications, Lynnhaven River NOW proposes for their "Pearl Faith Community" program to develop and publish guidelines for faith communities similar to their "Pearl School" and Pearl Home" guidelines, conduct 10 presentations, provide five workshops, and assist with the development of programs within the faith community. When a faith community has accumulated enough points from their projects, they will be recognized with a "Pearl Faith Community" banner to	Karen W. Forget 1608 Pleasure House Rd. Suite 108 Virginia Beach, VA 23455 Phone #: 757-962-5398	\$ 7,000.00

	hang in their building.		
<b>086</b> Alliance for the Chesapeake Bay	Alliance seeks funding to train volunteers to conduct streamwalks and E. coli monitoring in the Reedy Creek watershed.	Anna Mathis 530 E. Main St., Suite 200 Richmond, VA 23219 Phone #: 775-0951	\$ 6,000.00
<b>087</b> Valley Conservation Council	In order to educate their 11-county region, VCC proposes for their "Lewis Creek Week" and "Local Water Models" project to increase local citizen commitment to protecting natural systems, connect citizens to their natural system, build awareness of good land stewardship practices, and provide education models. They seek funding for staff, interactive mapping and models project, materials and printing, and event rentals.	Sara S. Hollberg, AICP 17 Barristers Row Staunton, VA 24401 Phone #: 540-886-3541	\$ 3,000.00
<b>088</b> Orange County Public Schools	Orange County Public Schools proposes to continue their "Chesapeake Bay Field Experiences Summer Scholars" program for their middle school students supporting advanced learning and science, with environmental education as the main topic. Continuing with their 10-12 grant applications, they seek funding for the five day Eco Scholars program offered at the CBF Education Center, requesting 40 students and six teacher educators with this grant cycle. Also, as in their 2012 grant application, they seek further funding to expand the Eco Scholars program to include 10-12 high school students and one lead teacher.	Carol Hunter 200 Dailey Dr. Orange, VA 22960 Phone #: 540-661-4580	\$ 5,200.00

**TOTAL AMOUNT RECOMMENDED: \$366,822.00**
