## MEDICAL PARDONS

### HARRIS JR., Clarence

Judgment was rendered against **Mr. Clarence Harris, Jr.** on July 14, 2009, by the Richmond City Circuit Court for possession of heroin, at which time suspension of the previously-ordered sentence was revoked. At this time he is serving a six-year sentence, two years of which are active.

**Mr. Clarence Harris, Jr.** submitted request for Executive Clemency, based upon the fact that he had been diagnosed with non-small cell lung cancer with metastasis to the brain and is terminally ill and has a life expectancy of ninety (90) days or less. His request was then submitted to the Medical Clemency Assessment Committee, which is directed to review all requests for clemency, which are based upon allegations of fatal illnesses. The medical experts and the Committee have determined that the medical condition of **Clarence Harris, Jr.** has deteriorated to the point where advising physicians believe he will likely not survive beyond the requisite three (3) month period.

NOW THEREFORE, in light of the foregoing, in accordance with the provisions of the powers granted to me under Article V, Section 12 of the Constitution of Virginia, I, Robert F. McDonnell, do here by grant **Clarence Harris, Jr.**, Conditional Clemency in the form of a Medical Furlough under the supervision of the Virginia Parole Board. Provided, however, that this release on Medical Furlough shall be subject to **Clarence Harris, Jr.** accepting the following conditions:

- (1) He is to abide by all conditions of release as established by the Virginia Parole Board;
- (2) He is to remain confined to his mother's home, 1227 N. 35<sup>th</sup> Street, Richmond, VA 23233, as determined by the orders of the Virginia Parole Board;
- (3) His medical treatment will no longer be the responsibility of the Virginia Department of Corrections; however, the Virginia Parole Board will be provided with monthly medical updates on his medical condition;
- (4) He is not to leave his residence without the permission of the supervising Probation and Parole District Office;
- (5) He is to submit to electronic monitoring by means of global position system (GPS) tracking device that is capable of tracking his movements;
- (6) He is to abide by any additional condition established by the Virginia Parole Board and the Virginia Department of Corrections;
- (7) If any of the foregoing conditions of this Medical Furlough are violated or **Clarence Harris, Jr.** recovers health to where his life expectancy exceeds ninety (90) days or engages in any criminal activity of any nature whatsoever during this period of Medical Furlough, he shall forfeit all privileges provided under the grant of clemency and, in my discretion, shall be subject to immediate arrest and incarceration to complete the term of his original sentence.

Given under my hand and the Lesser Seal of the Commonwealth at Richmond, this 22<sup>nd</sup> day of March in the year two thousand and eleven and the 235<sup>th</sup> year of the Commonwealth of Virginia.

Pardon granted: March 22, 2011

## HANKINS JR., Gregory

Judgment was rendered against **Mr. Gregory Hankins, Jr.** on December 3, 1999, by the Circuit Court for the City of Salem for conspiracy to commit robbery and attempted robbery. He was sentenced to serve a term of four years with three years and six months suspended for each conviction; however, due to violations of his plan of supervision he is serving a reinstated sentence of seven years.

**Mr. Gregory Hankins, Jr.** submitted a request for Executive Clemency, based upon the fact that he has been diagnosed with cancer of the bile duct system (metastatic cholangiocarcinoma), is terminally ill, and has a life expectancy of ninety (90) days or less. His request was then submitted to the Medical Clemency Assessment Committee, which is directed to review all requests for clemency based upon allegations of fatal illnesses. The medical experts and the Committee have determined that the medical condition of **Gregory Hankins, Jr.** has deteriorated to the point where advising physicians believe he will likely not survive beyond the requisite three (3) month period.

NOW THEREFORE, in light of the foregoing, in accordance with the provisions of the powers granted to me under Article V, Section 12 of the Constitution of Virginia, I, Robert F. McDonnell, do hereby grant **Gregory Hankins, Jr.**, Conditional Clemency in the form of a Medical Furlough under the supervision of the Virginia Parole Board. Provided, however, that this release on Medical Furlough shall be subject to **Gregory Hankins, Jr.** accepting the following conditions:

- (1) He is to abide by all conditions of release as established by the Virginia Parole Board;
- (2) He is to remain confined to his mother's home, 93 East Lawn Drive, Teaneck, New Jersey, as determined by the orders of the Virginia Parole Board;
- (3) His medical treatment will no longer be the responsibility of the Virginia Department of Corrections; however, the Virginia Parole Board will be provided with monthly medical updates on his medical condition;
