RE:

Report on Non-Supplanting Information Provided by Recipients of State Law Enforcement

Assistance ("599" Funds)

Paragraph C.2, Item 395 of the Appropriations Act, requires recipients of "599" funds to certify to us that the funds will not be used to supplant any local funds provided for public safety services, and to report to us the amounts of local funds provided for these services. The paragraph also directs the Department to report this information to you. As in previous years, we incorporated this requirement into our annual process of verifying localities' eligibility to receive these funds by including a non-supplanting certification which localities were required to complete and return to us.

Attached is a spreadsheet showing the fiscal 2013 allocations of "599" funds for the eligible localities and the amounts of local revenues they reported budgeting for public safety for that year. As you will see, the total amount of local funding is substantial. The Towns of Appomattox and Montross relied exclusively on their "599" funds to support their law enforcement services which are provided by the Sheriffs of their respective counties via agreements, as permitted under §9.1-165.

In keeping with §15.2-1302, the Towns of Clifton Forge and South Boston remain in the "Cities" portion of our spreadsheet, despite their reversion to town status.

Please contact me with any questions.

CC: The Hon. Marla Graff Decker, Secretary of Public Safety
