Report of Off-Balance Sheet Financial Obligations
As of June 30, 2013

Purpose: During the 2007 General Assembly Session, legislation was passed (*Code of Virginia*, [§2.2-813.2](#)) requiring the State Comptroller to report off-balance sheet financial obligations of the Commonwealth. For purposes of this report, the balance sheet is defined as the Comprehensive Annual Financial Report (CAFR). The CAFR is prepared in accordance with Generally Accepted Accounting Principles (GAAP) and includes both financial statements and notes to the financial statements, both of which contain information concerning the Commonwealth's financial obligations. The CAFR is available on the Department of Account's webpage at http://www.doa.virginia.gov/Financial_Reporting/CAFR/CAFR_Main.cfm. The CAFR amounts reflected below include state agencies, institutions and component units. The component unit amounts exclude Higher Education foundations.

On-Balance Sheet Financial Obligations Defined: In order for the report of off-balance sheet financial obligations to provide meaningful information, it is important for readers to understand the extensive amount of information concerning the Commonwealth's financial obligations already reported on-balance sheet. Some of the more clearly understood of these on-balance sheet financial obligations include the following:

- Bonded debt (\$25.8 billion)
- Notes payable (\$2.2 billion)
- Accounts payable (\$1.8 billion)
- Tax refunds payable (\$376.0 million)

Other on-balance sheet financial obligations that may be less understood include the following:

- Highway project commitments (\$5.0 billion)
- Unfunded pension costs
 - Net Pension Obligation – reported on-balance sheet (\$2.8 billion)
 - Unfunded Actuarial Accrued Liability – disclosed in footnotes (\$28.1 billion)
- Tuition benefits payable (\$2.2 billion)
- Operating leases (\$2.1 billion)
- Information Technology Infrastructure Partnership (\$1.6 billion)
- Unfunded Other Post Employment Benefits
 - Net Other Post Employment Benefits – reported on-balance sheet (\$1.1 billion)
 - Unfunded Actuarial Accrued Liability – disclosed in footnotes (\$5.4 billion)
- Medicaid payable (\$685.7 million)
- Compensated absences (\$592.5 million)
- Higher education construction commitments (\$568.6 million)
- Car tax refund payable (\$263.0 million)
- Installment purchases (\$192.7 million)
- Lottery prizes (\$172.5 million)
- Mass Transit project commitments (\$166.4 million)
- Capital lease obligations (\$163.9 million)
- Virginia College Savings Plan private equity commitments (\$129.7 million)
- Virginia Port Authority construction contracts (\$75.0 million)
- Wastewater Treatment Projects (\$66.3 million)
- Department of Behavioral Health and Developmental Services construction commitments (\$36.8 million)
- Virginia Employment Commission contractual commitments (\$35.6 million)
- Department of Motor Vehicles contractual commitments (\$33.6 million)
- Department of Forensic Services construction commitments (\$29.6 million)
- Virginia Department of Health contractual commitments (\$27.6 million)

Commonwealth of Virginia
Department of Accounts
Report of Off-Balance Sheet Financial Obligations
As of June 30, 2013

- Virginia State Police construction commitments (\$21.2 million)
- Jamestown-Yorktown Foundation construction commitments (\$17.9 million)
- Department of Game and Inland Fisheries construction commitments (\$8.7 million)
- Department of Corrections contractual commitments (\$5.9 million)
- Pollution Remediation Obligations (\$3.5 million)

Comprehensive information concerning these on-balance sheet financial obligations is reported in the CAFR.

Off-Balance Sheet Financial Obligations Defined: Certain financial obligations are off-balance sheet (i.e., not included in the CAFR) because they do not meet GAAP liability reporting requirements. To obtain information about these obligations, DOA asked each agency and institution to analyze their financial obligations and provide a listing of such obligations that were excluded from the FY 2013 CAFR. While acknowledging that the list was not all-inclusive, to stimulate agency analyses and elicit the most comprehensive list of off-balance sheet financial obligations possible, agencies and institutions were requested to consider the following list of potential off-balance sheet obligations:

- Construction or other commitment contracts – with or without formal agreements;
- Public-Private Partnership Agreements;
- Federal match requirements;
- Questioned Federal Costs;
- Potential legal case settlements; and
- Court-ordered requirements

Off-Balance Sheet Financial Obligation Exclusions: In order to make this reporting process as efficient as possible, DOA established the following reporting parameters designed to prevent the redundant reporting of information already reported by other central service agencies and to focus the off-balance sheet financial obligations report on unusual or infrequent financial transactions instead of ongoing government operations. First, DOA requested that agencies and institutions exclude financial obligations falling within the *ongoing operations* category. This category includes the Commonwealth's financial obligations stemming from the historical provision of state funding to support services conducted for citizens by state or local government. That is, the financial obligations stemming from the fact that the Commonwealth has historically borne all, or a portion, of the operating cost of government programs such as public education, state prisoner incarceration, and Medicaid, to name but a few, are excluded from the list of off-balance sheet financial obligations reported. These ongoing government programs are included in the Commonwealth's "Six Year Financial Plan," available from the Department of Planning and Budget. Second, DOA requested that agencies and institutions exclude the obligations associated with *deferred maintenance costs*. Agencies may report information on deferred maintenance to the Department of General Services (DGS) using the Facility Inventory Condition and Assessment System (FICAS). Additional information regarding deferred maintenance can be found at <http://www.dgs.virginia.gov/DivisionofEngineeringandBuildings/DirectorsOffice/FICAS/tabid/544/Default.aspx>. As of June 30, 2013, FICAS reports deferred maintenance of \$4.8 billion. However, the Auditor of Public Accounts reported that not all agencies use FICAS as required prior to fiscal year 2011. Additionally, funding for FICAS administration was eliminated beginning with fiscal year 2011, and the use of the system became optional. Therefore, a total amount of deferred maintenance is unavailable. For more information, refer to the *Follow Up on Deferred Maintenance in the Commonwealth* report at <http://www.apa.virginia.gov/reports/FDM09.pdf>.

Report of Off-Balance Sheet Financial Obligations
As of June 30, 2013

In January 2012, the Department of Behavioral Health and Developmental Services (DBHDS) reached a settlement with the U.S Department of Justice involving the latter's investigation of the Commonwealth's training centers for the intellectually disabled. This settlement involves the closing of four training centers over an eight year period. It remains a possibility that DBHDS will be named in litigation resulting from the investigation. At this time, an estimate of potential liability cannot be provided. DBHDS will also incur costs in the closing process of these facilities and in the transition to community based programs. It is expected that savings will offset some of these costs, but costs and savings amounts cannot be estimated at this time.

Commonwealth Off-Balance Sheet Obligations: The off-balance sheet financial obligations reported by Commonwealth agencies and institutions as of June 30, 2013 total \$504,612,281. **Table A** summarizes the off-balance sheet financial obligations reported by all agencies and institutions. Individual agency and institution totals are provided in the **Table B**. Due to the reporting technicalities associated with the CAFR, **Table A** and **Table B** include clarifying notes for selected items.

Acknowledgments: DOA acknowledges the hard-work and dedication of the agency fiscal staffs that provided information essential in the preparation of this report of off-balance sheet obligations. Since no financial reporting standards exist for off-balance sheet financial obligations, DOA anticipates that the off-balance sheet reporting process will be refined as future reports are prepared after benefiting from constructive comments by users of the report.
