Blount, Travion

Judgment was rendered against **Travion T. Blount** on March 8, 2008 for ten counts of robbery in violation of §18.2-58 of the Code of Virginia, two counts of attempted robbery in violation of §§18.2-58 and 18.2-26 of the Code of Virginia, one count of conspiracy to commit robbery in violation of §§ 18.2-58 and 18.2-22 of the Code of Virginia, twelve counts of abduction with intent to gain pecuniary benefit in violation of § 18.2-48(i) of the Code of Virginia, one count of use of a firearm in the commission of a Felony first offense in violation of §18.2-53.1 of the Code of Virginia, twenty-three counts of Use of a Firearm in the Commission of a Felony second or subsequent offense in violation of §18.2-53.1 of the Code of Virginia, by the Circuit Court of Norfolk.

Travion T. Blount as a 17 year old was sentenced to 6 consecutive life terms plus 118 years. Blount committed the crimes leading to this sentence when he was 15 years. His two co-conspirators were 18 years old, and received 10 and 13 year sentences respectively. During the commission of this crime, Blount physically harmed no one. Blount's crimes relate to robbing a home of an alleged drug dealer during a party on September 23, 2006, with the two older co-conspirators. Firearms were apparently involved in this crime, but no shots were fired. Shortly after the commission of this crime, Blount and his co-conspirators were detained and arrested. Blount was also charged for 11 unrelated crimes committed prior to the instant offenses, three of which were dropped. Blount plead guilty to the remaining eight charges, with the unusual result of all time suspended and probation ordered apparently as a result of the March 8, 2008 multiple-life sentences. As of this date, Blount remains in the custody of the Department of Corrections.

On December 30, 2013, **Travion T. Blount** submitted a petition for conditional pardon to this Office. Blount asserts that his sentence of 6 consecutive life terms plus 118 years compared to the 10 and 13 years for his older co-conspirators is an unwarranted sentencing disparity, and that because of his young age at the time of the crime his multi-life sentences without any possibility for parole is cruel and unusual punishment.

NOW THEREFORE, in light of the record before me and in the interest of justice based on Blount's young age at the time of the crime, his multi-life sentences compared to the sentences of his older co-conspirators without the possibility of parole, and in light of his complete criminal history and conduct while incarcerated in accordance with the provisions of the powers granted to me under Article V, Section 12 of the Constitution of Virginia, I, Robert F. McDonnell, do hereby immediately grant **Travion T. Blount**, a **COMMUTATION OF SENTENCE**, reducing his term of incarceration for a total of forty (40) years for his offenses.

Given under my hand and the Lesser Seal of the Commonwealth at Richmond, this 10th day of January in the year of two thousand and fourteen and this 238th year of the Commonwealth of Virginia.
