Item 467.F. of Chapter 3, 2014 Virginia Acts of Assembly, Special Session I (as amended), requires this Department to report annually on the results of a gainsharing program that allows for the sharing of cost savings from improved productivity and performance with agencies and employees. Such gainsharing programs are to include a formula for measuring productivity gains and sharing these gains between employees and the agency.

DHRM has not identified any agencies that have implemented a gainsharing program that allows employees to share cost savings.

Accordingly, no savings have been identified for this year's report.

Respectfully Submitted,

A handwritten signature in cursive script that reads "Sara R. Wilson".
