Section 2.2-203.2:1, Code of Virginia, requires the Secretary of Administration to report "to the Governor and the General Assembly on the number of state jobs eliminated in the immediately preceding fiscal year due to the privatization of commercial activities to a commercial source. As used in this section, 'commercial activities' and 'commercial source' shall mean the same as those terms are defined in § 2.2-2620."

Agencies reported to the Department of Human Resource Management that eight positions were privatized during fiscal year 2015.

- Virginia Commonwealth University continued to transition work for security functions to G4S Secure Solutions USA Inc.
 - Five Security Officer I positions were eliminated. Four of the actions were Retirement in Lieu of Layoff and one was a Separation Layoff.
- Southside Virginia Community College transitioned bookstore operations (physical and digital) to Follett Corporation to reduce costs to students.
 - One Retail Specialist I and two Retail Manager I positions were eliminated. All three actions were Enhanced Retirements.
