Latson, Jr., Reginald Cornelius

Mr. Reginald Cornelius Latson, Jr., was convicted on the following charges in the Circuit Court of Stafford County on May 31, 2011: Assault and Battery of a Law Enforcement Officer (felony), Unlawful Wounding in the Commission of a Felony (felony), Disarming a Law Enforcement Officer (misdemeanor), and Obstruction of Justice (misdemeanor). He was sentenced to five years with three years suspended on the felony assault charge for a period of 20 years on the condition that he be of good behavior, complete supervised probation and receive treatment in a structured residential therapeutic educational program. He received suspended sentences on each of the remaining charges under the same terms and conditions.

On March 7, 2014, **Mr. Latson** was again convicted in Frederick County Circuit Court of Assault and Battery of a Law Enforcement Officer (felony), and Attempt to Disarm a Law Enforcement Officer (felony) following a mental health crisis event at the group home where he had been staying. He received five years' incarceration with four years and three months suspended plus court costs on the assault charge, and five years with five years suspended on the attempt to disarm charge.

As a result of his convictions in Frederick County, **Mr. Latson's** previously suspended sentences in Stafford County were all revoked on March 20, 2014, by the Stafford County Circuit Court. All but one year of the revoked sentences were re-suspended on the same terms and conditions that had been imposed previously. However, the Court added that upon release from incarceration, **Mr. Latson** was to report to a secure residential program in the state of Florida that serves persons with developmental disabilities.

The final conviction for which Mr. Latson seeks clemency occurred on January 8, 2015, wherein he entered a plea of guilty to Assault and Battery of a Law Enforcement Officer/Department of Corrections Employee (felony) in Stafford County Circuit Court. As the correctional officer was attempting to re-locate **Mr. Latson** to a crisis cell where he would be placed under suicide watch, **Mr. Latson** began to resist the officer's efforts. **Mr. Latson** was sentenced to serve six months incarceration and pay court costs.

By counsel, **Reginald Cornelius Latson, Jr.**, submitted his petition for a conditional pardon of each of the above offenses and related sentences, indicating that each offense may be attributed to **Mr. Latson's** disabilities. **Mr. Latson** has been diagnosed as having autism, intellectual disability, and other psychiatric diagnoses. Evaluations describing his diagnoses and outlining the extent of his disabilities have been provided for my review.

I have also reviewed the numerous letters of support for a conditional pardon from across the Commonwealth and the United States, including Virginia's Speaker of the House of Delegates, law enforcement representatives, and numerous families with autistic children. I am also mindful of the challenging situations that faced the law enforcement officers responding to these situations, and do not believe an absolute pardon is appropriate. The petitioner has, however, raised substantial doubts about the propriety of continued detention.

NOW THEREFORE, in light of the foregoing, in accordance with the provisions of the powers granted to me under Article V, Section 12 of the Constitution of Virginia, I, Terence R. McAuliffe, do hereby grant **Reginald Cornelius Latson, Jr.**, a Conditional Pardon for his convictions of May 31, 2011 and January 8, 2015 in Stafford County, and March 7, 2014 in Frederick County, as well as the probation revocations associated with each of these offenses. This pardon is conditioned upon **Reginald Cornelius Latson, Jr.**, accepting the following terms and conditions:

- (1) **Mr. Latson** agrees to remain in the custody of the Virginia Department of Corrections serving his current sentence at the Marion Correctional Facility until representatives from the Florida treatment facility arrive to transport him directly from Marion to the Florida facility. The Department of Behavioral Health and Developmental Services (DBHDS) shall assist, as necessary, in completing this transfer no later than two weeks from the date of this order;
- (2) He shall cooperate fully with the treatment recommendations of his treatment team and the staff providing his care;
- (3) He shall remain in the secure treatment program until such time as he no longer responds negatively to environmental triggers that place him and other community members at risk and the treatment team, with notice to DBHDS, recommends that he be moved to a less restrictive setting;
- (4) That the conditions of this pardon shall be satisfied ten years from the date of his release from the Department of Corrections provided that **Mr. Latson** has complied with the recommendations of his treatment team;
- (5) If any of the foregoing conditions of this Conditional Pardon are violated, **Reginald Cornelius Latson, Jr.**, shall forfeit all privileges provided under this grant of clemency and, at my discretion, shall be subject to immediate arrest and incarceration to complete the term of his original sentences.

Given under my hand and the Lesser Seal of the Commonwealth at Richmond, this 20th day of January in the year of two thousand and fifteen and this 239th year of the Commonwealth of Virginia.

WHEREAS, John Saul Miller submitted his petition for a conditional pardon based on his medical diagnosis and declining health; and

WHEREAS, John Saul Miller appears to be a proper subject for clemency, specifically for favorable consideration of his petition for a conditional pardon;

NOW THEREFORE, in accordance with the provisions of Article V, Section 12 of the Constitution of Virginia, I, Terence R. McAuliffe, do hereby grant John Saul Miller, a Conditional Pardon for his convictions of Conspiracy to Commit Robbery of a Business, Robbery of a Business, and Possession of a Firearm By a Felon in the County of Chesterfield on March 21, 2013. This pardon is conditioned upon John Saul Miller accepting the following terms and condition(s):

- (1) That he will obey all federal, state and local laws and ordinances;
- (2) He shall report any arrest, including traffic tickets, within three (3) business days to the Parole Officer;

- (3) He shall report in person or by telephone to the assigned Probation and Parole Office within three (3) business days of his release from incarceration, and as otherwise instructed thereafter;
- (4) He shall permit the Parole Officer to visit his home and place of employment;
- (5) He shall follow the Parole Officer's instructions and will be truthful, cooperative, and report as instructed;
- (6) He shall not unlawfully use, possess or distribute controlled substances or related paraphernalia;
- (7) He shall not use, own, possess, transport or carry a firearm;

- (9) He is to submit to electronic monitoring by means of a global positioning system (GPS) tracking device that is capable of tracking his movements;
- (10) He shall not leave the Commonwealth of Virginia or travel outside of an area designated by the Parole Officer without permission of the Parole Officer.

The Parole Board may revoke Mr. Miller's pardon, based on a violation of one or more of the conditions above, or based on a finding by the Board that he is otherwise unfit or unsuitable to remain on supervision. Mr. Miller shall be subject to arrest upon cause shown by the Parole Board or the Parole Officer. The maximum date of release from supervision is March 21, 2035. However, Mr. Miller may be considered for unsupervised probation after three (3) years from the date of release, but must continue on good behavior until March 21, 2035.

If any of the foregoing conditions of this Conditional Pardon are violated, John Saul Miller shall forfeit all privileges provided under this grant of clemency and, at my discretion and in accordance with the laws of the Commonwealth, his original sentence shall be in full force and effect.

Given under my hand and the Lesser Seal of the Commonwealth at Richmond, this 3rd day of June in the year of two thousand and fifteen and this 239th year of the Commonwealth of Virginia.

Absolute Pardons

McAlister, Michael

1. Michael McAlister was convicted of attempted rape and abduction on September 24, 1986, in the City of Richmond Circuit Court.
2. On December 1, 1986, he was sentenced to serve forty years with fifteen years suspended on the charge of abduction. He was sentenced to serve ten years on the charge of attempted rape. The sentences were to run consecutively.
3. McAlister's conviction was based almost entirely on the identification of the assailant by the victim in the case who also selected McAlister from a photo spread. The victim had identified her assailant as a white male, over six feet tall, approximately 175 pounds, light colored hair, fairly long and with a beard and mustache. He was wearing a panty hose stocking mask which covered his face. She also described him as wearing a red and white plaid shirt.
4. The victim also stated that the individual grabbed her from behind and placed a knife at her throat.
5. When the victim was later shown a photo spread of potential suspects, McAlister was the only individual in the spread wearing a red and white plaid shirt. McAlister was indicted for the crimes and later tried before a judge in a bench trial.
6. Very soon after McAlister was convicted of the above crimes, evidence began to surface that another individual was likely responsible for the crimes for which McAlister was found guilty.
7. Members of a special police task force had been investigating Norman Bruce Derr for a series of rapes that took place in Henrico County. In tracking Derr, the detectives learned that his method of attack involved placing a panty hose stocking mask over his face, approaching his victims from behind, and threatening them with a knife. The detectives also learned that Derr had been in the vicinity of the apartments where the victim in the McAlister case had been attacked. Derr's physical features were very similar to McAlister's in 1986: six feet tall, approximately 175 with a full beard. A photo of both men taken around the same time shows a striking resemblance.
8. In 1993, former Commonwealth's Attorney Joseph Morrissey, who prosecuted McAlister, and retired detective Charles Martin, the lead detective in McAlister's case, testified before the Parole Board that they believed they had convicted the wrong man after looking further into Norman Derr. The Board, however, denied McAlister's request for parole.
9. In the years since McAlister's conviction, Norman Derr was found guilty of several rapes in both Maryland and Virginia where the victims described circumstances nearly identical to the events described by the victim in the McAlister case. Derr is currently serving five life sentences for those attacks.
10. Additional evidence about Derr's activities and his location in the vicinity of the attack on the victim in the McAlister case has been provided by retired detectives of the Henrico Police Department. These detectives were part of the initial task force tracking Derr and had on a separate occasion observed Derr at a nearby apartment complex and even witnessed Derr with a panty hose stocking mask pulled over his face. They watched as Derr approached the building but abruptly leave the area when a resident opened the door to step outside. The detectives were not aware of the attack for which McAlister was charged.

11. In April and May 2015, following an extensive investigation into McAlister's case, Parole Board investigator Trudy Harris spoke with Norman Derr. With a grant of immunity provided by the current Richmond Commonwealth's Attorney, Michael N. Herring, for his involvement in the attack on the victim in the McAlister case, Derr confessed to Investigator Harris that it was him and not Michael McAlister who committed the crimes for which McAlister was convicted.
12. Therefore, upon careful deliberation and review of all the information and circumstances of the matter, I have decided it is just and appropriate to grant this **ABSOLUTE PARDON** that reflects Mr. McAlister's innocence of attempted rape and abduction for which he was convicted on September 24, 1986.

NOW, THEREFORE, I, Terence R. McAuliffe, Governor of the Commonwealth of Virginia, in accordance with the authority granted to me under Article V, Section 12 of the Constitution of Virginia, do hereby grant unto Michael Kenneth McAlister this Absolute Pardon from the convictions handed down by the City of Richmond Circuit Court on September 24, 1986. This absolute pardon shall also apply to any felony revocations and associated dispositions brought against Mr. McAllister related to these offenses.

Given under my hand and under the Lesser Seal of the Commonwealth at Richmond, this 13th day of May, Two Thousand Fifteen and the 239th year of the Commonwealth of Virginia.

Reedy, Davey James

1. On August 10, 1984, the Roanoke City Fire Department responded to a fire at the home of Davey Reedy. Davey Reedy and his two children, Michael Reedy, age 2, and Tina Marie Reedy, age 4, were inside the home at the time of the fire. Michael and Tina died from carbon monoxide poisoning and severe smoke inhalation as a result of the fire. Davey Reedy was treated for severe smoke inhalation, burns to his hands and blistering to his abdomen.
2. The cause of the fire was investigated by the Roanoke City Fire Marshall's office and the Roanoke City Police Department. During their investigation into the fire's origins, authorities interviewed Reedy and collected evidence from the home. Reedy denied setting the fire.
3. On September 8, 1987, Davey Reedy was indicted and charged with two counts of capital murder in the deaths of Michael and Tina, and one count of arson in the nighttime. The arson count was later amended to reflect arson in the daytime.
4. Based on the forensic evidence presented at trial that the fire was intentionally caused through the use of petroleum products, Reedy was convicted of first degree murder for the deaths of his two children, and convicted on the amended arson charge. He was given a life sentence on each of the two murder counts, and sentenced to 10 years on the arson count. Reedy is currently out of jail and on parole.
5. At Reedy's trial, former Roanoke City Deputy Fire Marshall Captain David Ray Rickman testified concerning the relationship between the depth of char at a fire scene and the length of time a fire burned. He also testified concerning burn patterns and their relationship to where a fire started. Captain Rickman testified that some flammable liquid was poured over the kitchen floor that the forensic laboratory later determined was gasoline. He testified that sections of the floor were cut out that testified positive for gasoline.
6. Captain Rickman also testified that only a fire set with the use of an accelerant could produce a high enough temperature to melt aluminum.
7. During Reedy's trial, an analyst from Virginia's Department of Forensic Science testified that gas chromatography results revealed the presence of petroleum distillates of the gasoline type on Reedy's shirt and on the kitchen floor. There was no other evidence of petroleum products found during the investigation.
8. Following Reedy's conviction and subsequent appeals, questions were raised by fire and forensic experts that began to provide doubts as to the validity of the science presented during his trial. In 2002, Richard J. McGarry,

a former forensic toxicologist for the Commonwealth from 1967-1991, reviewed the laboratory reports, chromatograms and testimony presented by the previous analyst. Mr. McGarry questioned the methodology used by the analyst in reaching her conclusions, and the handling of the evidence.

9. In August 2005, a report analyzing the cause of the fire and its origins was submitted by Combustion Science and Engineering, Inc., at the request of Mr. Reedy's attorney. In their report, CSEI refutes each of the bases for Captain Rickman's assertions that the fire was caused by an accelerant. Specifically, CSEI notes that the very

patterns and melted structures that Captain Rickman testified were the result of a fire caused by an accelerant would also result from a slow burn fire where no accelerant was used. CSEI questioned the validity of the analyst's conclusions using gas chromatography with flame ionization detection (GC-FID) where the request for examination sent to the analyst labeled the fire as being caused by arson.

10. Sufficient questions were raised over the validity of the forensic evidence and testimony to encourage former Parole Board Chair Helen Fahey to request that the laboratory re-examine their notes in October 2005. The lab forwarded the request to the original examiner who found no change in her original analysis.

11. Other experts also voiced concerns over the techniques surrounding the use of gas chromatography with flame ionization detection (GC-FID) utilized in Reedy's case. In 2006, at the request of Mr. Reedy, John Lentini, also reviewed the analysis. Mr. Lentini, a contributing writer to the NFPA 921 (Guide for Fire and Explosion Investigations), observed the many changes in the standard for gasoline identification since 1987, and challenged the positive identification of gasoline in the two samples in Reedy's case.

12. In March 2013, Parole Board Investigator Trudy Harris requested that Forensic Department Director Linda Jackson have the notes in the case re-examined. The request was again sent to the original lab examiner. The examiner again indicated that there was no change to her analysis of Reedy's shirt showing identifying evidence of gasoline; however, with respect to her previous analysis finding petroleum distillates on the kitchen floor, she concluded that current reporting language would only lead to a report showing "characteristics of gasoline today."

13. Based on advances in the techniques utilized in fire investigations, in January 2014, former Governor Robert McDonnell requested that the Department of Forensic Science again review the 1987 trace evidence analysis. The test was conducted by a different analyst knowledgeable in the methodology used in 1987, and without any knowledge of the original results or the examiner. As a result of the new examiner's review of the prior evidence, it was determined that "current reporting criteria would preclude the identification of gasoline" on Reedy's shirt or the kitchen floor. The latest review by the laboratory was consistent with those raised by other experts challenging the previous assertion that the fire that resulted in the deaths of Michael and Tina Marie Reedy was caused by an accelerant.

14. Having reviewed the multiple reports refuting the cause of the fire which led to Davey Reedy's conviction, the conflicting reports on the presence of gasoline products within the Commonwealth's own Department of Forensic Science, and the testimony presented at trial, it is now clear that Davey Reedy's convictions on two counts of first degree murder and one count of arson are not supported by the forensic evidence relied upon. I have decided that it is just and appropriate to grant this absolute pardon reflecting Mr. Reedy's innocence of the aforementioned charges.

NOW, THEREFORE, I, Terence R. McAuliffe, Governor of the Commonwealth of Virginia, in accordance with the authority granted to me under Article V, Section 12 of the Constitution of Virginia, do hereby grant unto Davey Reedy this Absolute Pardon from the conviction handed down by the Roanoke City Circuit Court on February 10, 1988.

Given under my hand and under the Lesser Seal of the Commonwealth at Richmond, this 21st day of December, Two Thousand Fifteen and the 240th year of the Commonwealth of Virginia.
