Dear Chairman and Vice-Chairman:

Pursuant to §54.1-3442.7, I am submitting this annual report on behalf of the Board of Pharmacy regarding the operation of pharmaceutical processors. While emergency regulations became effective August 7, 2017, the Board is currently implementing infrastructure necessary for overseeing the program. Therefore, currently no pharmaceutical processor permits have been issued and no practitioners, patients, parents or legal guardians of patients have been registered by the Board.

Please contact me at (804) 367-4456 or caroline.juran@dhp.virginia.gov should you have any questions.

Respectfully,

A handwritten signature in black ink, appearing to read "Caroline D. Juran".
