***Re: Department of Criminal Justice Services (DCJS) FY2018 and FY2019
Local Match by Program/Locality***

Attached are the annual summary reports on federal anti-crime and related grants which will require state general or special funds for matching purposes during fiscal years 2018 and 2019.

The FY2019 report was required under the ***Appropriation Act - Item 395 A.2. (Special Session I, 2018)***. The report summarizes federal anti-crime and related grants which will require state general funds for matching purposes during FY2019. The report includes a list of each grant and grantee, the purpose of the grant, and the amount of federal and state funds recommended, organized by topical area and fiscal period. The report also indicates whether each grant represents a new program or a renewal of an existing grant.

It has come to my attention that the FY2018 Report may not have been filed. It was also required under the appropriation act and is attached for your review.

Should you have any questions or concerns, please feel free to contact Albert Stokes, Grants Manager at (804) 756-4011 or via email Albert.Stokes@dcjs.virginia.gov.

Sincerely,

A handwritten signature in blue ink that reads "Shannon Dion".
