Re: Progress Report on Implementation of Senate Bill 1411 (2015)

Dear Chairmen Obenshain, Carrico, Bell, and Yancey:

With the passage of SB 1411 in the 2015 legislative session, the Department of Motor Vehicles (DMV) and the Office of the Executive Secretary of the Supreme Court of Virginia (OES) entered into a partnership to assist in the development of technology that would allow DMV to receive payment in full of any delinquent court fines and costs. In accordance with the requirements of Senate Bill 1411 (2015) and Acts of Assembly Chapter 228 (2015), we submit to you this report of our progress.

The goal of this project is to allow the joint customer bases of OES and DMV to complete their business with OES and DMV in as streamlined and efficient manner as possible. While DMV has been required to focus current resources on implementation of REAL ID, our two agencies remain committed to finding a solution for customers with delinquent court fines and costs.

Letter to Chairmen Obenshain, Carrico, Bell, and Yancey

The OES has completed the development and most testing of all services necessary for DMV to accept payment for delinquent fines and costs. Upon DMV completion of its remaining tasks, OES must undertake additional quality assurance testing, business unit certification, and coordinated integration testing with DMV and Virginia Interactive necessary to finalize this project.

With best wishes, I am

Very truly yours,

Karl R. Hade
