Re: Annual Compliance Report on Commonwealth Agency and Department Reporting of

Small, Women- and Minority-owned Business Procurement

The Virginia Department of Small Business and Supplier Diversity ("DSBSD") was established and granted statutory powers under §§ 2.2-1603 et seq. of the *Code of Virginia*. Section 2.2-1606 of the Code grants certain powers and duties to the DSBSD, which specifically includes, *inter alia*, the duty to "[i]mplement any remediation or enhancement measure for small, womenowned, or minority-owned business as may be authorized by the Governor pursuant to subsection C of § 2.2-4310 and develop regulations, consistent with prevailing law, for program implementation."

The Virginia Public Procurement Act's anti-discrimination policy in procurement, § 2.2-4310(B) of the *Code of Virginia*, requires that:

All public bodies shall establish programs consistent with this chapter to facilitate the participation of small business and businesses owned by women and minorities in procurement transactions. The programs established shall be in writing and shall comply with the provisions of any enhancement or remedial measures authorized by the Governor pursuant to subsection C or, where applicable, by the chief executive of a local governing body pursuant to § 15.2-965.1, and shall include specific plans to achieve any goals established therein. State agencies shall submit annual progress reports on small, womenand minority-owned business procurement to the Department of Small Business and Supplier Diversity in a form specified by the Department of Small Business and Supplier Diversity

Pursuant to Executive Order 35, the DSBSD Director is required to submit the annual SWaM Plan Compliance Report to the Secretary of Commerce and Trade on October 1 of each fiscal year. The compliance rate for state entities and institutions is 98%. Entities that have multiple sub-agencies beneath them, and which did not submit a plan, are counted once to obtain compliance rates.
