Re: Education Improvement Scholarships Tax Credits Program – Report of Scholarship
Foundations for Fiscal Year 2020

Dear Senator Howell and Delegate Watts:

Pursuant to Section 58.1-439.27 of the *Code of Virginia*, the Virginia Department of Education (“the Department”) is required to report to the Chairmen of the Senate and House Finance Committees the list of scholarship foundations that received donations for which tax credits were issued under the *Education Improvement Scholarships Tax Credits* program. This report is based on donations that were made during the twelve-month period ending on the immediately preceding June 30 (i.e., state fiscal year 2020).

During fiscal year 2020, there were a total of 42 scholarship foundations approved by the Department participating in the *Education Improvement Scholarships Tax Credits* program. Of the approved scholarship foundations, 32 scholarship foundations received qualified donations for which tax credits were issued during fiscal year 2020. During fiscal year 2020, a total of 4,860 scholarships were reported.

The following table shows the number of tax credits issued for eligible donations and the total number of scholarships issued in fiscal year 2020 as reported by the approved scholarship foundations. Under Section 58.1-439.28 A. of the *Code of Virginia*, scholarship foundations must disburse at least 90 percent of donations they receive during the twelve-month period ending on June 30 by the following June 30. As a result, the number of scholarships issued during fiscal year 2020 may include scholarships funded from donations made in the prior year.
