### **Annual Report on State Jobs Eliminated Due to Privatization**

Section 2.2-203.2:1, Code of Virginia, requires the Secretary of Administration to report to the Governor and the General Assembly on the number of state jobs eliminated in the immediately preceding fiscal year due to the privatization of commercial activities to a commercial source.

"Commercial activities" means an activity performed by or for state government that is not an inherently governmental activity and that may feasibly be obtained from a commercial source at lower cost than the activity being performed by state employees. "Commercial source" means any business or other concern that is eligible for a contract award in accordance with the Virginia Public Procurement Act (§ 2.2-4300 et seq.).

Agencies reported to the Department of Human Resource Management that the following four positions were privatized during fiscal year 2020:

- J Sargeant Reynolds Community College reported privatizing one Trades Technician III position to RL Painting & Carpentry Inc., resulting in one layoff.
- Sussex One State Prison reported privatizing one Trades Technician IV, one Trades Manager I, and one Equipment Service Repair Tech I position to CGL Facility Management LLC, resulting in two layoffs, and one retirement in lieu of layoff.

Please let me know if you need additional information or if you have questions about this report.

Sincerely,

A handwritten signature in cursive script that reads "Keyanna Conner".
