Dear Governor and Committee Chairs:

In accordance with Chapters 1217 and 1277 of the 2020 Acts of Assembly, the Virginia Alcoholic Beverage Control Authority is pleased to provide this report on games of skill activity within the Commonwealth for the month of March, 2021.

Enactment three (3) of Chapters 1217 and 1277 of the 2020 Acts of Assembly instructs the Authority to provide aggregate information submitted by Skill Game distributors on a monthly basis for your review and information.

Appended to this report is a matrix indicating (i) the total number of skill games provided for play in Virginia by distributor, (ii) the address of each location where skill games are provided for play by the distributor, (iii) the total number of skill games provided for play by the distributor at each respective location, (iv) the total amount wagered during the previous month on each skill game provided for play in Virginia by the distributor at each respective location where the skill game was provided, and (v) the total amount of prizes or winnings awarded during the previous month on each skill game provided for play in Virginia by the distributor at each respective location where the skill game was provided.

For the month of March 2021, there were approximately 8,815 reported skill games in play in Virginia. Those skill game distributors reported that there were \$203,853,700.07 wagered on skill games and \$158,885,259.28 in prize winnings.

The below table contains compiled data reported to the Authority from skill game distributors' required monthly reports received by the Virginia Alcoholic Beverage Control Authority Bureau of Law Enforcement. The table delineates the data in accordance with designated regions of the Virginia Alcoholic Beverage Control Authority Bureau of Law Enforcement.

Addendum

Reasons that the number of registered machines has changes since registration:

Distributor 019 registered for 139, but it was noted that 2 labels were destroyed and only 137 were handed out.

Distributor 009 - A settlement was agreed on, over past due tax payments, to pay a penalty and then remove 6 machines from play thru June 30, 2021.

Distributor 010 - A settlement was agreed on to have all games removed from play, thru June 30, 2021, after the distributor decided the machines were not profitable to them.

Distributor 021 over registered and had 1 machine that was not ready for play in time of registration.

Distributor 033 registered for 15, but the tracking sheet noted 13 while a location was being verified. Once verified, 2 additional labels were handed out.

Distributor 042 registered for 33, but it was noted on the tracking sheet that 2 labels were destroyed.

Distributor 049 only reported 5,361 of their 5,704 labels. Later sent in labels of warehoused machines, but locations were not identified on their report.

Distributor 088 registered for 6, but we removed 3 due to Danville not allowing games.

Distributor 091 registered for 20 at a location that is not a truck stop, so received 12 less labels.

It was later determined that 12 labels would be granted for use at other locations.

Distributor 062 - A settlement was agreed on to have all games removed from play, thru June 30, 2021.

Distributor 065 - A settlement was agreed on to have all games removed from play, thru June 30, 2021.
