**Report on Outsourcing Facilities Entered into Contract with the Department
of Corrections**

Virginia Board of Pharmacy

Pursuant to Code of Virginia - § 54.1-3307 (C)

December 2020

Subsection C of § 54.1-3307 of the Code of Virginia specifies that:

C. The Board shall report annually by December 1 to the Chairmen of the Senate Committee on Education and Health and the House Committee on Health, Welfare and Institutions on (i) the number of outsourcing facilities permitted or registered by the Board that have entered into a contract with the Department of Corrections for the compounding of drugs necessary to carry out an execution by lethal injection pursuant to § 53.1-234 and (ii) the name of any such outsourcing facilities that received disciplinary action for a violation of law or regulation related to compounding.

In accordance with the statutory provision, the Board of Pharmacy reports the following information:

The Department of Corrections indicated to the Board of Pharmacy that it has no contract with an outsourcing facility for the compounding of drugs necessary to carry out execution by lethal injection. As a result, there is no such outsourcing facility for which to report disciplinary action related to compounding.
