BACKGROUND

The Virginia Autism Advisory Council (Council) is the legislative body charged with promoting coordination of services and resources among agencies involved in the delivery of services to Virginians with autism spectrum disorder (ASD) and increasing public awareness of such services and resources. The following is a year-end summary of the Council's 2019 interim activity.

OVERVIEW

The Council did not meet during the 2019 interim.

Additional information regarding the Commission's activities is available through its website at <http://dls.virginia.gov/commissions/aac.htm>.
