To the Division of Legislative Automated Services:

Section [2.2-208.1](#) of the *Code of Virginia* establishes the School Readiness Committee, and directs the Board of Education to "review the recommendations of the Committee and submit to the Chairmen of the House Committee on Education and the Senate Committee on Education and Health, in advance of the next regular session of the General Assembly, any comments on such recommendations that the Board of Education deems appropriate. The Committee did not convene in 2020 and therefore, did not develop final recommendations for the Board of Education to consider, therefore there were no recommendations or related comments to transmit to the Chairmen prior to the 2021 General Assembly session.
