Dear Reader,

On behalf of the Virginia Department of Emergency Management, thank you for your patience with the additional time needed for the submission of our annual reports. Since January 2020, our small team of around 150 teammates has been working 24/7/365 serving our citizens and visitors across the Commonwealth through dozens of natural and humanmade disasters and large-scale events. This includes several significant rallies, flooding events, civil unrest, COVID-19 testing and vaccinations, inauguration, the Capitol riot, a cyber attack on critical infrastructure, hundreds of protests, repatriation, winter weather, hurricane season, and numerous other high-profile and impactful incidents. My agency is ready to help, and here to serve. Thank you.

Respectfully,

A handwritten signature in blue ink that reads "Shawn G. Talmadge".

Shawn G. Talmadge, State Coordinator
