

Old Dominion University Transfer Grant Recipients

Publication Year 2021

Appropriation Act – Item 144.G.4.d

Old Dominion University identified and paid \$137,000 to 163 recipients, exceeding the SCHEV goal of 140. Additionally, Old Dominion University was approved to pay \$76,500 in Bonus awards to 95 recipients and \$117,500 in Incentive awards to 149 recipients.

Old Dominion University continues to promote degree attainment in recruiting initiatives. We utilize the Net Price Calculator to assist online students investigating degree completion through the Online Virginia Network partnership with George Mason University. We continue to offer on-site admission programs at local VCCS campuses such as Tidewater Community College, Thomas Nelson Community College, and NOVA (Loudon, Manassas, Annandale and Woodbridge). We also partner with Tidewater Community College with a reverse transfer program. The Financial Aid Office partners with the Transfer Initiatives and the Transfer Center to provide informational services to Transfer students throughout the year.

Old Dominion University provides informative Award Notices to all transfer students and access to the Self-Service Portal, maintains regular communications with transfer students and holds separate Transfer Preview (orientation) programs and Transfer Financial Aid Workshops throughout the year. Transfer Grants are discussed at each of these encounters. Both In-Person and Remote counseling appointments are available to all students wishing to meet one-on-one with a Financial Aid Counselor.
