> RE: Report on Non-Supplanting Information Provided by Recipients of State Law Enforcement Assistance ("599" Funds)

Dear Delegate Knight, Senator Howell, and Senator Barker:

Each year, the Department of Criminal Justice Services (DCJS) distributes state funds to localities with qualifying police departments, as defined in 9.1-165 through 9.1-172 of the Code of Virginia. These funds are intended to fund local public safety services. Pursuant to Item 408, paragraph C(2) of the Appropriations Act, recipients of these funds are required to certify that the funds will not be used to supplant any local funds provided for public safety services, and to Delegate Knight, Senator Howell, and Senator Barker September 15, 2022 Page Two

report to DCJS the amounts of local funds provided for these services. The paragraph also directs DCJS to report this information to you.

DCJS has incorporated this requirement into the annual process of verifying localities' eligibility to receive these funds by including a non-supplanting certification which localities were required to complete and submit. Attached is the spreadsheet showing the fiscal 2023 allocations of "599" funds for the eligible localities and the amounts of the local revenues they reported budgeting for public safety for that year.

If you have any questions about the information contained in this report, please contact Tracy Matthews at tracy.matthews@dcjs.virginia.gov or Michelle Miles at michelle.miles@dcjs.virginia.gov.

Sincerely,

Jackson Miller Director
