2021-2022 SCHOOL SECURITY EQUIPMENT GRANT PROGRAM

Legislation enacted by the 2013 General Assembly, HB 2343 and Item 139 C.13. of the 2013 Appropriation Act, created a school security equipment grant program for school divisions and regional programs. The legislation and appropriation act provision authorized \$6.0 million per year in grant funding through five-year equipment notes issued by the Virginia Public School Authority, with the debt service paid from the Literary Fund. \$12.0 million in funding was continued by the General Assembly for the 2021-2022 school year, the eighth year of the program.

2021-2022 Grant Requirements

Grants were awarded on a competitive basis using the following criteria.

- School divisions, including regional programs, were eligible to apply for and receive grant awards up to \$250,000
- Applications had to be submitted to the Department of Education by August 1, 2021
- School divisions were notified on January 5, 2022 of their grant award
- School divisions had to commit to purchase the funded security equipment within six months of being notified of their grant award
- Eligible schools had to be scheduled to remain open for at least five more years
- No planned renovations/additions could be scheduled for the next five years which would cause the security equipment being requested to become obsolete
- A local match of 25 percent of the state grant amount was required – the Superintendent of Public Instruction was authorized to reduce the local match for school divisions with a composite index of less than 0.2000. The Virginia School for the Deaf and the Blind was exempt from the local match requirement.
