Overview

Mission: Economic Growth and Development of Virginia's Small Businesses

The mission of the Virginia Department of Small Business and Supplier Diversity (SBSD) is to provide education and assistance; economic opportunity; and access to capital to generate employment and economic growth for small businesses while enhancing the economy in Virginia.

Agency Vision:

The Virginia Department of Small Business and Supplier Diversity (SBSD), formerly the Department of Business Assistance and the Department of Minority Business Enterprise, was formed to meet the needs of existing and new small businesses. Over the life of the agency, the mission has expanded so that small, woman, and minority-owned businesses are included in this vision. Then and now, the department separates these important functions from the political process and ensure that all Virginia small businesses receive assistance to grow and prosper in the Commonwealth through education, counseling, certification, and access to financing.

Agency Goals:

Statewide Goals Advanced by SBSBD's Strategic Goals, Objectives, and Strategies

- Be a national leader in the preservation and enhancement of our economy.
- Engage and inform citizens to ensure we serve their interests.
- Be recognized as the best-managed state in the nation.
- Ensure that Virginia has a transportation system that is safe, enables easy movement of people and goods, enhances the economy, and improves our quality of life.

The goals listed above are statewide goals with many contributors in which SBSBD plays a role. The agency is committed to customer service, advocacy for small businesses, and support of other Virginia state agencies. SBSBD specific goals do not stand alone, but support the broader goals of the entire Commonwealth.

Agency Goal I: Spur economic vitality through strategic investment of resources.

For the Department this means implementing strategies that assist small businesses to be more competitive in a rapidly changing global economy.

Agency Goal II: Enhance the positive business climate in Virginia for small businesses as they move through the business life cycle: formation, stabilization, and growth.
