Dear Sirs and Madams:

In Item 139C.13 of the 2013 Appropriation Act, the Virginia General Assembly created a competitive school security equipment grant program for school divisions and regional programs. The legislation and appropriation act provision authorized \$6.0 million per year in grant funding through five-year equipment notes issued by the Virginia Public School Authority, with the debt service paid from the Literary Fund. \$12.0 million in funding was continued by the General Assembly for the 2022-2023 school year, the ninth year of the program. The Department of Education consolidates information from applying and awarded school divisions and submits an annual report to the Chairs of the Senate Finance and Appropriations and Education and Health Committees, as well as to the House Education and Appropriations Committees.

If you have any questions or require additional information relative to this report, please do not hesitate to contact by Director of the Office of Support Services, Vijay Ramnarain, at Vijay.Ramnarain@doe.virginia.gov, or at (804) 750-8125.

Sincerely,

Dr. Lisa Coons

2022-2023 SCHOOL SECURITY EQUIPMENT GRANT PROGRAM

Legislation enacted by the 2013 General Assembly modified *Code of Virginia, Va. Code § 22.1-280.2:2.H*, which created a school security equipment grant program for school divisions and regional programs. The legislation and appropriation act provision authorized \$6.0 million per year in grant funding through five-year equipment notes issued by the Virginia Public School Authority, with the debt service paid from the Literary Fund. \$12.0 million in funding was continued by the General Assembly for the 2022-2023 school year, the ninth year of the program.

2022-2023 Grant Requirements

Grants were awarded on a competitive basis using the following criteria.

- School divisions, including regional programs, were eligible to apply for and receive grant awards up to \$250,000
- Applications had to be submitted to the Department of Education by August 1, 2022
- School divisions were notified on November 10, 2022 of their grant award
- School divisions had to commit to purchase the funded security equipment within six months of being notified of their grant award
- Eligible schools had to be scheduled to remain open for at least five more years
- No planned renovations/additions could be scheduled for the next five years which would cause the security equipment being requested to become obsolete
- A local match of 25 percent of the state grant amount was required – the Superintendent of Public Instruction was authorized to reduce the local match for school divisions with a composite index of less than 0.2000. The Virginia School for the Deaf and the Blind was exempt from the local match requirement.
