APPENDIX

Grant Program Descriptions

ID	Program	Description
504124 1st Distribution – Cities Cities 1st Distribution – Cities		This grant opportunity was focused on localities that have been disproportionately affected by violent crime as reflected in the 2021 Incident Based Reporting (IBR) data. The cities that have been identified are Chesapeake, Danville, Emporia, Hampton, Lynchburg, Martinsville, Newport News, Norfolk, Petersburg, Portsmouth, Richmond, and Roanoke. Focused areas were for the purchase of equipment related to real time crime infrastructure and technology to support law enforcement response to violent crime. Applicants are also invited to request funding for equipment that will improve and reduce violent crime within their communities.
504122	1st Distribution – Regional Academies	This grant program was open to Regional Criminal Justice Academies with the focus on purchasing technological supplies for online testing and for firearm training scenario simulators.
504135	1st Distribution – Training Courses	This grant program was open to Independent and Regional Criminal Justice Training academies who provided Option 5 Out-of-State lateral training during the grant period. This program was focused on funding reasonable expenses associated with operating an Option 5 Out-of-State Lateral Training Program. Funding for instructor related expenses and overtime pay needed to facilitate and instruct these training course and/or additional supplies and equipment for such training courses are also allowable.
508541	Public and Private Campus Police Departments	This grant program was open to higher education law enforcement entities with the focus on purchasing equipment that improves or enhances the delivery of daily law enforcement services to the community and/or ensures the safety of citizens and officers. Equipment purchased and projects should seek to decrease violent crime within their jurisdiction.
508516	Local Law Enforcement Agencies	This grant program was open to localities to purchase equipment that improves or enhances the delivery of daily law enforcement services to the community and/or ensures the safety of citizens and officers. Equipment purchased and projects should seek to decrease violent crime within their communities. Applicants were also invited to request funding for equipment that will improve and reduce violent crime within their locality. Funding may be used to invest in technology and equipment to allow law enforcement to more efficiently and effectively respond to the rise in gun violence resulting from the pandemic, for example technology to assist in the identification of guns whose serial numbers have been damaged. Along with being responsive to harm, equipment must be cost reasonable.
508542	Regional Jail Distributions	This grant program was focused on regional jail entities across the Commonwealth to purchase equipment that improves or enhances the delivery of daily law enforcement services to the community and/or ensures the safety of citizens and officers. Equipment purchased and projects should seek to decrease violent crime within their communities. Funding may be used to invest in technology and equipment to allow law enforcement to more efficiently and effectively respond to the rise in gun violence resulting from the pandemic, for example technology to assist in the identification of guns whose serial numbers have been damaged. Along with being responsive to harm, equipment must be cost reasonable.
