Publication Year 2023

Appropriation Act – Item 144.G.4.d

Old Dominion University identified 163 recipients and will pay \$138,500 in transfer grant awards, exceeding the SCHEV goal of 140. Additionally, Old Dominion University is approved to pay \$66,000 in Bonus awards to 86 recipients and \$124,500 in Incentive awards to 151 recipients.

Old Dominion University continues to promote degree attainment in recruiting initiatives. We utilize the True Cost Calculator (a Net Price Calculator tool) to assist online students investigating degree completion through the Online Virginia Network partnership with George Mason University. We continue to offer on-site admission programs at local VCCS campuses such as Tidewater Community College, Virginia Peninsula Community College (formerly Thomas Nelson Community College), and NOVA (Loudon, Manassas, Annandale, and Woodbridge). We also partner with Tidewater Community College with a reverse transfer program.

Old Dominion University provides informative Award Notices to all transfer students and access to the Self-Service Portal, maintains regular communications with transfer students and holds separate Transfer Preview (orientation) programs throughout the year. Transfer Grants are discussed at each of these encounters. Both In-Person and Remote counseling appointments are available to all students wishing to meet one-on-one with a Financial Aid Counselor OR Academic Advisor.
