Item 469 F. of the 2024 Special Session I Budget Bill – HB6001 (Chapter 2), requires this Department to report annually on the results of a gainsharing program that allows for the sharing of cost savings from improved productivity and performance with agencies and employees. Such gainsharing programs are to include a formula for measuring productivity gains and sharing these gains between employees and the agency.

DHRM has not identified any agencies that have implemented a gainsharing program that allows employees to share cost savings.

Accordingly, no savings have been identified for this year's report.

Respectfully Submitted,
