*Va. Code* § 58.1-319 requires that any tax credit in Title 58.1 of the *Code of Virginia* that has not been claimed by any taxpayer during the preceding five calendar years be deemed obsolete. The Department of Taxation ("the Department") is required to report all tax credits that are deemed obsolete to the House Committee on Appropriations, House Committee on Finance, and Senate Committee on Finance no later than February 1 of each year.

In the 2013 Obsolete Tax Credits Report, the Day-Care Facility Investment Tax Credit and the Tax Credit for Certain Employers Hiring Recipients of Temporary Assistance for Needy Families ("TANF") were both deemed obsolete as required by *Va. Code* § 58.1-319, and no taxpayers may claim such tax credits in taxable years beginning on and after January 1, 2014 without the expressed authorization of the General Assembly. In the 2014 through 2022 Obsolete Tax Credits Reports, no tax credits were deemed obsolete.

Based on the Department's tax credit reports, all of Virginia's existing tax credits in Title 58.1 of the *Code of Virginia* have been claimed within the past five calendar years. Therefore, the Department in this report is deeming no additional tax credits obsolete.

Notes:

- Number of returns and amounts are for income tax returns processed during the fiscal year, regardless of taxable year. For most credits, returns for multiple taxable years were processed during the fiscal year. The total for each return may include carryovers from prior years.
- If a return was amended or audited during the fiscal year, only the additional credit amount (or reduction) is included.
- The amount shown for the Coalfields Employment Enhancement Tax Credit includes the amount refunded to taxpayers, as well as that deposited with the Coalfields Economic Development Authority.
- A refundable tax credit is one which is not limited by the amount of the taxpayer's tax liability.
- The Clean Fuel Vehicle and Vehicle Emissions Testing Equipment Credit includes both the Clean Fuel Vehicle and Certified Electric Vehicle Credit and the Vehicle Emissions Testing Equipment Credit. These two components were reported separately in prior annual reports.
- Date for the credit is not available for release because fewer than four returns claiming the credit have been processed in during the fiscal year.
