

The Commission on VASAP

2025 Annual Executive Summary

January 2026

Your Doorway to Safe & Sober Driving

Introduction

The Virginia Alcohol Safety Action Program traces its roots to Fairfax County. In 1972, it became the site of one of 35 national “Alcohol Safety Action Projects” funded by the National Highway Traffic Safety Administration (NHTSA). On March 24, 1975, legislation passed by the General Assembly expanded this program statewide establishing driver education and rehabilitation programs in an effort to reduce the number of highway tragedies. In 1986, the General Assembly formed the Commission on Virginia Alcohol Safety Action Program (Commission on VASAP). This provided for the standardization of ASAP operations, thereby increasing the quality and equity of services to offenders statewide.

There are currently 21 Alcohol Safety Action Programs (ASAPs) throughout Virginia. Every jurisdiction in the Commonwealth is covered by one of the local programs. The ASAP programs share in the responsibility with other highway safety partners to help lower the number of impaired drivers on our roadways.

Section 18.2-271.2 of the Code of Virginia requires the Commission on VASAP to submit to the Governor and the General Assembly an annual executive summary of the interim activity and work of the Commission. This report provides an overview of Commission on VASAP activities during 2025.

The Commission on VASAP continues to provide quality services to the citizens of the Commonwealth of Virginia without using any general state revenues. The Commission looks forward to ongoing success in 2026 as it works cooperatively with the General Assembly and other highway safety stakeholders to reduce traffic-related injuries and fatalities.

Mission

To improve highway safety by decreasing the incidence of driving under the influence of alcohol and other drugs, leading to the reduction of alcohol and drug-related fatalities and crashes.

Programs

VASAP has developed many educational programs designed to improve highway safety, providing a credible Alcohol Safety Action Program that responds to the needs of each locality in Virginia. Included among these are:

- ASAP Education Groups
- Community Service Programs
- Driver Improvement Program
- DUI Court
- Multiple Offender Restoration Review
- Intervention Interview
- Reckless/Aggressive Driver Program
- Ignition Interlock
- Young Offender Program

Overview of the Commission

§18.2-271.2. Commission on VASAP; purpose; membership; terms; meetings; staffing; compensation and expenses; chairman's executive summary.

A. There is hereby established in the legislative branch of state government the Commission on the Virginia Alcohol Safety Action Program (VASAP). The Commission shall administer and supervise the state system of local alcohol and safety action programs, develop and maintain operation and performance standards for local alcohol and safety action programs, and allocate funding to such programs. The Commission shall have a total membership of 15 members that shall consist of six legislative members and nine nonlegislative citizen members. Members shall be appointed as follows: four current or former members of the House Committee for Courts of Justice, to be appointed by the Speaker of the House of Delegates; two members of the Senate Committee for Courts of Justice, to be appointed by the Senate Committee on Rules; three sitting or retired judges, one each from the circuit, general district and juvenile and domestic relations district courts, who regularly hear or heard cases involving driving under the influence and are familiar with their local alcohol safety action programs, to be appointed by the Chairman of the Committee on District Courts; one director of a local alcohol safety action program to be appointed by the Speaker of the House of Delegates upon consideration of the recommendations of the legislative members of the Commission; one director of a local alcohol safety action program to be appointed by the Senate Committee on Rules upon consideration of the recommendations of the legislative members of the Commission; one representative from the law-enforcement profession, to be appointed by the Speaker of the House and one nonlegislative citizen at large, to be appointed by the Senate Committee on Rules; one representative from the Virginia Department of Motor Vehicles whose duties are substantially related to matters to be addressed by the Commission to be appointed by the Commissioner of the Department of Motor Vehicles, and one representative from the Department of Behavioral Health and Developmental Services whose duties also substantially involve such matters, to be appointed by the Commissioner of Behavioral Health and Developmental Services. Legislative members shall serve terms coincident with their terms of office. In accordance with the staggered terms previously established, nonlegislative citizen members shall serve two-year terms. All members may be reappointed. Appointments to fill vacancies, other than by expiration of a term, shall be made for the unexpired terms. Any appointment to fill a vacancy shall be made in the same manner as the original appointment.

B. The Commission shall meet at least four times each year at such places as it may from time to time designate. A majority of the members shall constitute a quorum. The Commission shall elect a chairman and vice-chairman from among its membership. The Commission shall be empowered to establish and ensure the maintenance of minimum standards and criteria for program operations and performance, accounting, auditing, public information, and administrative procedures for the various local alcohol safety action programs and shall be responsible for overseeing the administration of the statewide VASAP system. Such programs shall be certified by the Commission in accordance with procedures set forth in the Commission on VASAP Certification Manual. The Commission shall also oversee program plans, operations and performance and a system for allocating funds to cover deficits that may occur in the budgets of local programs.

C. The Commission shall appoint and employ and, at its pleasure, remove an executive director and such other persons as it may deem necessary, and determine their duties and fix their salaries or compensation.

D. The Commission shall appoint a Virginia Alcohol Safety Action Program Advisory Board to make recommendations to the Commission regarding its duties and administrative functions. The membership of such Board shall be appointed in the discretion of the Commission and include personnel from (i) local safety action programs, (ii) the State Board of Behavioral Health and Developmental Services, community service boards or behavioral health authorities and (iii) other community mental health services organizations. An assistant attorney general who provides counsel in matters relating to driving under the influence shall also be appointed to the Board.

E. Legislative members of the Commission shall receive compensation as provided in § 30-19.12. Funding for the costs of compensation of legislative members shall be provided by the Commission. All members shall be reimbursed for all reasonable and necessary expenses as provided in §§ 2.2-2813 and 2.2-2825 to be paid out of that portion of moneys paid in VASAP defendant entry fees which is forwarded to the Virginia Alcohol Safety Action Program.

F. The Chairman of the Commission on VASAP shall submit to the Governor and the General Assembly an annual executive summary of the interim activity and work of the Commission no later than the first day of each regular session of the General Assembly. The executive summary shall be submitted as provided in the procedures of the Division of Legislative Automated Systems for the processing of legislative documents and reports and shall be posted on the General Assembly's website.

2025 Legislation Related to VASAP

- **HB2096 Intelligent Speed Assistance Program** established, penalty. Establishes the Intelligent Speed Assistance Program to be administered by the Commission on the Virginia Alcohol Safety Action Program. The bill authorizes enrollment in such Program as an alternative to suspending a person's driver's license upon such person's conviction of certain speed-related offenses and requires a court to order enrollment in such Program for a person convicted of reckless driving and who was found to have been driving in excess of 100 miles per hour. The bill requires any participant in the Program to install an intelligent speed assistance system, defined in the bill, in any motor vehicle owned by or registered to the participant and prohibits the participant from driving any motor vehicle that does not have such a system installed. The bill creates a Class 1 misdemeanor for tampering with or attempting to bypass or circumvent such a system. **4/2/2025 Governor Acts of Assembly Chapter text (CHAP0652)**
- **SB1006 Driving while intoxicated, pre-conviction ignition interlock for certain offenders.** Permits a first-time offender charged with driving while intoxicated to obtain an ignition interlock pre-conviction. Current law prohibits the installation of an ignition interlock system until a court issues a restricted license. **3/21/2025 Governor Acts of Assembly Chapter text (CHAP0320)**
- **SB 1392 Ignition interlock system; duration.** Increases the period of time during which a person, as a condition of a restricted license, is prohibited from operating a motor vehicle that is not equipped with an ignition interlock system from not less than six consecutive months to not less than 12 consecutive months without alcohol-related violations of the interlock requirements. This bill was a recommendation of the Commission on the Virginia Alcohol Safety Action Program. **3/21/2025 Governor Acts of Assembly Chapter text (CHAP0343)**

* Note: The data contained in this report reflects program enrollment following conviction. Due to a number of factors to include the time between arrest, court proceedings, and conviction and individual participation choices, VASAP enrollment totals for a given reporting period may not correspond to DUI arrest figures from that same period.

*Note: Enrollment includes clients actually appearing at the ASAP for services.

Figure 1 above shows the number of individuals enrolled under the supervision of VASAP, by location. The figure's basis was 20,572 individuals. Chesapeake Bay supervised 18,59 individuals, comprising 9.04% of the state's total. Taken with John Tyler (1,729; 8.40%) and Fairfax (1,678; 8.16%), these three locations accounted for over a quarter of the state's supervised individuals (25.60%).
