

## ***COMMONWEALTH of VIRGINIA***

### ***Department of Taxation***

January 14, 2026

The Honorable L. Louise Lucas  
Chair, Senate Finance and Appropriations Committee

The Honorable Vivian E. Watts  
Chair, House Finance Committee

Dear Chair Lucas and Chair Watts:

Pursuant to Va. Code § 58.1-344.3, the Department of Taxation ("the Department") is required to report to the Chair of the Senate Finance and Appropriations Committee and to the Chair of the House Finance Committee the amounts collected for each voluntary contribution for the three most recent taxable years for which there is complete data. This report is also required to list which entities, if any, will be removed from the Virginia individual income tax return because they have failed to meet the requirement that, at a minimum, they receive at least \$10,000 in voluntary contributions in each of the three most recent taxable years. Finally, the report must list which entities, if any, will be automatically added to the income tax return in order to bring the total number of voluntary contributions to 25.

No organizations were removed from the list of voluntary contributions on the 2025 individual income tax return. Data indicates that the current organizations have all met the \$10,000 per year minimum contribution threshold for Taxable Years 2022, 2023, and 2024. House Bill 2696 (2025 Acts of Assembly, Chapter 311) added the Board for the Blind and Vision Impaired to the list of voluntary contribution organization that will be included on the 2025 individual income tax return. There are no organizations currently on the waiting list.

The enclosed document presents the report for 2025. Please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Kristin Collins".

Kristin Collins  
Acting Tax Commissioner  
Commonwealth of Virginia

C: The Honorable Stephen E. Cummings, Secretary of Finance

## **Voluntary Contributions: Amounts Collected for 2018-2024**

In 2004, the General Assembly enacted House Bill 1486 (2004 Acts of Assembly, Chapter 649), which limited the number of organizations qualifying for voluntary contributions to 25 and required that organizations receive at least \$10,000 in voluntary contributions annually for at least three consecutive years in order to continue to be included on the individual income tax return.

In 2005, the General Assembly clarified this requirement by passing House Bill 2303 (2005 Acts of Assembly, Chapter 860). This bill created a new process for limiting the voluntary contribution organizations listed on the Virginia individual income tax return. As required by the 2004 legislation, the number of entities is limited to 25, and all entities eligible to receive voluntary contributions must receive at least \$10,000 in each of the three previous taxable years for which there is complete data and for which the entity is listed on the individual income tax return. In addition, each new entity is required to be listed on the individual income tax return for three consecutive taxable years before the \$10,000 requirement is applied.

### **Virginia 529 Contributions**

In 2013, the General Assembly enacted House Bill 2145 and Senate Bill 1220, which became effective January 1, 2014. This legislation allowed an individual to designate that his individual income tax refund, or a portion thereof, be deposited into one or more Virginia College Savings Plan ("Virginia 529") accounts. The following table shows annual contributions to Virginia 529 accounts:

<b>Virginia 529 Contributions</b>	<b>Amount of Contributions</b>	<b>Number of Returns</b>
Taxable Year 2018	\$599,363	949
Taxable Year 2019	\$637,077	1,024

### Changes to the 2025 Income Tax Return

No organizations were removed from the list of voluntary contribution entities on the 2025 individual income tax return. House Bill 2696 (2025 Acts of Assembly, Chapter 311) added the Board for the Blind and Vision Impaired to the list of voluntary contribution organizations that will be included on the 2025 income tax return. There are no organizations currently on the waiting list.

### Changes to the 2026 Income Tax Return

An organization must receive at least \$10,000 in voluntary contribution in each of the three most recent taxable years to remain on the Virginia individual income tax return. Based upon 2023 and 2024 return data, organizations currently on the 2025 return appear to have met the requirements for inclusion on the 2026 return as well. However, the Department does not yet have data for 2025, as 2025 returns are currently being filed. Therefore, the Department will prepare its 2026 returns with all current organizations included. If an organization has not met the \$10,000 requirement for 2025 after

complete data for such year becomes available, the Department will update its 2026 return to remove such organization.

## Summary of Voluntary Contributions

Set out in the table below is a summary of all of the voluntary contribution entities that have been removed from or added to the individual income tax return since the adoption of House Bill 2303 in 2005 (codified at Va. Code § 58.1-344.3).
