The Honorable Patrick A. Hope
Chair, Courts of Justice Committee
Virginia House of Delegates
P.O. Box 406

Dear Chairs Surovell and Hope:

Va. Code §16.1-69.22:1 requires the Office of the Executive Secretary (OES) to distribute evaluation forms for retired recalled district court judges during the final year of the three-year period following their qualification by the House and Senate Courts of Justice Committees. This letter serves to report the results of this activity to the House and Senate Courts of Justice Committees. This process is not part of the Judicial Performance Evaluation (JPE) Program, which is established in Virginia Code § 17.1-100 and the Rules of the Supreme Court of Virginia.

Survey Description

The retired recalled district court judges survey measured the frequency (i.e., never, rarely, some of the time, frequently, always) of the following judicial attributes:

1. The judge uses courtroom time efficiently.
2. The judge is patient.
3. The judge shows respect for all court participants.
4. The judge is attentive to the proceedings.
5. The judge is prompt in rendering decisions.
6. The judge displays knowledge of the law.
7. The judge exhibits fairness to all parties.

8. The judge communicates effectively.
9. The judge exhibits a good faith consideration of the law.
10. The judge's decisions are clear.

Survey recipients included all active attorneys licensed to practice law in Virginia and all clerks of the general district courts and juvenile and domestic relations district courts ("district court clerks").¹ Clerks were not asked to rate a judge's knowledge of the law or a judge's good faith consideration of the law.

Upon completion of an evaluation attorneys and clerks certified that they had not completed more than one response for a particular judge. Attorneys also certified that their responses were based on their personal experience with the judge. Although clerks were asked to complete the evaluation independently, they were not asked to certify that their responses were based on their personal experience with the judge. This allowed them the option to consult with a courtroom clerk who may have had more direct interaction with the judge.

Survey Distribution

On October 1, 2025, the OES distributed an online survey to evaluate a group of 81 retired recalled district court judges in their final year of the three-year period following their qualification. A survey announcement with a link to the survey was sent via email to all active licensed attorneys and district court clerks. The announcement to attorneys asked them to complete the anonymous 5-minute survey for each retired judge who they appeared before or observed in the past 12 months (October 1, 2024-September 30, 2025).² If an attorney appeared before a retired judge who was not listed (i.e., not being evaluated this year) the attorney was asked to click the *Prev* button to return to complete an evaluation for another judge, as appropriate.

The announcement to clerks asked them to complete the anonymous 5-minute survey for each retired judge who sat in recall in their court during the same 12-month time-period.

Follow-up survey announcements were sent to all active licensed attorneys and to all district court clerks on October 16. The survey closed on October 31.

Survey Completion

A total of 2,149 respondents (1,793 attorneys and 356 clerks) completed a survey. A completed survey is one in which the respondent clicked *Done* on the last page of the survey.

¹ Clerks of court were included in this evaluation process to give them the opportunity to rate the performance of retired judges who sit in their courts.

² Attorneys who had not appeared before or observed a retired judge in the past 12 months were to disregard the survey.

January 5, 2026

Report of Evaluations of Retired District Court Judges
Page Three

Seventy-six of 77 judges were evaluated by at least one attorney respondent and 74 of the 77 judges were evaluated by at least one clerk respondent.³

An additional 1,254 respondents (1,163 attorneys and 91 clerks) started a survey by entering at least one answer and clicking *Next* on at least one survey page but did not click *Done* on the last page of the survey. These surveys are considered to have been in progress or abandoned at the end of the survey close date and are not included in the results.

Overview of Evaluation Results

Out of 1,793 attorney respondents, 396 (22%) reported that they appeared before or observed a particular retired judge more than 5 times.

Attorneys and clerks rated retired district court judges across eight evaluation areas. The results show that 83% to 92% of respondents indicated that the judges *always* or *frequently* used courtroom time efficiently, were patient, showed respect for court participants, were attentive to proceedings, rendered decisions promptly, exhibited fairness to all parties, communicated effectively, and made clear decisions.

Attorneys rated judges across two additional evaluation areas: good faith consideration of applicable law and knowledge of the law. Eighty-four percent of attorneys believe that the judge *always* or *frequently* considered the law in good faith, and 85% of attorneys believe that the judge *always* or *frequently* demonstrated knowledge of the law.

The response data in aggregate are provided below.
