MEMORANDUM

TO: The Honorable Abigail Spanberger, Governor of Virginia
Members of the General Assembly

FROM: The Honorable Nicholas Donohue 

SUBJECT: Allocation of Transportation Funds

In accordance with *Item 420 B.2. of Chapter 725 of the 2025 Session Acts of Assembly*, this memorandum will certify that all available federal transportation funds will be used in accordance with applicable federal law and in support of the transportation policy goals included in that Chapter. The forecasted federal revenues expected to be provided by the Federal Highway Administration (FHWA) to the Commonwealth in fiscal year 2026 totals \$1.58 billion. Fiscal year 2027 FHWA federal revenues are projected at \$1.56 billion. The actual funding made available may change based upon Congressional action and final funding distributions by the FHWA. The required matching funds to support the federal revenues are supported by a combination of transportation development credits, state, and local funds.

On June 17, 2026, the Commonwealth Transportation Board (CTB) will consider adoption of the FY 2027-2032 Six-Year Improvement Program (SYIP) as well as the annual budgets of the Department of Transportation and Department of Rail and Public Transportation. The draft SYIP was presented to the CTB on April 21, 2026 and nine public meetings were held between April 20 and May 26, 2026.

Information on the draft SYIP is available at the Department of Transportation's website, www.virginiadot.org or the Department of Rail and Public Transportation's website, www.drpt.virginia.gov. The final versions of the SYIP and the budgets will be made available at the online address above upon CTB approval.
