Virginia Electric and Power Company's October 1, 2026 CCR Beneficial Use Proposals Report

Dear Ms. Wilborn:

Pursuant to Va. Code § 10.1-1402.03 (G.2), Dominion Energy Virginia is required to submit a biennial report containing proposals received to beneficially use any Coal Combustion Residuals (CCR) subject to the provisions of Va. Code § 10.1-1402.03, but not covered by an existing contractual agreement, and the company's analysis of such proposals.

The 2026 iteration of this report is attached here for electronic submittal to the Division of Legislative Automated Systems.

Sincerely yours,

A handwritten signature in black ink, appearing to read "James K. Beazley", written in a cursive style.

CCR Beneficial Use Proposals Received

In accordance with Virginia Code § 10.1-1402.03(G)(2), this report documents receipt and review of proposals to beneficially use any Coal Combustion Residuals (CCR) subject to SB 1355 (2019), but not covered by an existing contractual agreement, every four years beginning July 1, 2022. The proposals must provide information from which the Owner can determine:

- The amount of CCR that will be utilized for encapsulated beneficial use,
- The cost of such beneficial use, and
- The guaranteed timeframe in which the CCR will be utilized.

Proposals received from October 1, 2024, to September 30, 2026

Dominion Energy has not received any proposals meeting all the above criteria.

Proposal	Date Received	Proposed Beneficial Use	Required Review Criteria			Review Notes
			Amount CCR Used	Cost	Guaranteed Timeframe	
						No proposals received during the above period.
